THOS. J. HILL, MAYOR

G. D. PRITCHARD, CLERK ADMINISTRATOR

THE CORPORATION OF THE TOWN OF HALTON HILLS Amendment to Zoning By-Law 57-91 by By-Law 75-112

Council for the Corporation of the Town of Halton Hills deems it necessary and advisable to amend zoning by-law 57-91 (of the former Town of Georgetown) to change the zone designation of the lands shown as the shaded areas on Schedule "A" to by-law 75-112 from Industrial Second Density (M2) to Residential Third Density (R3).

Under zoning by-law 57-91 the uses which presently may be made of the property in accordance with its Industrial Second Density (M2) zoning are set out in Section 7.3.1.1 of the by-law and include the following uses:

"shops for the repair, assembly or manufacture of small goods and wares, including parts for automotive bodies and similar items, laundries, printers, cleaners and dyers, storage warehouse, public garages and service stations, and manufacturing or industrial operations which are not obnoxious within enclosed structures or buildings."

If the zoning of the property under consideration is changed to Residential Third Density (R3) the uses which may then be made of the lands are set out in Section 5.2.3.1.1 of zoning by-law 57-91 and include the following uses:

"single family detached dwellings, public, separate, and high schools, churches, parks and playgrounds operated by the Town of Halton Hills and accessory uses including private garages and television antennas."

The lands immediately to the south of the property being rezoned are used for industrial purposes; the lands to the east are used for agricultural and residential purposes; the lands to the north are used for industrial purposes; and the lands to the west are used for residential purposes.

Those areas designated on Schedule "A" to by-law 75-112 by the dark square fronting on Glen Road and Academy Road are presently used for industrial purposes and for this reason the zone designation of those lands will remain as Industrial Second Density (M2).

If by-law 75-112 is approved by the Ontario Municipal Board the zone designation of the lands as Residential Third Density (R3) will be in conformity with the Official Plan in force for the property under consideration.
