Plenty of sports activities for Branch 120 members

By Roma Timpson Had enough snow yet folks? I imagine we'll get plenty more before we can put away

our shovels. If you have any lounge chairs around that you've been intending to have fixed, now is an excellent time to get them down to the A.R.C. Industries in Hornby as they do an excellent job repairing them. Just mark them clearly.

Bowilng in Brampton Inst Saturday for the branch members proved unsuccessful as far as winning. What's the matter with you fellows? With all the members in this branch I was more than surprised that we didn't have more than one

team entered. Here are future events. Lists are now up on the sports board and some men have already signed it. How about you? If you are interested, come down to the branch, don't leave it to someone else to sign your name.

Members as you know the first meeting of the new year is this Thursday at 8 pm. Any sports played after the date of the first meeting requires you to be a paid up member for the current year so before you enter these sports events, be sure you are paid up. It will

save unpleasantness the day of

the event... Marg Hale and family suffered the loss of Marg's sister, Mille Teed of Sudbury. Marg has spent the past few days in Sudbury on learning of her sister's illness and Millio died this past week-end. To both families we offer our most sincere sympathies at this

Winners in the raffle at our Car Club draw last Friday were: No. 376567 Glenn Hunter, No. 376719 (not claimed as yet), No. 376719 G. Rows and No. 376380 Bubs Waltes.

Canteen Chairman Harold Badham, along with Car Club Chairman Doris Chamberlain and Co-Chairman Joe Poirier sincerely thank the honorary members, Joe Chapman, Mike George, Lloyd Grozelle, Dave Osbourne, Joe Louth and Jim Bishop for manning the bar during the evening and doing such an excellent job.

Also helping in other areas for the evening were honourary members Jimmy Ford, Ed. Patterson and Jasper Green.

At all our "Dos" up stairs it is a strictly volunteer effort and we appreciate the interest these members continuously show in supporting our branch. Also a large vote of thanks go to all regular members who helped or offered their help.

Nine branch members went to Cakville Branch No. 114 on Sunday to attend the Zone Deputy Zone meeting. Commander Norm Ward, chaired the meeting as he did the last one in the absence of Zone Commander Bernie Greenfield who was in Brantford at a district sports seminar. Those present were Pres. Denny Wright, 1st Vice Harold Badham, 2nd Vice Pat Chamberlain, Membership Chairman Tom Elliott, House Chairman Tut Harrison, Deputy Z.C. Norm Ward, Zone Service Officer J.J. Mc-Carthey, Hank Russell and yours truly.

After the informative we had an exceptionally nice dinner prepared by only three Oakville Auxiliary ladies and served by the Oakville members present. That was quite a switch and the fellows enjoyed their role as well as helping their ladies.

Next zone meeting will be in Port Credit and date to be decided on when Port Credit see how their calender of events are shaping up. This will be approximately two to three months time and definitely before June. Our Executive have already been asked to look after Oakville's elections in May and it doesn't take long for the months to roll around and it will soon be time for ours also.

There is always news for me to put in this legion column. If you don't see the news in this column, it's because it is not given to me. I devote a lot o my time to this job and try to make it as interesting as possible for all members and their families and for anyone else who takes an interest in reading what goes on in the legion and Branch 120. With all the chairman in the auxillary and branch, it is easier for all of them to get in touch with me, rather than me run after them. Get after the people responsible for the

column, Friday, January 23rd we will have Jim Stubbington and group out to entertain again. They were in our lounge on Saturday and were extremely well received by our members and guests. Jim plays piano and Roy Cock plays drums. A friend of theirs, Joe Dagneil was vocalist for them for the evening. Those of you who perhaps have frequented Bronte legion may have heard these fellows during the past six years where they have been playing on a regular

Joe was a volunteer singer when they had their type of Amateur night' and was always a popular addition to the duo. Their kind of music stems from the 1940-1950 era and isn't over-powering to the point of blasting us out of the lounge. They're booked for several more nights, lucky for us. D.J. Pete Edge will play for us Sat. Jan. 24th, Geo. and Brian on Friday. Jan. 30th. Boots Hurren will spln the discs for us Sat., Jan. 31st.
