The agenda for the public meeting to be held in Norval School Community Centre on Tuesday evening, February 17th was planned. The main items of business will be the election of officers for 1976, and a report on the recreational activities planned for the school. A flier will be distributed in the area asking you to indicate what activities you will be interested in.

Also a report on the "Spring Dance", the date has now been set for Friday evening, April 23, and on the Winter Carnival tentatively set for Saturday, February 21. This event will be planned by the young people of the community.

Clearing snow from the sidewalks in the village so that people will not have to dodge the traffic on the highway as there is no other place to walk was discussed. It was understood that it is up to the home owner to clear the walk in front of his home. A few home owners have been doing this so it was left that is some can do it others should keep their sidewalks clear too.

School bus shelters were discussed and this will be looked into to see how many are needed, where, and the cost of constructing them.
