

GDMHA weekly report

by Shirf Richmond
 Confusion, confusion, confusion. With the closing of the old arena, house league hockey schedules have been thrown into a state of disarray. But wait, your executive is right on the ball (or should I say the puck) and all problems are being solved as they arise. It is necessary to go back to the 5:30 a.m. starts (noon), shortening the length of the games and moving some midweek games into Sunday morning, but all leagues will operate.

Schedules can only be made up on a week to week basis, so you must check for your times every week in this paper. The much needed extra ice time came about only with the co-operation of the Georgetown Gemini, Georgetown Industrial League and the recreation department and we owe them many thanks for their help.

This Friday night and Saturday the remainder of the league used hockey sweaters will be on sale in the lobby of the arena, priced at \$2.00 each.

Also, this Saturday, the Pee Wees get their team and individual pictures taken, prices are \$1.75 team, \$2.50 for team plus individual money MUST be paid when orders taken.

We are calling again for the return of all league trophies to Bill Fisher at 877-9615. Playoffs are coming up and these trophies are needed.

The GDMHA are taking applications for 1976-77 Four-Town coaches and managers. Applications must be in writing and given to our commissioner or mailed direct to the GDMHA at Box 18, Georgetown. Deadline is February 29, 1976.

Regular league play in the Georgetown Industrial Hockey League came to an end last Sunday and in actuality it was just a question of playing out the schedule as playoff berths had already been determined.

The big story out of Sunday's games was the Thompson Construction's 4-2 win over Sandhill as this tied both the teams for second place in the final standings. Sandhill was awarded second place and will meet Royal Pizza Kings in the opening round of the playoffs, while Norval will start their run at the championship against Thompson Construction.
