## Pee Wees win first round of playdowns

The Georgetown Canadian Tire Minor Pee Wees have won the first round of the OMHA playdowns, downing Stratford, two games to one in the best of

three series, but they knew they had been in a battle. The first game of the series was played in Stratford, February 21, and it took an overtime goal by George Adams and Mike Marcolini to settle the issue 3-1 in Georgetown's favour. Georgetown led 1-0 after two

periods on a goal by Mike Marcolini, his first of a pair, but Stratford scored in the third period to send the game into overtime. The win was well deserved, as the Minor Pee Wees played well. While his mates wrapped up the win, Georgetown goaler, Jeff Waterworth, deserves a lot of credit for holding off Stratford to enable his team to get on the scoring track.

On February 23, Stratford journeyed to Georgetown and in a complete reversal of form by the local favourites, Stratford coasted to an 11-2 win. Kevin Frank and George Adams were the Minor Pee Wee goalgetters and this set the stage for the third and deciding game. This game was played in Georgetown last Sunday and the Canadian Tire lads were on top of their game again and

## Rebs finish with win

The GDHS Senior Rebels basketball team came up with winning effort last Tuesday (February 23) downing M.M. Robinson High School of Burlington, 65-59 to finish their regular schedule with a hard earned, 65 won-lost record.

take a 54-39 lead heading into the last quarter, then their game fell apart and Robinson began pumping in shots. The visitor's resurgence fell just short however and the locals claimed the win. The third period was the turning point in the game and Steve Foster showed the way for his Rebel mates. All told, Foster hooped 20 game points but 13 of them came in the third period. Mike Stankovits was next in line for the Rebels, hitting for 17 points. Mike had 15 points by halftime but was held to just two in the final two quarters.

As mentioned last week, the Rebels will be going to the "AA" All-Ontario tournament the weekend of March 22, 23 and Reb coach Jim Costigan is in the process of lining up tough opponents to keep his charges' game sharp. As yet, however, no exhibition dates have been finalized.

skated off with a 4-2 win to end the series. The Minor Pee Wees led 2-0 after the first period but then Stratford scored in the second and Georgetown held but a slim one goal lead heading into the final 20 minutes of play. Georgetown went ahead 3-1 early in the final 20 minutes but Stratford had not finished yet and scored again to make the count, 3-2 Georgetown, as

## Sports Cavalcade draws large crowds

Despite the inclement weather that plagued Georgetown earlier in the week, quite a few people journeyed to the Gordon Alcott Memorial Arena to avail themselves of the facilities offered by the Sports Travelcade. Through films, slides and a well-stocked library, information was

available on a host of sports and on the various aspects of sports in general. The Sports Travelcade is sponsored by the ministry of culture and recreation, Sports Division, and the programme was initiated 18 months ago. It has travelled to 53 centres in southern Ontario and it is estimated that over 40,000

people have made use of its facilities. The emphasis of the programme is placed on educating people in the field of sports and a large portion of the programme is devoted to classroom seminars throughout Ontario's school system. The next tour will take the Travelcade to eastern Ontario and it is hoped that by the programme to be ongoing.

## Centennial Wrestlers, the GDHS stars of the future

The accomplishments and triumphs of the GDHS wrestling team over the past few years have been heralded throughout this area and in fact, throughout the province. The honours are well deserved but for the most part, overlook a very integral part of the reason for the team's successes. That is the job done by public school coaches (high school feeder system coaches if you will) in this area in preparing the youngsters to cope with the high school calibre wrestlers. The coach Bob McKay, as did his predecessor, Lew Martin, appreciates the job done by the public school coaches as it means that less time has to be spent in teaching basics and consequently more time can be devoted to the teaching of the various wrestling techniques. The Centennial Public School wrestling team is a power in its own right in public school wrestling circles, well,
