

Only one team is out of men's basketball league

The regular season is rapidly winding down in the Halton Hills Mens Basketball League, but final standings are far from decided.

Only three of the five teams go on to post-season play but only the Celtics, who are winless in eight tries, are out of the picture. The Braves and Cougars are locked atop the league standings with 10 points apiece, while the Warriors and the Lakers are tied in the number two spot with six points apiece.

Last Thursday, the Braves knocked off the hapless Celtics, 67-37 but the Cougars kept pace by downing the Lakers, 36-32.

For the Braves, Dave Clark led the way with 30 points, while Fred Harris hit for 21 points. In a losing effort, Bill Landsborough and Don Hunt each hooped 14 points for the Celtics.

In the low scoring Cougars-Lakers contest, Paul Jones

was high point man for the winners with 10 points while team-mate Jim Craig, counted nine points. For the Lakers, Jim Rolison had 14 points.

This Thursday, the Celtics take on the Cougars at 8 p.m. while the Braves and the Warriors tangle at 9 p.m. Games are played at the GDHS gym.

Centennial wrestlers win 4 in Scarborough

Despite not coming home with the tournament championship, Centennial Public School's "A" wrestling team put on an impressive show at Robert Service Public School of Scarborough this past weekend. Centennial's wrestlers were involved, along with 22 teams and over 300 wrestlers, in a tournament that hopefully will

become an annual affair and form the basis for a provincial public school championship. The wrestlers were competing in 11 weight classes and Centennial finished with 134 points, just 30 points behind tournament champion, Robert Service.

All told, four Centennial wrestlers won tournament

titles. Scott Hall bested the field in the 76 lb. class, Bill Davis won out in the 90 lb. class, Dean Scaten proved the cream of the crop in the 98 lb. class and Frank Miedzinski was champion in the 83 lb. class.

Jeff Scingly was second in the 136 lb. class and Dave Taggart was runner-up in the

150 lb. class. Number three placings were garnered by Mike Taylor in the 69 lb. class, Wayne Brown in the 130 lb. class, Steve Robbins in the 123 lb. class and Phil Milne in the 106 lb. class. Danny Reynolds placed fourth in the 106 lb. class.

Four Centennial wrestlers had the misfortune to place

well back in their field, however coach Jim Hall, was pleased with their efforts and is sure they gained valuable experience. The four include Chris Manhire, Keith Ledger, Herb Kewley and Glen Sparling.

This Saturday, 12 will be travelling to McCrae Public School in Scarborough.

Juveniles fail to hold; out of OMHA series

The Georgetown Rotary Juveniles have been knocked out by the Grimsby Peach Kings, three games to one, in OMHA quarter-final play.

The elimination, according to Juvenile coach Bruce Lewis, can be attributed to several

things. Georgetown were in front in almost every game but just couldn't seem to maintain their momentum.

Similarly, however, Lewis credited Grimsby's scrappiness in coming from behind and reacting well under

pressure as a major factor in the series. Last Thursday, the Rotarians lost 4-3 in overtime in Grimsby but battled back into contention with a 5-1 win on Saturday.

On Sunday, the overtime bugaboo struck again and Grimsby picked up their third and clinching win of the series, 3-2.

Tense time but Pee Wees pull through against Port Colborne

The Georgetown Canadian Tire Minor Pee Wees took a one game lead in their OMHA quarter-final series with Port Colborne as they downed the Port boys, 4-3 last Friday evening.

It was something of a tense affair as Georgetown led 1-0 after 20 minutes of play, with Port coming back to tie the game at 1-1 early in the second.

Going into the final 20 minutes, Georgetown opened up a 4-1 lead but Port Colborne battled all the way and only some fine play by the

Georgetown defensive corps gave the locals the one goal win. Goal scorers for Georgetown included Scott Pentecost, Mike Marcolini, Anthony Oram and Rivy Kennedy. The next game in this series will be played Thursday, March 11.

The Minor Pee Wees also had a chance to fit in an exhibition game in their schedule and last Saturday, humbled Kitchener, 6-0. Georgetown goals were scored by Rivy Kennedy, who had a pair, Gordie Adams, Mike Marcolini, Kevin Frank and Kirk Warnock.

Juniors can play in Halton Ladies loop

The Halton Ladies Softball League held a league meeting last Monday night at Cedarvale and representatives from four teams indicated that they will be entered in the circuit this year.

The four teams represented include Georgetown, Glen Williams, Hillsburgh and Hornby. Streetsville, who, because of team problems, dropped out of the league in last year's playoffs, have not given a definite yes or no

regarding their entry, while inquiries from a team in Brampton and yet a second team from Hillsburgh are being looked into.

The only real change to the constitution was one that would allow Junior players, from affiliated teams, to play in the ladies loop without being signed. However, if the Junior players is to take part in playoffs, she must be signed and have played at least one-third of the season.

It is hoped that the league will be playing a 16 to 20-game schedule this year, but as yet, no formal league schedule has been drawn up. The league will

hold another meeting, April 5 to finalize plans for the 1978 season. Any interested parties are urged to attend.

Brampton, Streetsville in tight Jr. 'B' finals

The championship series in the Central Ontario Junior "B" loop is rapidly developing into quite a seesaw affair. The Georgetown Geminis were eliminated in the round robin semifinals and this left Brampton and Streetsville to battle it out for the league championship in a best-of-seven affair.

Streetsville won the first two games of the series, 6-5 and 3-2, and appeared well on their way to a four-game sweep. The picture changed drastically in the respective teams' last two outings, however, as Brampton have recorded 6-3 and 6-5 victories.

This knots the series at two games apiece and should provide an exciting end to the Central league's season.

The teams played in Streetsville last night. Game six is set for Brampton Wednesday night and if a seventh game is necessary, it will be played in Streetsville, Sunday afternoon.

The winner of the Central league championship will advance into OHA provincial quarter-finals against a team from the Niagara District. As yet, no winner has been determined from the Niagara District but the quarter final series will be a best four-out-of-seven.

Georgetown Chrysler will sponsor town's fastball team

Georgetown's entry in the Halton Men's Fastball League, commonly referred to as In-town play, will have a new sponsor this year. Team spokesman, Phil Dobbin, announced that Georgetown Chrysler has taken over full sponsorship of the local squad. Dobbin was especially pleased with this turn of events as it leaves the management

branch of the team free to concentrate strictly on fastball matters. Another development concerns the team and should interest local fastball addicts is the announcement by Georgetown Cable T.V. that it will be filming the games to be shown the following week.

Although the weatherman might disagree, ball season is

just around the corner and the Georgetown team will be starting their indoor training sessions this week. This Thursday, 7 p.m. to 9 p.m. the team will be holding practice at Joseph Gibbons school.

Dobbin made it clear that all positions on the team are up for grabs so any likely candidates are urged to appear.

Adanacs dump Fort Erie in other series

The two other series in the OHA Intermediate "A" first round playoffs are proving to be one-sided affairs. The surprise of the playoffs thus far is the way sixth place Oakville, menhanded third place Fort Erie. Oakville has taken this series, three games straight and had little trouble accomplishing the feat.

In series "A", Fort Colborne has taken a comfortable 3-0 games lead over Dundas in their best-of-seven affair. Semifinal dates have yet to be released by the league office.

First bonspiel spells success for Mustard rink

by Peggy and Bill Treahy

This week we have no cause for complaint. We certainly got the weather we ordered but Tuesday we thought the weatherman was just a little over-zealous as games had to be cancelled during the morning and afternoon.

Most of our news this week is of teams away from home. It seems that practically everywhere we spoke to last week in the club was going out of town for a spiel.

We have received results via phone calls, but we are just as sure that there are results we don't know. Give us a call and tell us how you made out.

Joan Mustard skipped a rink for the first time in an out-of-town spiel. She and her girls entered the Seven Year Filly Spiel in Guelph and they won both games to place second. Joan had with her Lynn Gerrard, Heather Knight and Ellen Burns.

Milton's Open Spiel for the ladies last week saw skip Vivian Kruger with Ann

Timmins, Marion Smeaton and Dorothy Currie take first prize on the second draw.

Karin Henderson took her business girls rink up to Clinton where they curled at what was the Air Force base. Karin tells us that the custom in Clinton is that for a ladies spiel the men do all the work and vice-versa. So the girls were waited on by the guys for a day anyway. Sounds like a good idea to the female half of your press team!

The girls won both their

games beating Hensall and Goderich to win second place. The rink was made up of Karin Henderson, Jean Chappel, Diane Mann and Bea Embling.

At Bolton on Saturday yours truly entered a rink. We won both our games beating rinks from the Board of Trade and

Schomberg. We also won second prize. The rink was made up of skip Bill Treahy, Peggy Treahy, Allan Dean and Evelyn Dean.

Next Sunday, March 14 is the Standard Products Junior Mixed Spiel. Good curling and see you on the ice!

GBA ready to 'play ball'

The Georgetown Baseball Association is alive and anxious for their first home run.

The elected members of the newly-formed committee have had four meetings so far this year. All have been busy laying the groundwork for what they hope will be a successful 1976 baseball season.

Convenors have been taking inventory and checking out the condition of the equipment on hand, others have been working on sponsorships, fundraising, purchase of needed equipment and uniforms. Diamond availability, maintenance, schedules, teams and leagues are general topics being pitched around. League convenors have been nominated, they are now ready and awaiting their managers, coaches and soon to come...players.

There is still a need for

umpires, umpires in chief, managers, coaches and anyone interested in lending a hand.

Your Georgetown Baseball Association committee members are interested parents and dedicated supporters who are striving for a successful 1976 baseball season. Fun for the players and a community achievement is the spirit in outfield. Let's give them our support.

For more information you may call the following committee members after 6: W. Miller, 877-7916; R. Garton, 877-8785; B. James, 877-2930; T. McNiven, 877-4797; E. McLeod, 877-8954; D.
