

Legion Lines

By Roma Timpson

Our Auxillary went to Toronto last Saturday and at the near end of the tournament they found themselves in a three way tie for first place. After playing off they wound up in 3rd place and will be going on to Waterloo at a later date, for provincials. Nice going Jean Reid, Gretta Stoddart, Ber. Ice, Emond, Lottie Bottoms and Dot Lusty. Lottie had a high single of 140 and also a high finish of 107. Jan Emmerson won two prizes, one a cash prize and another merchandise prize. Also winners were Ev. Johnson, Maureen Finlay, Marlon Beattie, Rae McAuland and Mary Russell. Darts will be played in our hall on Saturday March 27th. This is a inner zone social.

Happy to say Helen Wilkes is home from hospital in Brampton and feeling much better and will rest up for the next few weeks. 48 Sargent Rd. is her address and a card would cheer her up or a visit. Also Lorraine Stephens is home and also resting up. Her address is 108 McIntyre Cres. A card or visit would have tremendous healing powers.

I don't have a complete list of winners of our Friday Night Elimination Draw, so I will have it for next week. I do know that the help Tom Clarke was given was terrific and Tom thanks all who helped and offered to help. It shows that the members were anxious to assure that Tom's first important night was a complete success which it was. Many said the dinner that the Auxillary served was absolutely the best ever. That saying a great deal as all our meals are the "Best Ever".

I hope you have your ticket for the Imperial Sections Elimination Draw, Saturday April 10th. Be there early (8 pm) as the first ticket will be drawn at 8:30 pm. Only 60 tickets available. \$15.00 a couple. Dancing to the George Rowe's Group of 4, \$25.00 in prizes, Top entertainment, buffet, lots of cash prizes and others. See Ralph Hawes for your ticket.....9:00pm.

Zone meeting this Sunday at Fort Credit. Those interested please meet at Branch about 1 pm, we'll drive down together.

Harry Bottoms reminds me to remind all the initiation team of a practice in the hall at 2 pm this Sunday March 21st. This is to be in readiness for your visit to Bramalea Legion on March 27th, to initiate their new members. Bus leaving for Bramalea at 7:15 for team members and their ladies. Please be sure to come out this Sunday and be on time for the bus on Saturday.

This Friday in the lounge we will feature Jim Stubbington and Roy Cook. On Saturday Boots Hurren will spin his records for your enjoyment. Upstairs on Friday will be our zone sports dance. This is by ticket only so see Pat Chamberlain if you wish to attend. \$5.00 a couple. Tickets are allotted to all branches in the zone. Having attended past zone dances in Erin Oakville and Brampton, I can tell you this will be a good night. We have a fantastic band The Blue Chips playing for us and there will be a buffet. Come and meet your friends from other branches and have the time of your life. See you there?

Host Branch Fort Credit have asked for two Ladies Auxillary members to come along and help on Saturday March 27th when they have our W.W.1 members veterans down to dinner. Helen Atkinson and I will be making the trip with our drivers who will be attending with our members.

At last Tuesday's executive meeting we accepted the application of James Best of Norval. Join in to everything Comrade Best and you'll get to know other members much faster.

It completely slipped my mind about Bob Burn's fishing seminar last Thursday so I am reminding you about the next two which will be held Thursday, April 1 and 8, upstairs in the Legion at 8 p.m.

Last chance to donate to the Ladies Auxillary rummage sale. This Saturday, 10 a.m. to 12 noon bargain hunting will be the theme in the upstairs auditorium. The committee would like to price things so call 877-9438, 877-2535 or 877-9335 for pick up please. Do you have your tickets for the draw?

I'm looking for members who would on a rare occasion slip into Toronto or thereabouts, to pick up any of our members coming home from hospital. Some wives don't drive and some have to take time off work to bring the patient home, rather than them having to take a bus.

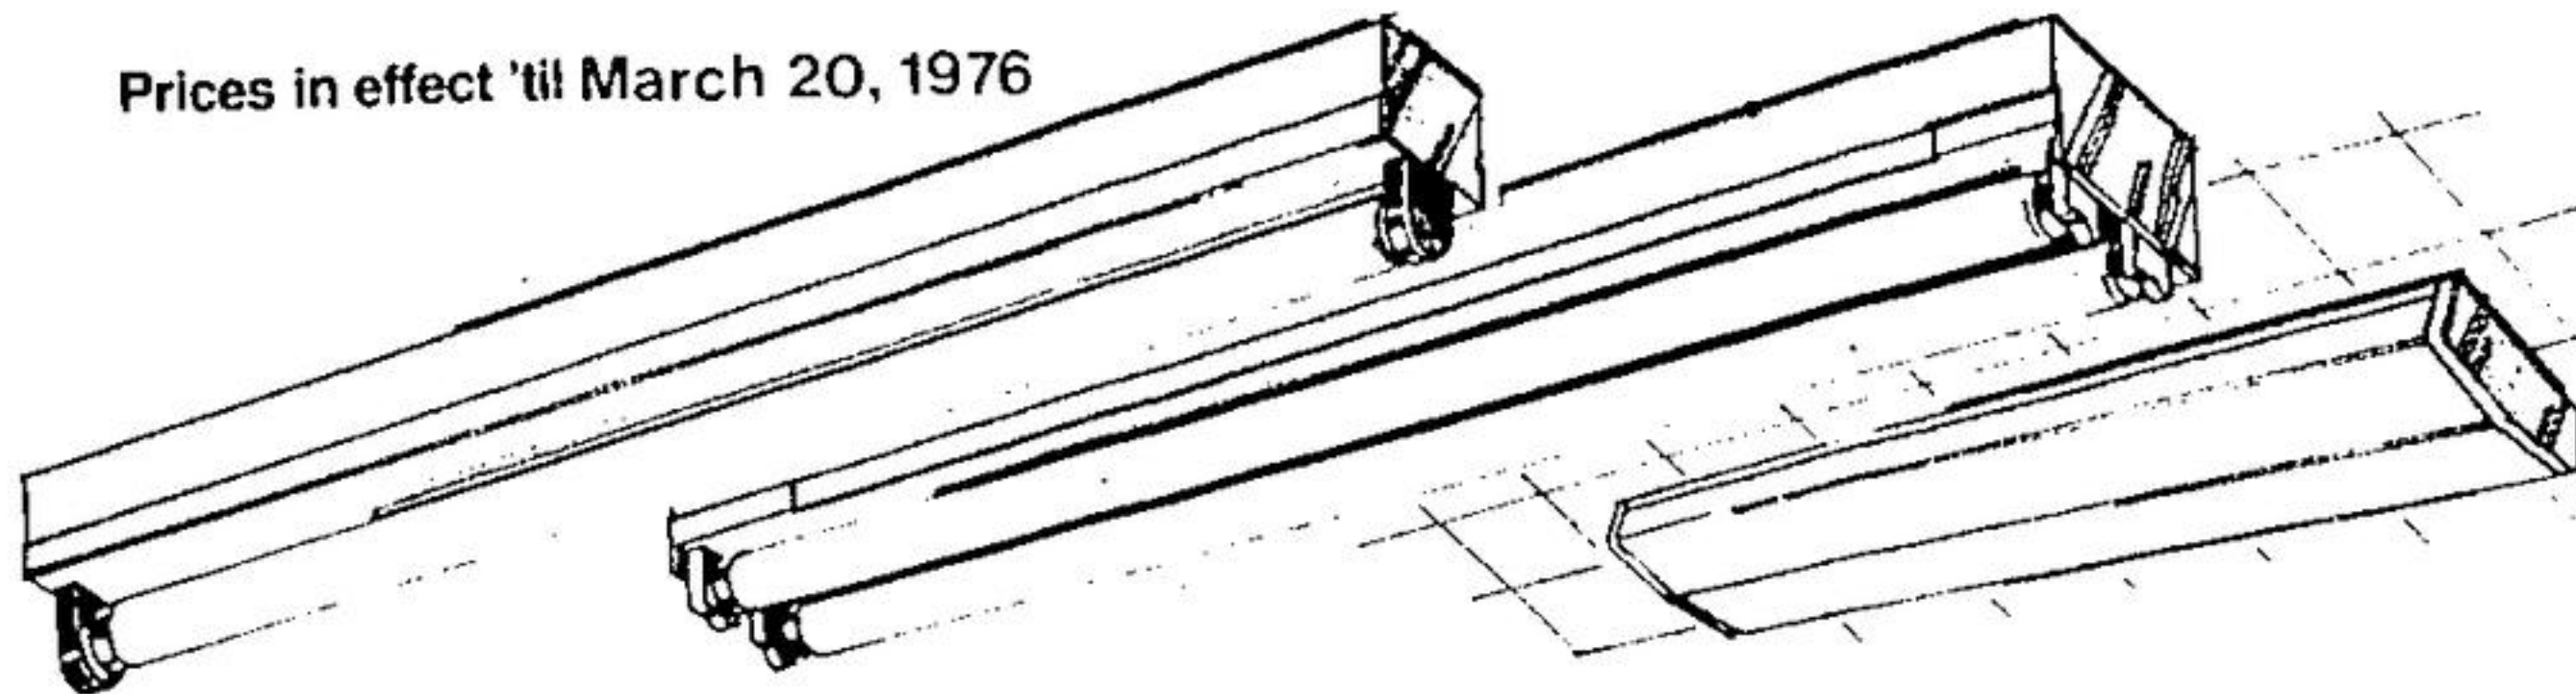

Please call me or other members of the executive if you can help us out. We'll pay your mileage.
