

Welcome to Halton Hills

On behalf of the Kinsmen and Kinettes of Georgetown, may I extend a hearty welcome to all visitors from out-of-town and the United States, players, parents and hockey fans. I am sure that you will get involved very quickly in this town's excitement that the 16th annual International Bantam Hockey Tournament generates each year.

The number of dedicated individuals who devote a great deal of time and personal effort to make this tournament the tremendous success are too numerous to mention and I am sure if I started to list those involved directly and indirectly we would have to put another page in the program.

However Mr. Harry Levy and Paul Milne, your co-chairmen this year, should receive a standing ovation for their fantastic job. Plus there are the many people specifically outlined in the program.

A slogan in Kinsmanship is "Kin is Fun", so young gentlemen of hockey have fun in the true sportsmanship of our international sport.

Some up-coming projects of the Kinsmen Club of Georgetown are our Fertilizer Door to Door Campaign from April 3 to 10 and our Graffiti Dance slated for April 2 at the Riviera Club in Norval.

To everyone concerned, again thank you for your support in making this exciting community service project a success.

Rick Earle,
President,
Georgetown Kinsmen.

Although this is the 16th annual tournament, it is the first being held at our new Gordon Alcott Memorial Arena, on a site that will eventually see a whole complex dedicated to recreation, including a second ice surface.

As a town, we are justly proud of our hockey background and record, and as a visitor, you will find that this tournament is really a town affair with many individuals, merchants, various organizations and town council all co-operating to ensure that, win or lose, you will return home richer for the experience of having been in Georgetown (Halton Hills) during "Bantam Hockey Week."

Harry Levy
Tournament Chairman.

To the victors

Your team is doing well, but how can you tell where they stand in the overall picture? At the Georgetown International Bantam Tournament your dilemma is easily solved. The Georgetown tourney is recognized as having one of the best and simplest competition formats in North America.

This is a necessity as over the years, an average of 40 teams per year have entered from points as far distant as the northern United States and northern Ontario. In previous tournaments teams have also been entered from Quebec and the prairie provinces and the Georgetown format has always worked to perfection.

The teams competing are entered in four

- 1961-Peterborough 'A'
- 1962-Toronto Marlboros 'A'
- 1963-York Steel 'A'
- 1964-Toronto 'A'
- 1965-Winnipeg 'A'
