IN MEMORIAM

HILTS—In loving memory of a dear father, Henry Hilts, who passed away, April 10th, 1972. You left a beautiful memory, And sorrow too great to be told. But to us who loved and lost you Your memory will never grow old. Though you tried so hard to stay with us Your light was all in vain, God took you home to be with Him. He freed you from all pain, If cares would build a stairway, And memories were a lane, We'd walk all the way to heaven Dad To bring you home again. Sadly missed and always remembered by daughter Muriel and Helena.

HILTS—In loving memory of a dear husband, Henry Hilts, who passed away April 10th, 1972. I remember the day I met you And the day God made you mine, I remember the day He took you, I will till the end of time. Among my tears and heartaches, There is one thing that makes me glad, That you chose me to share Those precious years we had, We will meet again one day, To live and love anew, So rest in the garden of Jesus my love Until I come to you. Sadly missed and always remembered by wife Viola.

Acton CofC has six new faces

Six new members were welcomed to the Acton Chamber of Commerce by chamber president Louis Charlebois at a meeting Monday night. He introduced Rick Devlin, Pat and Terrence Gwyer, Bill Edmonds, Brent Dance and Bert Leroy to about 30 other members present for dinner and discussion on solid waste disposal. During his remarks before the talk, Mr. Charlebois expressed disappointment of a recent effort to attract new members to the chamber of commerce branch in Acton. Out of 187 letters sent to prospective members, only eight responses were received, he said. Chamber members now number 53, he said. A new attempt to enroll businesses and individuals will occur in the next few weeks, Mr. Charlebois said.

A chain gang

The fifth meeting of the Ashgrove Chain Gang was held on March 24 at the home of Mrs. Wingfield with 14 members present. Bev Wingfield read the history of embroidery. Brenda and Judy Brown demonstrated how a twisted cord was made while Jamie McDowell read. A quiz was then given on things learned during the club. The sixth meeting was also held at Mrs. Wingfield's on March 31 with 17 members present. The club then decided they would go roller skating for a club trip. Achievement Day programs were read over. There was a discussion on where and how different stitches could be used. Then the leaders taught how to finish placements, wallhangings, and cushions. The mitred corner was learned.
