**Few openings still for swim classes**

by Vic Stoddart  
We have just finished the winter season of water safety lessons. A total of 22 Juniors, six Intermediates, seven Seniors, four Bronze Medallions and 10 Red Cross Leaders all passed their respective levels and most of them are now enrolled in the next higher level.  
Registration for the spring season of Water Safety lessons was a huge success. Most of the classes are now filled. Since then some other classes have been added and most of them are filled. However there are still a few spaces in Red Cross Junior, Survival, Pre-Junior, Water Polo, Swim Team, Synchronized and Adult lessons. For more information call the pool at 877-7721 after 5:30 Monday to Friday.  
Now is the time to check the boat equipment prior to summer use. Remember, the department of transport requires a life

jacket for each person in the boat and the jackets must be the correct size, not an adult jacket for a child.  
Each jacket is designed to support a certain weight. Too big, a jacket can be as dangerous as too small a jacket. So remember, the correct size jacket for the correct size person.

**GDMHA 1975-76 Champs**

by Shiril Richmond  
What a fantastic day the G.D.M.H.A. Tournament of Champions turned out to be! A successful windup to a long season as the eight leagues all decided their champions and individual award winners were declared. It was a day filled with excitement and such highlights as a penalty shot, an overtime game, an upset by the Pee Wee Dockery team, an excellent juvenile final, first ever Girls League final, a good job by the referees and themselves, and the first time our president got kissed by a hockey player.  
The fifth-placed Dockery Plumbing gang came on strong to knock off the league-leading Standard club, Bryan Lewis of the NHL refereed the juvenile game and Monica Pollock, captain of the victorious Forresters, bussed president Joe Pentecost when he presented her with the league champions trophy.  
Individual award winners are a special highlight of this day when we honour our hockey players who have worked hard at their game all year long. Any winners whose names were not put on their trophies can take them to North Halton Sports and they will be glad to help you.

**TYKE FINAL**  
Golds, 3-Senga Homes, 0  
It was the first time the Tykes had played on the full ice surface and they played a good hockey game. Senga goalie, Steve Winterfeldt, worked hard to keep his team, but the Tykes were just too strong. Wayne McNiven from Ray Price in a front of the net scramble scored the first goal, Geoff Tyler also assisted.  
Then Price went through the Senga team only to have the goalie make the save. McNiven potted the rebound.  
Ray finally clicked in the last period when Paul McCleod and McNiven sent him away again. Jeff Amato made a key save late in the game to earn his shutout.

**NOVICE LEAGUE FINAL**  
Halton Hills Catering, 4-L & S Auto Service, 1  
Also on the full ice surface for the first time, the caterers got off to a fast start with a three-score, Ken McDermitt and Dwayne Jackson assisted. Jackson scored in the second period from Rick McCauley.  
The caterers goalie made a good stop early in the third period then Tom Stefan put Wade Kirkpatrick put the game out of reach. The first goal was a backhand from the slot, the second a deflection on a slap shot by Tom Stefan.  
The only L & S goal was scored late in the game. Jay Anderson from Gord Savage.

**ATOM FINAL**  
Varian Associates, 4-Depco Metal Products, 2  
The Varian crew started their win late in the first period with a goal from Pat Primerano from Don Gilbert. Primerano got loose early in the middle frame for his second goal, unassisted. Depco picked up a penalty and the associates took full advantage, Gilbert the shooter on a break set up by Paul Dobson and Dave Siders. They added their final marker at the two minute mark, Jim Becker knocking in a rebound from Gary Peters shot.  
The metal gang came to life to put a pair of goals 31 seconds apart, Jamie Hooker from Derek Roy in a scramble then Roy passing out to Andy Mustard in the slot.

**PEE WEE FINAL**  
Dockery Plumbing & Heating, 1-Standard Products, 1  
The plumbers started out fast by getting a penalty and then pressing the Standard crew. The action was end to end when Standard hit for their goal, Wilfrid Gray to Barry Sten, behind the net to triggerman Paul Clark in the slot.  
Both goalies came up with strong games in the second period, Jim McIntyre of Standard the busiest goalie. Standard drew a penalty and the plumbers really applied the pressure, kept it up until they scored at the 5:40 mark in the third period, Paul Smith carrying the puck up the ice and passing it to Pete Marlineau in the slot.  
The Standard gang came storming back, but the Dockery defence and goalie Bill Nelson held them off. The game went into overtime with Dockery charging into the Standard zone and forcing a faceoff.  
Marlineau was the hero for the plumbers when he deflected a passout from Jocelyn Boucher and Bruce Kenner past the helpless goalie.  
Dockery: Bill Nelson, Steve Tancoo, Jocelyn Boucher, Brent Hayes, Kevin Scanlan, Shawn Zuber, Paul Smith, John Sellar, Mike Wroblewski, Peter Gourel, Bruce Kenner, Dave Gourel, Gary Gillespie, Don MacKillop, Mark Husling, Manager Mike Dockery and Coach Dan Guistini.

Boucher, Steve Tancoo, Brent Hayes and John Sellar. Back row: Dan Guistini, coach, Shawn Zuber, Kevin Scanlan, Mark Husling, Bill Nelson, Bruce Kenner, Paul Smith, Peter Martin, and Mike Dockery, manager.

**BANTAM FINAL**  
Fred's Auto Body, 3-Stevenson's Mens Wear, 1  
The auto body gang drew a penalty first then rushed right back to score their first goal, Chris Gender to the upper corner from Bill Wheeler. Stevenson got a penalty in the middle frame and missed a golden opportunity when their player lost control of the puck on a quick break. The action went end to end before Wheeler deflected a shot from the point by Pete Robinson past the mens wear goalie, Jim Lesley also assisted.  
The play became scrappy. The mens wear hit for their goal, Tim Scarrow from Clint Girwood to make the game close. A blocked slap shot by an auto body player was a key play as Fred's came right back to score their third goal, Paul Lesley's shot off a Stevenson defender, assisted by Robinson.  
Fred's Steve Rye, Mario Spiteri, Brent Fry, Brian Muirhead, Jim Lesley, Paul Lesley, Pete Robinson, Rick Jeffrey, Chris Gender, David Robinson, Ron McCrae, Bill Davis, Bill Wheeler, Dave Broomhead, Manager Don White and Coach Bill Hawkins.

**MIDGET LEAGUE FINAL**  
Masson Motors, 3-Burns Transport, 0  
Both teams opened up the first period by taking penalties and both goalies, Fernie Malenfant of Masson and Don Ferikas of Burns were sharp to blank, the shooters.  
The motors gang broke the bubble late in the second period, Merel Hache from Dan Martin from a scramble in front of the net. The Burns gang missed some good chances then made a big mistake as three defenders went for Hache as he crossed the line and Merel passed to Barry
