Warriors champs

Performing under pressure is the name of the game when playoffs roll around and the Warriors came through in style last Thursday night to claim their second straight Halton Hills Men's Basketball Association Championship,

The Warriors dropped the Cougars, 52-46 but have to be considered something of an upset winner as they finished in the third and final playoff spot during regular season play. Their game came together however when it counted as they had previously knocked off the second place Braves prior to their championship victory.

It was a tight game all the way with the Warriors leading, 25-18 at the half. At the nineminute mark of the last period. the game was tled, but the Warriors, who had led up to that point, refused to wilt and regained the lead they were to

hold for the rest of the game. The Warriors relied for the most part on their outside shooting ability to claim the title but defensively they keyed on the Cougar's regular season leading scorer, Jim Costigan, limiting him to but

eight points and his scoring touch was sorely missed. For the Warrior's, Pete Lauderdale led the way with 18

points. Tom Adams had 14 points, while Larry Scott added 12 points. In a losing effort, Gary Southworth, Bill Bingham and Grant Clatworthy each hooped 12 points.

It has been an extremely successful year for the Halton Hills Men's Basketball Association, in terms of quality of play, officiating and organization and plans are already underway to assure that next year's campaign meets the same high standard.

Novices wind up season in Orillia

The Georgetown Optimists Novices wound up their year this past weekend, when they took part in Orillia's Mighty Mite Tournament. Unfortunately, the lads were plagued by poor scheduling and this might have affected their performance.

They played their opening encounter at 9 a.m., then had to wait until 9 p.m. before donning the blades once more.

In the opeing contest against Bowmonville, the locals came up a bit flat and were bested by a fair margin. Despite the 12-hour wait, the Optimists came up with a good effort in their second game but were edged 2-1 by Bradford. It was an exciting game and although Georgetown held the edge in play, they just couldn't seem to find the clusive

Mike Moore, Mike O'Brien and Keith Rieger all hit goalposts but try as they may, the Georgetown squad just couldn't find the right goal scoring formula. Mike Moore scored the lone Optimist marker on a pass from Mike O'Brien.

The Optimists Novices were coached by Don Webster, managed by Bob Moore and included, Stephen Ray, Gary Skelton, Todd Coll, Wayne Morrow, Kelth Reiger, Mike Moore, Mike O'Brien, Danny King, Mark Howie, Lance Reld, John Barclay, Stephen Turner, Carl Johnston, Stephens Morcolini. and Mike Mouat.
