

Cristy sets world record

History was made last week when a Canadian Holstein-Friesian, bred and raised by Claude F. Pickett, RR2, Georgetown, was sold for a world record price of \$200,000. The world record was bid at the Pickland Sale held on May 3 at Hays Sale Arena in Oakville.

Romandale Reflection Cristy, classified "Very Good" was sold by Pickland to Frank G. Edwards and Sons, and Raymond A. Edwards of Indiana, Pennsylvania.

Cristy was one of 59 purebred Holsteins sold in the sale for a total of \$643,250 or an average of \$10,903. The record breaking Holstein topped the 1971 Romandale Dispersal Sale at \$65,000 at that time the highest price ever paid for a Holstein female. In the Pickland sale, Cristy was paired with Hanover Hill Barb "Very Good" which brought the new world record price of \$157,000 for a female in 1975 at the Designer Fashion Sale in Syracuse, New York.

Cristy has a four lactation Breed Class Average production of 160 percent for milk and 164 percent for fat. As a three-year-old in 305 days she yielded 18,517 lbs. milk, 690 lbs. fat with a 3.73 percent test.

The second high priced animal in the Pickland sale was a "Very Good" Eikur Royal Hope (Excellent in Japan) daughter at \$85,000. \$51,000 was paid for the junior calf Brownland Barb, a daughter of the Excellent and Class Extra sire, Lakeland Fond Hope.

The Paperman Ltd., Beachville, and Pickland Holsteins, of Georgetown, purchased a Romandale Reflection Marquis (Excellent and

Superior Type) daughter at \$31,000. She was Pickland Marquis Flossie out of Pickland Texal Flossie.

Not only were animals sold to prominent Canadian and American breeders but also to foreign countries. Cattle from the sale will be shipped to Italy, Brazil, England and Japan. A Ladina and Son of Pandino, Italy, purchased nine head. Nine animals were purchased for shipment to Brazil, eight of which will be going to Dr. Reuben, a member of Otimista of Sao Paulo.

\$20,000 sewage study

The consulting firm of Proctor and Redfern has been hired by the region at a maximum cost of \$20,000 to prepare a report on the present deficiencies and requirements for future expansion of the Georgetown sewer system.

LIBRARIAN HARRY ANDERSON couldn't resist some of the bargains at the fifth annual Book Sale held by the University Women's Club Saturday morning. With Mr. Anderson is his son Douglas, 7. About 8,000 books, valued by the UCW at \$1,000, were for sale. The money raised is used to provide scholarships for high school students and for women returning to school.

McKenzie on Council

Halton Hills councillor Pat McKenzie has been appointed as one of three regional representatives on the Halton District Health Council. Oakville Mayor Harry Barrett and Burlington councillor Dave Coons are the other two representatives of Halton on the health council.

will only be valid for 5 years. f) The applicant may be required to provide "further information and documentation" as deemed "reasonable" in determining his "fitness—perhaps fingerprints and a mug shot. g) A licensing agent may also add any further conditions to the license which he deems desirable regarding transportation of firearms and ammunition. Theoretically, this can be used to curtail all other legitimate uses of long guns between hunting seasons. Farmers are urged to immediately inform their respective Members of Parliament of their total opposition to Bill C-83. Farmers are also warned not to accept soothing reassurances from any politician who may say that the bill will not significantly affect them—for it most certainly will. If desired, additional information can be obtained from Firearms & Responsible Ownership, Inc. (FARO), P.O. Box 2490, Station D, Ottawa K1P-5W6. R.J. Genovese F.A.R.O.
