

Legion Lines

By Roma Timpson

We lost one of our older members last Friday in the passing of Wes Brennan. Wes had been in and out of hospital many times when he lived on Guelph St. and Raylawn Cres. and the past year or so he had been out in Milton Centennial Manor. I saw Wes last in March and he wasn't feeling too good then and went steadily down hill from there on. I was sorry not to have known about the Legion Service that Branch 120 held for Wes or I would certainly have been there. It was a case of my not dropping into the branch over the weekend or being informed in time. To our late Comrade's family and friends we offer our sincere sympathy in the loss of a friendly, kindly gentleman.

I had a most happy surprise on Friday afternoon when the florist delivered a parcel to our home and when I recovered from the surprise (this doesn't happen too often) I read the card and it was a gift of a Rubber Plant from the Imperial Section of Branch 120. You couldn't have chosen anything nicer as I am just a beginner in house plants. Gentlemen, I thank you so very much.

It has been my pleasure to report all your many and varied activities the past two years. I've yet to meet a harder working bunch of fellows. When you say you're going to do something, you all go all out and do it and end up singing (in Frank's case—whistling all the way) to the bank. With the less than 50 membership you have, you accomplish a great deal. It's fun working with you and continued success in all of your ventures.

Saturday one of our Auxiliary teams were in Sudbury bowling in Provincial playoff. Hazel Dumper reports that our team of Marion Carney, Barb Burns, Charlene McCormack, Marg Rayner, Ann Nicholson and Linda Wright came ninth out of 40 teams. Considering all 40 teams were the best of the last District Finals from all over Ontario, our girls did exceptionally well. This team (with the exception of a few changes) have had the honour of taking the Provincial Trophy a few years ago, so you can tell they are high calibre bowlers.

Bowling is all over now till the fall when they start again from branch level up to Zone, then District, then on to provincials again. Congratulations to Waterloo who were first, Stratford who

placed second and Sturgeon Falls who were third.

Saturday afternoon June Greg, Helen Atkinson and I were out to Milton to see the Auxiliary sponsored 4-H Homemakers Club members receive their spoons and certificates for the unit they have just completed called a "Touch of Stitchery". There were nine groups participating totalling 77 members of which 73 completed their unit and of these 14 were first time members.

There were skits and exhibits from the groups from Ashgrove, Hornby, Milton, South Block, Limehouse, Palermo, Georgetown 1, Georgetown 2, and Hornby North. Jane Kirby and her assistant, Karen Arnott, were present and Jane certainly chose an excellent helper. Karen is a lovely young lady who seemed to have the patience and desire to help these younger girls. It certainly showed in the work the girls did for both Jane and Karen as the work was just beautiful, considering many had never done anything like this before.

Many of the members from other groups were 15 years old and had made the article they chose to embroider. The younger girls hadn't quite the sewing experience to do this, so transferred designs and had free choice articles to do such as place mats, wall hangings, cushions, hand-bags and that type of thing.

A lot of credit goes to Nancy Diamond who took the last unit (Baking with Yeast—last September) but was not quite 12 when it finished. So at the last Achievement Day, Nancy could not receive her spoon. I'm sure she was disappointed to see all the other girls receive theirs. However, she stuck to it and was interested enough to participate in everything going on. I was happy to see her receive her spoon this last Saturday for this Unit. The ministry of agriculture and food states that a member must be 12 to be a 4-H member and this goes up to 26 years of age.

Spoons, with the Ontario crest, inscribed "4-H Homemakers" is presented to every member who completes the unit. Certificates are awarded to all members who complete an even number of projects. Another young girl I know received a County Honours Certificate which means she has completed six units. Congratulations to Sheila Anderson who accomplished this.

Miss Lorraine Holding the Home Economist stressed the fact that they want more members so if you have a daughter or friend who shows interest in any aspect of home-making have her give Jane Kirby a call at 877-4809 and discuss it with her. The next unit begins in September. Miss Holding also expressed her thanks to all the Ladies Institutes, Ladies Church Groups and Ladies Auxiliary who have taken an interest in sponsoring

these young ladies.

Our sympathies are extended to Mary Bower who lost her sister last week. I have heard that Frieda Handy was in hospital and had a knee operation. She is home now and is getting around on crutches. A speedy recovery to you Frieda. Maggie Murphy is not up to par these days. She is in a wheelchair bothering her and we wish her well also. Jimmy Murphy could feel a little more chipper.

George Greig now has the cast off his foot after spraining it quite badly. Also many will know George's mother and will be sorry to hear she is in St. Michael's Hospital in Toronto and we all wish her a speedy return to health. Also to Helen Atkinson's dad in Milton Manor who had a fall on Saturday and he's back in bed. We hope he is up and feeling better very soon.

Percy King is in Georgetown

Hospital hopefully not for long. Jim Collier is in St. Michael's in Toronto and I understand he is being operated on to-day. (Monday). Best wishes to you Jim. Steve Hillier is home now for awhile but still in considerable pain. Sure wish they could do something for him to ease it. Hang in there Steve. I have been given two more names of members that are willing to bring our members home from out of town hospitals, if they need transportation. We set up this idea so no members of their family would have to take time off work to bring them home and sto for the comfort of the members so they don't have to come home by bus. My thanks to Albert Porter, Ron Simkins, Walter Biehn and Trevor Williams.

I would like a few more names as I know two of these fellows are on shift work. This

Cont'd next page.

THE USE of Inco Looms was described to members of the Credit Valley Artisans at their Cedarvale Cottage over the weekend. Under the guidance of Pat Minnema of

Toronto, local weavers, including (left) Suzanne Plumley and Jane Eadinger, learned the techniques of the special loom.

EXPLANATORY NOTE

AMENDMENT TO BY-LAW 57-91 BY BY-LAW NO. 76-12

Council for The Corporation of the Town of Halton Hills deems it advisable to amend Zoning By-law 57-91 of the Town of Halton Hills (Georgetown) by changing the zone designation of the lands shown on Schedule "1" to By-law 76-12 from Residential Third Density (R3) zone to Residential Fourth Density (R4.9) zone.

If By-law 76-12 receives the approval of the Ontario Municipal Board the lands shown on Schedule "1" to the By-law may be used for the erection of an apartment building containing a maximum number of 89 dwelling units. Provisions are contained in By-law 76-12 providing for the front, rear and side yard setbacks of the building to be erected on the lands, and in addition the height of the building is restricted to a maximum of 50 feet. Schedule "2" to By-law 76-12 is a site plan designating the place on the lands where the apartment building is to be located. The present uses which may be carried out on the property are set out in section 5.2.3.1 of Zoning By-law 57-91 for the Town of Halton Hills (Georgetown) and include the following uses:

"Single family detached dwellings, public, separate, and high schools, churches, parks and playgrounds operated by the Town of Halton Hills."

The uses which are made of properties in the immediate area of the land to be rezoned include residential, commercial and institutional uses.

If By-law 76-12 should be approved by the Ontario Municipal Board the proposed use of the property is in conformity with the Official Plan in force for the lands under consideration.

Consumer Information Clinic

to greet you...

Myrna graduated from the College of Family and Consumer Studies at the University of Guelph. She majored in Consumer Studies and has been a part of the Consumer Services Department since 1972. Myrna is a member of the Canadian Home Economics Association and is looking forward to learning the game of tennis this summer.

Nancy has been associated with Union Gas Consumer Services Department for 14 years. Her interests include gourmet cooking, civic affairs, art, music & sports. She is President of the Women's Advertising and Sales Club of Hamilton and serves on various other committees in the public interest.

Diane has been a part of the Consumer Service team for 18 months and a member of the "Home Economist in Business". She graduated from Centralia College of Agricultural Technology with a diploma in Home Economics. Her interests vary from skiing to fashion designing. Learning to sail is her summer ambition as she is keenly interested in all kinds of sports and crafts.

The Consumer Services Representatives at Union Gas will be conducting a Consumer Information Clinic. This clinic has been established to supply you, the Consumer, with up-to-date consumer information. Topics available for discussion will cover areas such as:

- ... home food freezing
- ... appliance purchasing
- ... metric conversion - ASK for our "Metric House" hang up.

Demonstrations and information dealing with the GAS range, barbecues, washers and dryers will be a part of the Clinic.

Our Consumer Information handouts are available at NO CHARGE.

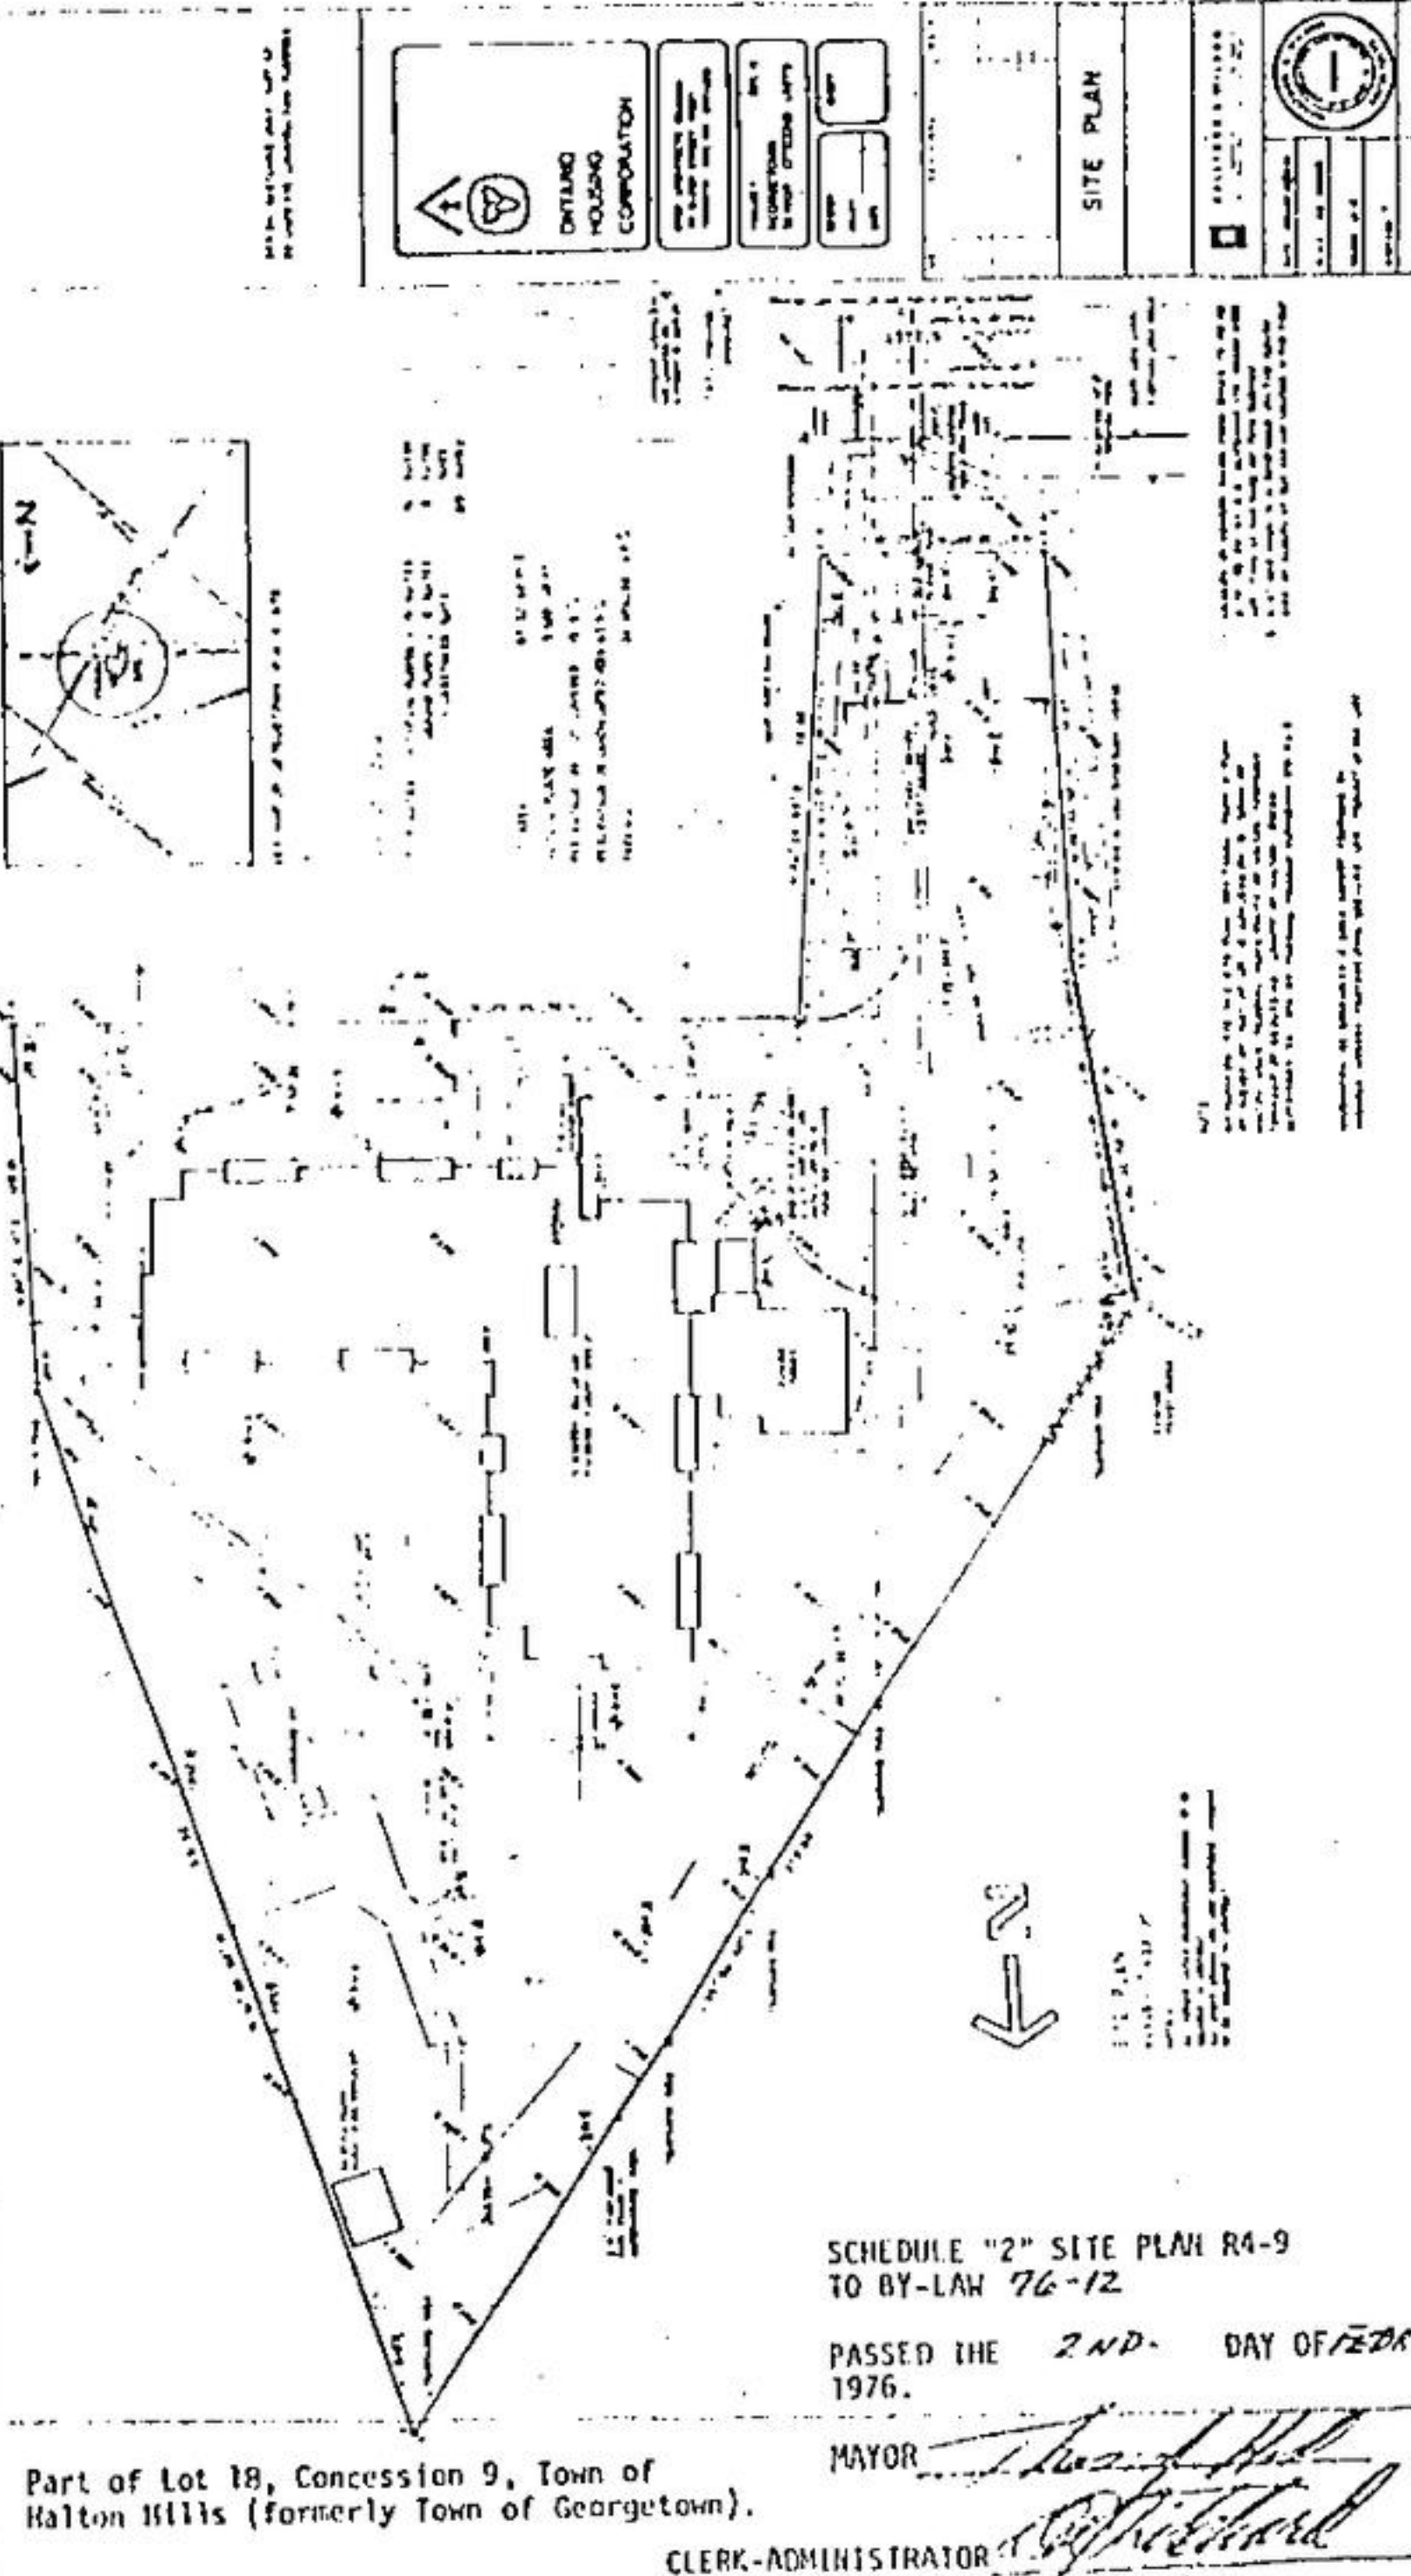

Do come in.
