Choice openings available in a Combat Arms Platoon.

This is no ordinary job opportunity. But then neither is a Combat Arms Group ordinary. To be right for this job you've got to be tough. To be ready to handle just about any situation.

The Canadian Armed Forces will show you how. How you can build yourself up physically and mentally. To be ready to lead rather than to follow. To take the initiative rather than to wait.

This is a very special opportunity for you to become someone special. Because as a member of a Combat Arms Platoon, that's just what you are.

The pay is good. You get 4 weeks vacation annually and a chance to travel. And the life is totally satisfying. Take the initiative now. Do something special.
