The Tuesday Nite Dart League are holding their dance this Friday and they are inviting you to attend. Tickets are \$3 a couple and dancing runs from 9 pm to 1 am and they are having Arrow Entertainment.

Our congratulations to a great couple Andy and Bridget Syme who celebrated 22 years of happily married bliss on Sat. May 29. Many more happy years.

On the following evening, (7 pm to be exact), Saturday May 29th will be the annual inspection of our Air Cadet Squadron No. 756. Our Branch is indeed very pleased the way these fine young men and ladies have come along over the years and especially proud of the way they look, the way they act, their keen interest in the Squadron and their own personal desire to do the very best they can. They have found it is a very rewarding dedication they possess and that the sponsoring committee and officers will meet them more than half way if they put 100 percent effort into what they do.

I would ask that as many members come to the high school on Saturday and be school on Saturday and be a part of their inspection. Their parents will be on hand to see them and the executive members will also be there to lend their support and show these fine young people that we are interested in the progress they are making. Hope to see you there.

moment longer. Alton Branch's loss is going to be our gain. It seems that Alton Branch bought band equipment to outfit a group of young people in their Air Cadet Squadron but they found there wasn't the interest they had hoped for so everything was disbanded. The instruments have been just lying around gathering dust, so to speak. Our squadron sponsoring committee was put in touch with Alton Branch and several members went up to see the condition and cost of the instruments. They liked what they saw. After speaking to the executive about it, your executive then went to the floor of the general meeting last Thursday and the floor approved our buying these instruments at a very acceptable price so now the sponsoring committee and officers will have an added responsibility towards their cadets in getting the band together.

If there is anyone willing to assist these cadets and the committee by all means get in touch with them and offer your help. Also if there are any young lads and lassies out there that feel being in a drum and bugle band is your 'thing' come on out and talk it over with some very nice people who will explain everything to you in full detail. Personally, I think this is going to be great and an waiting eagerly for things to get underway and get these youngsters into another area of enjoying their life a little bit more.

With the co-operation of everyone, this project should be a complete success.

Entertainment for this Friday in our lovely lounge will be George Howe on drums and Bryan Munkley in the piano. This Saturday in our lovely lounge will be "Boots" Hurren spinning records for your dancing pleasure. Tom Clarke has managed to line up entertainment for all of the Fridays and Saturdays in July, so you will be able to bring in your guests as they come and visit you for the summer and have a relaxing, comfortable most enjoyable place to entertain them.

This will come as a blow to many of us and inconvenience to all of us. The C.N.E. will NOT be sending "X" amount of tickets to the branches this year as they have done in the past. It seems there has been abuse and misuse of the Warrior Day Tickets in the past years. It didn't stop when the branches were asked to assure that only veterans and their "immediate" family receive tickets. Many thought "immediate" meant nieces, nephews, grandchildren etc. It only takes a few to spoil it for many. Following is the wording of a letter from the Warrior's Day Council.

Free admission tickets to the C.N.E. grounds, will be issued only to recognized veterans and members of the Canadian Forces (Permanent Force or Canadian Components) for members and their immediate families.

Application must be made by the individual veteran requesting family tickets. Address your request to: Ticket Chairman, Warrior's Day Council, P.O. Box 882, Station "K", 2384 Yonge St., Toronto, Ontario, M4P 2E0.
