Monday, June 7; 6:15 p.m. - Gage vs Norval (B)  
- Rapid Print vs Flyers (C)

MIKE WALTON TAKES DELIVERY OF HIS NEW VOLKSWAGEN RABBIT FROM BAZ MOTORS

# Soccer Rebels finish undefeated

The GDHS Senior soccer Rebels capped one of their finest seasons last Tuesday (May 25) when they drubbed T.A. Blakelock High School of Oakville, 9-0, in the final game of the East Halton regular schedule. The lopsided win gave the Rebels an undefeated five wins and a tie record and the East-Halton championship.

as regular coach Jack Brown was recovering from a bout with the flu. Bertelson's impression succinctly described the Rebel's shooting. "It was like a shooting gallery. The Reb's tremendous precision and team play completely over-whelmed Blakelock."

Georgetowners however as they popped four more goals in the second half to widen their margin of victory.

The onesidedness of the affair frayed Blakelock's tempers somewhat and midway through the second half, fistfuffs broke out between Blakelock's Carl Paizo and Georgetown's Dean Popiel. Paizo deliberately ran into Reb goaler, Dave Deere - a junior, elevated for the contest - and in so doing, kneed the

netminder who was protecting the ball. Popiel would have none of this and as one spectator commented on the incident "Popiel's fist was hit by the Blakelock player's nose." Both were ejected and face a further, one-game suspension.

Rebel scorers included, Steve Foster who counted twice (one on yet another penalty kick), Bob Lockwood, who was a terror on offense, potting four goals; while singles went to Chris Deere.

Doug Thompson and Mike Sharples.

By virtue of their championship season, the Rebels get a bye into the Halton semifinals. They are scheduled for this Wednesday and although the Rebs opponent has not yet been decided upon, according to the Halton East-West playoff crossover format, the Georgetowners will face the number two team from West Halton in a sudden death encounter.

Junior Rebel mentor, Chris Bertelson handled the Seniors.

## Tennis team drops second

The Georgetown ladies of the local club entered in Inter-county Team Tennis Play, West Division, continue to be plagued by some rather stiff competition. Last Wednesday in Georgetown, the locals hosted the White Oaks Tennis

Club of Clarkson, but it was shutout time again as White Oaks took the match, four games to nil.

Melton, 2-6 and 3-6; beat Emma Adema and Doreen Thompson, 2-6, 1-6; thoroughly dominated Anges Daniell and Mary Hughes 0-6, 1-6, and brushed aside Paddy Brown and Caroline Murray, 2-6, and 3-6.

The extremely competent team from Clarkson, knocked off Clara Brandt and Ellen

## Aggiss sixth

## Halton Invitational meet

The Halton Gymnastics Club held their last meet of the season last Saturday afternoon at the E.C. Drury School in Milton, unfortunately, out-of-towners walked off with a majority of the awards.

weekend of June 12, and further information about the

club will be made available at that time.

The Antonelli teams from Oakville won both the Argo "B" and Tyro "B" titles, while Mississauga captured the Argo "A" trophy. Eighty-eight gymnasts took part in the meet. Two girls, in particular, from the local club had excellent performances. Shirley Varco of the Halton Club was the star of the day, placing first in the Tyro "B" competition. Sara Aggiss, of Georgetown, placed sixth in the Argo competition. The Halton Gymnastics Club will be performing an exhibition at the Georgetown hosted Highland Games, the

Honda Civic, the upstart car, caused a few chuckles when it arrived to do-bunk. Because it appears smallish, and not especially handsome looking.

Honda Civic's true weapons were well hidden. And when it threw some numbers around and they connected, the giant soccer came tumbling down.

Now Honda Civic is king, the best selling small car in all of Canada. It's a popular king, a powerful king, and a king that is tandem with a budget.

You can see the earth shattering Civic's at a Honda dealer.

It's probably just a stone's throw away.
