

Legion Cont'd

events or whatever. Now that sounds to me like the Cadets are interested in their Squadron, doesn't it. Comm. Colin Cousens has retired as of last weekend and the new C.O. and acting Capt. is Collin Vernon. W.O-1 Don Cousens had a busy time picking up many awards. One for perfect attendance, Cadet of the Year award, presented by Pres. Denny Wright, his graduation award and also exchange Cadet to the Netherlands which is a five-week trip taking place in July.

Norm Ward presented the 'Initiative and Enthusiasm' award to Sgt. Alton Vernon and Chuck Crawford was happy to present to Flt. Sgt. Allan Dalton the Leadership Award. The officers are off to Guelph tonight (Monday) to attend Guelph's annual inspection. The band of the Guelph Squadron came down to play for our inspection proceedings and were most appreciated by all in attendance as they certainly added a great deal to the night.

My apologies to the officers of No. 758 Squadron. I put in the column last week that the sponsoring committee went to Alton Branch to see and inquire about the musical instruments. Such was not the case. It was several officers along with Les Mallebo who went up, looked at them, came back and C.O. C. Cousens wrote the letter to the Branch executive of their thoughts and suggestions and they will be going up to pick up the instruments. Sometimes what I think in my head doesn't always come from my fingers onto the typewriter the correct way. Thanks for setting me straight so I could set everyone else straight.

Small crowd in the lounge last Friday due to many regulars being upstairs at the Tuesday Nite Dart League's Dance. A good time was had by all attending so I hear. The lounge was well attended on Saturday evening when Mrs. 'Boots' Hurten took over for her husband spinning the records. A job well done was the opinion of many. This Friday, June 4, will be D.J. Jim (Arrow) Meekison in the lounge and following him on Saturday, June 5 will be 'Boots' Hurten again.

Upstairs, Saturday, June 5, a most important night for our Royalettes girls ball team. Their dance was well attended last time by interested parents and friends and it is hoped that many of you will get a group together and attend this coming dance and show your support of these young ladies who bring much pleasant recognition to our town, our Branch and themselves. Music will be provided by Dan Wagstaffe and tickets are \$5 per couple.

These girls want to raise money through these dances to enter into events and be as self-reliant as possible. We do have the pleasure of sponsoring the Royalette team and they will be sporting new jackets this year with 'Branch 120' on them which the girls will proudly wear. Having chatted to Mrs. Wilkes whose husband manages the Royalette club, she says the fan support grows each year and both team and fans are a credit when going out of town. Sportsmanship prevails at all times and the main interest is playing the game and having a good time while doing so.

The girls conduct themselves like ladies on and off the field and the fans are 100 percent at all times. The team surely appreciate the growing interest in their game and have nothing but praise for members of Branch 120 who support the team, not only financially but the moral support they receive is fantastic.

Had hoped to attend their dance but friends of long standing from Branch 82 Port Credit, Charlie and Kay Heath have previously asked President Denny Wright, Harold Badham, Norm Ward and Jake Timpon and ladies to attend their Annual 'D' Day Parade and Dinner so we can't make it this time but we hope that you will be able to go and enjoy the night's activities.

Last reminder from me Comrades to attend your elections this Sunday, June 6 at 2 p.m. Our friends from Oakville Branch no. 114 will be our guests and will conduct the elections and any further nominations. Your senior officers and executive are hoping for a very large turnout. Don't disappoint us please. This is our most important meeting of the year as you elect on Sunday will have a highly important busy 365 days and nights ahead of them.

Many things have been set up by this year's executive for the convenience of next year's executive and let me assure you, you will not sit idly by and life won't be dull for the want of doing something.

Jim Best has offered to visit our comrades in hospital thanks so much Jim. We have quite a few at times.

Pay now and eat later is Jake's motto. Pay \$3.00 to Jake for 'after golf' activities and pay for your golf when you arrive at Acton. That's a 7 a.m. shotgun start remember on Sunday, June 20. What a way to celebrate Fathers Day, you lucky devils.
