

# "It all started when..."

In 1920, a young lady named Muriel Brock came down from Penetanguishene to Toronto to work as a stenographer for three attorneys. Two years later she left that job to work for Hendries, at Front and Simcoe Street. Hendries were Agents for the CNR and were pleased to hire the lovely Miss Brock.

At the same time, Edward Peters, who had been working for the CNR for a few years, stopped in at Hendries as a part of his job. A sharp young man of twenty-two years, Ed Peters knew this new Miss Brock was the "Girl of His Dreams."

After a long courtship, they were married on June 12, 1926. Their honeymoon consisted of a trip to London, Ontario following the wedding, plus a trip to Chicago in July.

The newlyweds settled down in Toronto and their first two children were born there. In 1929 they moved to New Toronto where three other children were born. Four of the five children survive today.

Wishing to better themselves, Ed and Muriel Peters moved their family to Georgetown in the summer of 1943. They have lived at 31 Bryon Street since selling the original ten-acre place a few years ago.

On Saturday, June 12, Ed and Muriel will celebrate their 50th Wedding Anniversary and would welcome old friends to drop by for coffee and cake during the day. All four children are expected to be on hand for the occasion: Robert, Georgetown; Marilyn, Pickering; Ernest, Courtenay, B.C.; and Donald, Hoquiam, Wash.

## NOTICE

TO PROPERTY OWNERS IN THE TOWN OF HALTON HILLS

THE ONTARIO WEED CONTROL ACT

as it applies to persons in possession of land within The Town of Halton Hills.

Unless noxious weeds are destroyed by June 14th 1976, and as often as necessary throughout the season to prevent the ripening of their seeds and dispersal of their pollen, The Town of Halton Hills may enter private property and destroy these weeds. The costs will be charged against the property owner and collected in the manner of Municipal Taxes.

Goatsbeard, Thistles, Chicory, Poison Ivy, Ragweed, Wild Carrot, and Milkweed are among the weeds considered noxious, and must be destroyed wherever found. Complaints regarding Dandelion and Goldenrod will not be accepted as these are not considered noxious under the terms of the Weed Control Act. Anonymous complaints will not be accepted.
