## Field Crop

by Evelyn Snow

The second regular meeting of the Halton 4-H Field Crop Club was held on May 29 at the Leaver Mushroom plant on the Guelph Line. Mr. John Leaver took us for a tour through the plant. He explained where and how the mushrooms were grown. He also said they were hand picked. John Reid then thanked Mr. Leaver on behalf of the club for taking us through the plant. It was an interesting tour.

President John Reid then led in the recital of the 4-H Pledge. The minutes of the previous meeting were read by Erla Snow and adopted by the club. We discussed the coming meetings. Kaj Hansen then moved that the meeting adjourn.

# GDHS hosts public school musicians

Hosted by Georgetown District High School on the morning of June 10, a gala music festival was staged by the family of Georgetown schools.

Said organizer Harry Hamilton of GDHS, "There was no competition—it was just a fun thing, but a lot of time was spent rehearsing." Participants included choirs from Holy Cross, Kennedy, St. Francis, G.D.H.S., Wrigglesworth, Joseph Gibbons, Sacre Coeur, the Glen, and the Christian School, each delivering selections of their choice with their own special styles.

Along with the traditional choral singing, the program included over entertaining musical performances. An ensemble dubbed "Ontario" both junior and senior GDHS bands and an instrumental group from Centennial polished up their favourite tunes for the occasion. Special recognition is due to GDHS students, Des McKeown (trumpet), Beth Wilcox (clarinet) and Donna Miller (bute) for investing their free time throughout the year to help Centennial School music students.

A talented group from Harrison brought along their recorders to entertain white baton twirlers from Holy Cross and a gym display by St. Francis students lived up to the day.

Dance performances Park, Pineview and Sa Couer shared the spotlight the agenda with original choreographed numbers.

"It gave the kids a chance explained Harry Hamilton, get a glimpse of what's happening at other school

year to help Centennial School music students.

THE GRAND FINALE of the Georgetown Majorettes recital Friday night at Holy Cross school saw all members on stage.

ANNA MARIE STONE became the first recipient of the Jacqueline Robertson Memorial Trophy Friday night for her high marks in the competition class exams of the Georgetown Majorette corp. Making the presentation were Jacqueline's parents Jim and Donna Robertson.

THE HEAD of the Georgetown Majorette is teacher Bonnie Lynn Dyer.

# Don't waste a drop!

After the furnace, the water heater is the biggest user of energy in your home. Waste hot water, and you're wasting valuable energy.

That's a good reason for getting full value from your water heater in every way you can. By fixing leaky faucets. By insulating long runs of hot water pipe. By waiting until you have a full load before you switch on the clothes or dishwasher. By using cold or cool water when it will do the job. By taking shorter showers or shallower baths. By making sure that all the hot water that eventually goes down the drain works hard for you before it goes.

The Cascade electric water heater gives you a dependable supply of hot water and it makes good use of all the energy it consumes. But it's up to you to use hot water wisely. Don't waste a drop.
