

# Glen softball tourney

The Glen Williams Minor Softball Tournament, staged over the weekend was one of the most successful ever attempted, according to one of the organizers, Mrs. Marion Cuthbert. Weather threatened the tourney in the early going and caused some worry through most of Saturday, but fortunately, the skies held and the affair went off with only minor hitches.

Attendance was estimated at as good if not better than last year and the Glen Minor Softball Association, which ran the refreshment stand, is reported to have done a booming business.

Eight division championships were up for grabs and the hometown host played a prominent part, winning five of the eight championships. Division champs included,

the Atom boys, the Squirt girls, the Squirt boys, the Bantam boys and the Midget boys.

## Industrial fastball league report

Gage Stationary (DRG) made up the most ground in the Georgetown Industrial Fastball League last week as they notched two wins and a tie.

Rapid Print was next in line as they picked up two wins, but they dropped an important match with Gage.

Bob "The Turk" Fendley of Rapid Print and Jeff "Super Kid" Haines of Gage, have been chosen as "Players of the week."

Rapid Rob is used mainly in the pitching role for the Printers but does a good job when called on to fill in elsewhere. To say that he is an exciting ballplayer, is something of an understatement. Once Bob gets rolling, it's "hold the phone" time elsewhere at the ball park as all activity stops to catch a piece of the action.

Jeff Haines is one of the few players who lives up to his nickname-in this case, "Super Kid". He is probably the best hurler in the GIFL and does a fine job at the plate as well. Most weeks are filled with fastball for Jeff as he anchors the Glen's Juvenile minor team and has also seen some intercounty action.

## Seek football players

Football players, 18 and over, and weighing 185 pounds and less, are wanted to play in the seven team of the Central Ontario Senior Football League. The league opens its training camp at Applewood Heights Collegiate, Sunday, July 19 at 7 p.m.

## Lowville loses three games

Up until last week, Lowville appeared to have things pretty well their own way in the Halton County Men's Fastball League. Last week saw the league leaders drop three games, to Georgetown, Glen Williams and Palermo, and now it appears that the loop will have a championship race. Glen Williams had a one win and one loss week and are currently tied with Hornby in second place. The Georgetown Chryslers picked up two wins last week and moved in to challenge the first division, while Burlington appears to be a lost cause.

Four of the seven league teams will qualify for playoffs and the battle for the final berth could prove a bit dicey.

## Glen ladies topple Hillsburgh team, 7-5

It was upset time in the Halton Ladies Softball League last Monday night as Glen Williams topped first place Hillsburgh Seniors by a 7-5 count. The Glen win moved them to within striking distance of fourth place Hornby, while it deprived the Seniors of gaining a bit of breathing room ahead of the hard charging Hillsburgh Juniors.

The Georgetown Armstrong Georgettes picked up two points, at the expense of Hornby and appear to be solidly entrenched in third place.

## Baltimore Aircoil drops close game

Baltimore Aircoil took a one run first inning lead in their GBA Tyke House League game with Irwin Dorsey. Unfortunately the lead didn't stand up too long, as the Dorsey crew went on a hitting spree and jumped in front by a 10-1 count after three innings.

The Aircoil battled back and had the tying run on base in the last inning, but then their luck ran out.

Roane Kulas, with relief from John Rivers, took the loss, she gave up eight hits and 16 walks, while striking out nine. Dennis Lawrence had a perfect night at the plate, going three for three. Greg Keough had a pair of singles and Roane Kulas, John River and Jane Mitchell rapped single base hits.

Mark Potteruff was credited with the win, he yielded eight hits, and eight walks, while striking out six.

Allan Pennylegion went three for three for the winners, Kevin Powers doubled and singled, George Howie smashed a pair of singles, while Dennis Lombro had a single. Mark Potteruff slammed a four run home run. For Irwin Dorsey, Allan

Pennylegion was chosen the outstanding player, while Dennis Lawrence got the honour for Baltimore Aircoil. First place, Standard Products, were bumped off 13-5 by the Lionettes, who picked up four points with the win.

Darren Kemp, who went the distance for the win, allowed three hits, issued nine walks and struck out 11. Kemp also laced a double and two singles for a perfect night at the plate. He was selected as the Lionettes outstanding player.

Owen Gray had three singles, Glen Farrow lashed two singles, while Brain Kemp and Danny Curtis chipped in with respective singles. The Lionette win was a good team effort and Rob Middlebro deserves special mention for his defensive work. Robbie Wilkes was charged with the loss, his second of the year, he allowed 10 hits, issued 11 walks and fanned 10 batters. Robbie stroked a triple in two plate appearances.

Kent Faby and Laura Zuber also picked up hits for the Standard crew. Robbie Wilkes was chosen outstanding player for Standard Products.
