

Rams blow chance to clinch berth

The Acton Rams of the O.L.A.'s Junior "C" division blew an almost certain opportunity last week to wrap up the league's eighth and final playoff position.

The Acton contingent went into Friday night's game against Orillia up on the league's cellar dweller's by four points. With only four games remaining in the regular schedule for both teams, an Acton win would have almost certainly eliminated Orillia from playoff action.

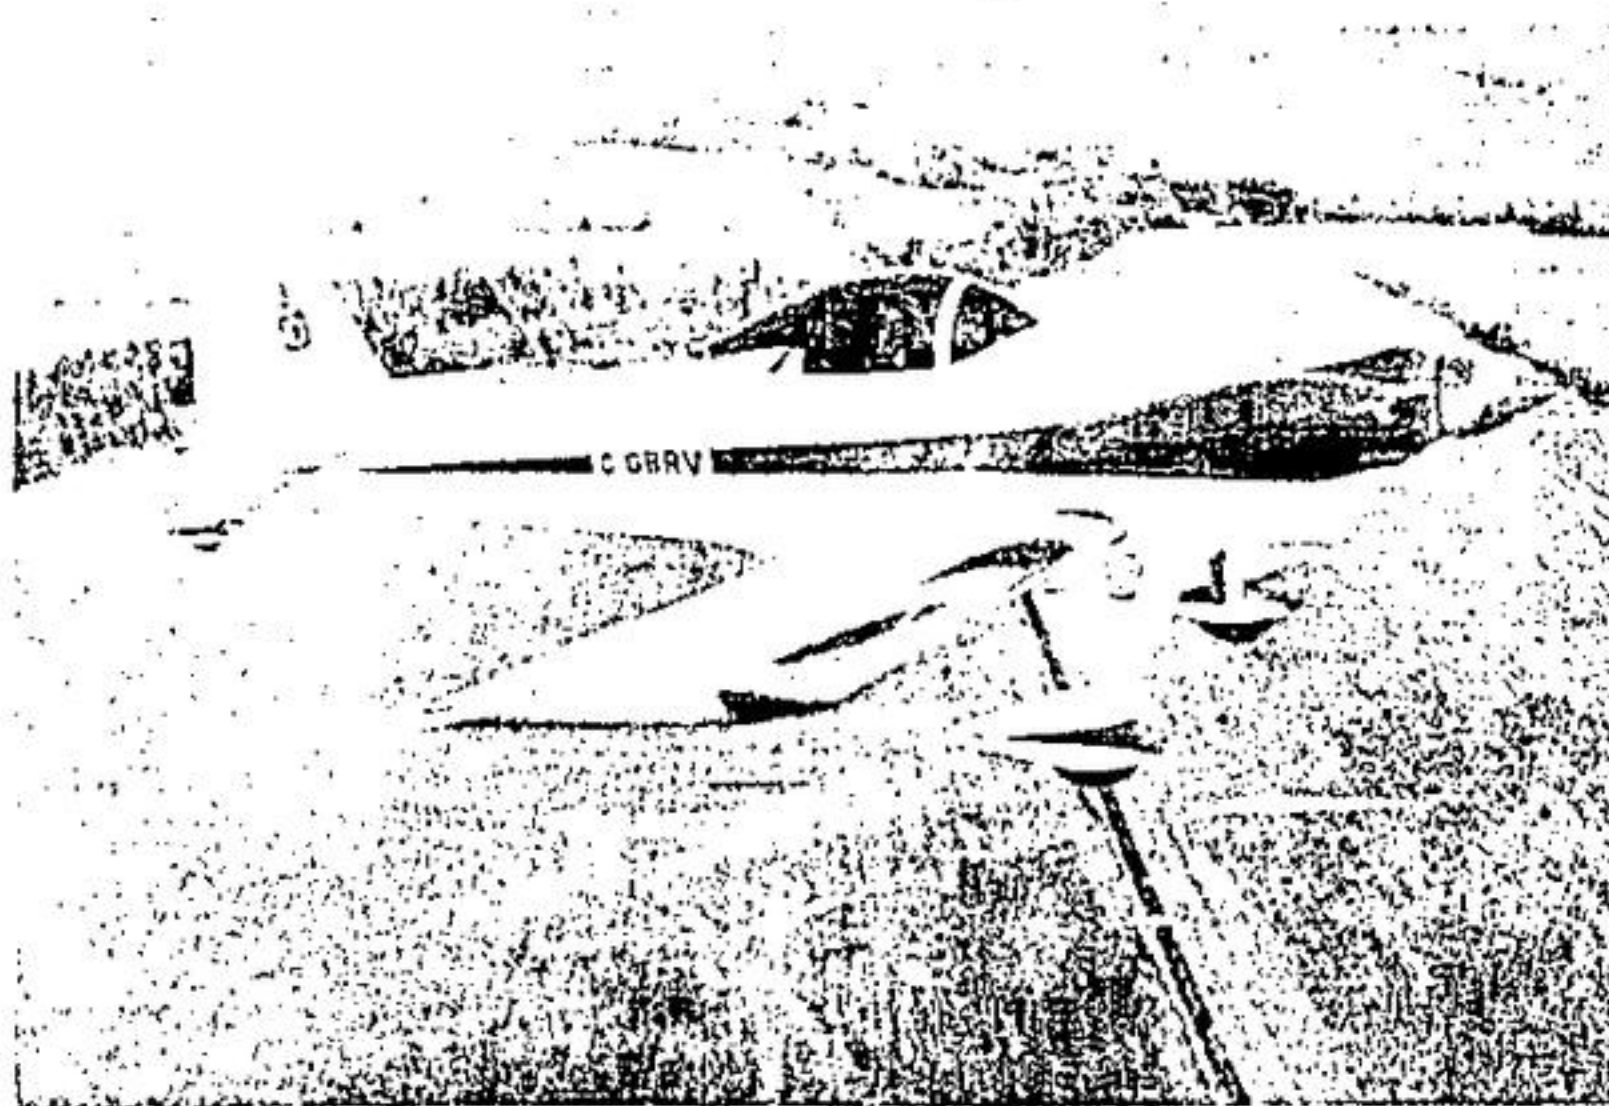

It was just not to be, however, as lack of bench strength took away from the Ram attack and Orillia posted a 16-7 win. The Rams have two games remaining with Huntsville and single encounters scheduled with Mississauga and Orillia. The Orillia game is scheduled for Acton, July 22, and almost certainly will eliminate one team from post-season play.

The Rams George Artem is still hanging in among the league's scoring leaders and is currently tied in sixth place with Owen Sound's Jim Quigley.

Because Windsor is playing an unbalanced schedule (16 games as opposed to 22 by others) its point totals are adjusted accordingly: (11-8 of a point for each point earned)

Royalettes first

The Georgetown Legion Royalettes warmed up for their weekend tournament by posting their eleventh league win in a row, a 16-8 romp over Eringate last Tuesday evening at the Georgetown Ball Park.

The win allowed the Royalettes to move four points in front of second place Alderwood in the Peel County Juvenile league. Alderwood is the defending league champion.

Against Eringate, the verdict was in almost before the jinx left the box. Eringate scored one run in their opening inning then the Royalettes amply demonstrated why they lead the league.

The Georgetowners wracked up 11 runs in their half of the second to put the contest out of reach. Eringate picked up single runs in the third and fifth innings and added two runs in the fourth and three runs in the sixth. However, by the sixth frame, the Royalettes had built up a comfortable 16-5 lead.

Laura Wilkes was credited with the win, she worked the first three innings, and part of the last two frames, while Barb Curry hurled the middle innings.

Betty Marchment and Charlene Milton each went four for five at the plate and it looks as though Betty is back in form. She has won the team batting crown for the last two years, hitting .612 two years ago and .608 last year. Barb Curry was also potent with the lumber as she hit four for four.

Team Coach, Ted Wilkes used 12 players in the game and has confidence in all his charges. As he noted, "The team spirit is great and the girls just can't be faulted." There has been something of a change in the Royalette game format this year, but it is a welcome change.

In the past, the team relied very much on its stingy defence to get out of tight spots. This year, although the defence is holding its own, the Royalettes forte has been their hitting. Wilkes is hoping that the bats will continue to smoke when provincial play begins, sometime in late July.

League standings just released show that it will more than likely be a two team battle, between the Royalettes and Alderwood for the league championship. Third place Dundas has only eight points, six points behind second place Alderwood. Four teams will qualify for the league playoffs, with the first place regular season finisher tangling with the fourth place team and number two going against number three. It is expected that the Royalettes will be rated as an "A" team for provincial playdowns.
