

# Summer games

The Ottawa-Carleton Region is preparing for an invasion Labor Day weekend as more than 2,000 out-of-town athletes, coaches, managers and officials will appear for the 1978 Ontario Summer Games.

Games staff and volunteer workers will be on hand to handle the flood of athletes and officials as the registration process gets underway on Sept. 3 for the three-day event.

Norm Brett, Chairman of the games service committee, is responsible for organizing the headquarters, accommodation, transportation, meals and equipment storage. The out-of-town participants will be housed in ten area hotels and will be bused to and from headquarters and the various competition sites.

As the Games include 21 sports at 26 locations throughout the seven participating municipalities,

transportation, is a logistical nightmare for Mr. Brett and his Committee.

Equipment storage becomes a special problem when boats and bicycles are involved. The cyclists, who will be housed at the Nicholas Street Jail Youth Hostel, have been told, "competitors may store bicycles in jail cells", but are advised to bring their own locks for the cell doors.

Feeding the over 2,200 hungry athletes will be accomplished by using a voucher system. The vouchers will be redeemable at specific locations for each sport.

Despite the hundreds of logistical problems that have arisen over the six month period that his committee has been preparing for the Games, Mr. Brett is confident that the 1978 Ontario Summer Games will be the biggest and best ever.

# Wintario cash

Wintario profits have once again seeped through to aid area sports programs.

It was announced recently that a grant of \$548 is to be made to the Hillsburgh Minor Softball Association for the purchase of softball equipment and that the Hillsburgh Junior North Stars, an entry in the Halton Ladies Softball League,

will receive a grant of \$250 towards the cost of in-province travel and tournament entry fees.

To date, the Ministry of Culture and Recreation headed by Robert Welch, which allocates the grants, has doled out \$1.5 million to more than 3,070 groups and projects across the province.

# Pee Wee Elks run out of luck

The Georgetown Pee Wee Elks baseball team, ran out of luck and games for their 1978 season as they lost both games in the double-knockout OBA "C" All-Ontario tournament, held this past weekend in the Beeton-Alliston area.

The Elks were edged 2-1 by Trenton in their initial tournament tussle, then were eliminated from further play when they lost a heart-breaking 9-8 decision to Merritt in extra innings.

In the first game against Trenton the contest was tied, 1-1 going into the bottom of the seventh inning. Mark Shearer had doubled in the Georgetown run in the fourth. Trenton pushed across the winning run in a last ditch effort and the locals were forced to settle for a frustrating loss.

In the second game against Merritt, the locals appeared to out of the running in the early going. Merritt jumped out to a 6-0 first inning lead and in the middle innings, had extended this lead to 9-3. The Elks adopted a never-say-die attitude and tied the game, 8-8 in the top of the seventh.

Merritt got nothing across in their half of the seventh and the game went into extra innings.

The Elks were retired in their half of the eighth without scoring a run, then a walk and a long double provided the Merritt margin of difference. Lance Doucette came into the game in the first inning and tolled the rest of the way, while three Georgetowners aided his effort with their bats. Bob Davey, went four-for-five, Duane Hatcher went two-for-four, while Brian Davis, hit two-for-five.

# Pee Wee girls only local team remaining

The Pee Wee girls are the only Georgetown team remaining in the Ontario Cup. They moved into semi-finals by defeating Malton 5-0 in Georgetown on Sunday. The 5-0 score flattered Malton as Georgetown had them pined in their own half for most of the game missing many scoring opportunities which could easily have tripled the score.

Goal scorers were Sherri Crossman 2, Elaine Wilson 2, Laura Tunney 1.

# Minor Atoms eliminated

Georgetown Minor Atoms were eliminated in the quarter finals of the Ontario Cup losing a very close 3-2 decision to Chingacousis in Bramalea. Although twice behind by two goals, the boys never gave up. They had their opponents bottled in their own area, for the last five minutes of the game, and were pressing for the equaling goal when the final whistle went. We can all be very proud of the effort and determination that these boys showed.

# Angels play in Brampton this Wednesday night

The Herald Angels play their second away game of the season tonight (Wednesday) when they meet the Brampton Daily Timesmen at Victoria Park Arena, game time, 7 p.m.

To get to Victoria Park Arena from Georgetown, says Timesman Howie Solomon, go south on Dixie Road at Hwy 7 to Orenda Drive, the third driveway south of the highway. "Hang a left at Orenda," take the first left and you're on Victoria Park Drive where you can't miss it.

Soloman said the ball players may have to each pay 25 cents to rent a diamond and mentioned something about pitchers serving the ball up to their own team batters. Apparently they have some strange rules about softball playing in Brampton.

Angels go into the game with a four game losing streak, suffering their most humiliating loss of the season, 30-10, at the capable hands of the Combined Effort of Acton and Crewsons Corners, last week in Acton.

Next week the Angels will be meeting a ball club from CHIC radio in Brampton, game time and location to be announced in next week's Herald and on CHIC radio.
