

GEORGETOWN OPTIMISTS batter, Darryl Weir pounds out a hit in last Saturday's Pee Wee House League Semifinal game against

Georgetown Tire, at George Kennedy Public School field.

## Playoff winners head to finals

**TUESDAY SEPTEMBER 11TH**  
Optimists 7 - Georgetown Tire - 5  
The Optimists squad opened their playoff series in fine fashion as they grabbed a one game lead from the pennant winners. Bob Dean went the route for the winners striking out 11, walking nine and allowing only 4 hits. Dean got into trouble only once as the opposition scored four runs in the bottom half of the final inning, had the bases loaded with two out at which time, Bob came up big and retired the final batter on strikes. Paul Guistini had a single to go along with a very important homerun. The rest of the winners hits were made by Mike Friskney and Janet Garton each having a single and double. Bob Dean two singles and single hits by Pete Rembish, Alan Domanski and Andrew Taylor. The leagues leading pitcher Mark Heideman appeared to have an off night as he was belted for 11 safeties. Mark struck out 8 and allowed 4 free passes. The four hits garnered by the losers were a single and double by Mike Mitchell, a double by Kevin Hughes and a single by Mark Heideman. Left fielder Jon Von Goch helped keep the winners score down with a key fielding play as he made a fine catch of a fly ball and doubled the base runner at second.

**M.V.P.'s:** Optimists Bob Dean  
Georgetown Tire - Ron Martin  
Toronto Dominion Bank 10 - Tripp Real Estate 8

A real seesaw battle saw the second place Bankers take a one game play-off lead over the Realtors behind a stellar performance by Jamie Craig. Jamie struck out six, walked 10, but allowed only 5 hits while chipping in at the plate with a homer single and double. Craig's mates helped out as Doug Smith, Glen Schwyer and Andy Carter each had two singles while Yves Roussele and George Osborne had one apiece. Losing pitcher Warren Crawford gave up 9 hits and allowed 9 hits drove in 3 runs with a triple and belted a single. Jim Kemper and Mark Roberts each had doubles while Harold Bransch had a single. This play-off opener was a real up and down thriller start to finish and hopefully is an indication of a close series battle.

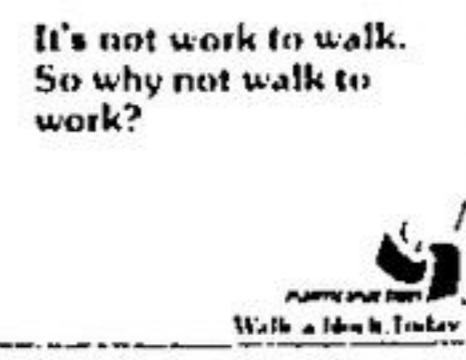

**M.V.P.'s:** T.D. Bank - Jamie Craig  
Tripp - Warren Crawford  
**THURSDAY SEPTEMBER 9TH**  
Optimists 4 - Georgetown Tire 4  
This game was called at the end of 5 innings when darkness set in and will be replayed as a 7 inning encounter Saturday Sept. 11th. Pitcher Bob Dean went all the way for the Optimist as did Mike Mitchell for Georgetown Tire. The Optimists hitters were Bob Dean a triple and single, Paul Guistini two singles and Janet Garton, Pete Rembish and Andrew Taylor each with single hits. Alan Domanski hit homerun for the Optimist

Tyke	1:00 p.m.	C	All Star Game
Pee Wee	1:00 p.m.	B	Optimists vs T.D. Bank
Bantam	1:00 p.m.	A	Dockeraay vs Fobert

## Pickells club tops in tourney

Bill Pickells - who supplies the Herald with a weekly column on the martial arts - led his Northern Karate Club to first place team honors at the Wado Ryu Championship Tournament held over the weekend in Hamilton. Pickells, himself, included, had 14 students entered in the competition and his charges left the mat with 13 trophies. The local martial arts master garnered third place honours in the Black Belt division, while Bob Melansoh, the top placer among Pickell's students, placed third in both Kata and Kumite events in the Green Belt division. It was a very satisfying tournament win for the local club and marked the second time this year that the Northern Karate Club has claimed the top team trophy in tournament competition. **NOTE:** Due to tournament competitions, this week the self-defence column will not be run. It will return next week.

## Pineview season wind up

By JOHN WINGROVE  
**MONDAY SEPT. 8**  
Olympics visited Acton for the 5th and final game of the season. From the kickoff it looked as though it was going to be a low scoring game, with evenly matched teams. Fifteen minutes into the first half S. Mitchell broke away and scored the first for Acton. A few minutes later from a breakaway Acton netted another. From this point on, the Olympic defense wilted, and only fine goal keeping by Paul Poyntz prevented more from going in. However by persistence, S. Mitchell scored his second goal, followed by a quick goal by S. Malcolm. In the second half the Olympics rallied with a goal from Hugo Dittfach on an opportunist effort. But, Acton came back strongly adding two more goals by A. Quinn and R. Roe, making the score 6:1 for Acton.

It is only fair to say, that this was a good game of soccer to watch. The Olympics showed a tendency of not going straight into a tackle, this gave the very lively forwards of Acton room to move, and they certainly took advantage of the fact. Honours for this one must go to Acton's Jeff Shields and S. Mitchell, A. Quinn and W. Vickery. In defence G. Bruce displayed a rocklike quality that was always hard to beat. For the Olympics, goalkeepers Bradley Poyntz and Jeff Bond had a great night. James Lesley, Jay Racinsky and Robert Wingrove gave solid performances.

This win gave Acton the League Championship and was very well deserved. Referee Fred Blaine handled this very difficult game with expertise, especially as the play was inclined to be "chippy".

The first round of the Halton & Peel Rural Cup between Olympics and Acton is scheduled for Sept. 20 at Pineview, 6:00 p.m. kick off. Debutantes were at Centennial Park for the 2nd round Cup game against the Supergirls. Unfortunately Supergirls could only field 10 players for this crucial game. From the opening whistle the Debutantes got into their stride with plenty of mid-field play, the Supergirls trying some attack along the wings, consequently very few attempts were made on goal in the first half. In the second half, both teams made more attacks on the goal and the play went from end to end. Late in the second half Debutante forward Terri Lynn Poyntz capitalized on a move by the offence to score the only goal of the game. Shortly afterwards, Terri did score another, but it was disallowed for an off-side call.

Both teams deserve a big plus for their efforts. Supergirls forwards, Valerie Longo, Nancy Diamond, Kathy Dobson played a faultless game. In defence Laurie Kelly and goalkeeper Sue Krowchuk were the mainstays.

For the Debutantes, the star of the evening had to be Terri Lynn Poyntz, followed closely by Eleanor Patton, Debbie Dennis and Tammy Wickert. In defence Karen Davis was a big factor in the final result but we must not forget the colourful goalkeeper Linda White with her shut out. Not enough can be said for Supergirls Coach Sheila

Reierty (the quiet one), and Dublante Coach Robert Wingrove (the noisy one.) However they have a few things in common, keenness, enthusiasm and the will to win. Remember these and many like them, are the future for soccer.

**TUES. SEPT. 7**  
Pee Wee Pegasus were away at Fergus. For them and for many of our other teams, this is a tough place to win a game. The calibre of soccer is very good, and it is almost unknown for a high scoring game. This one was no exception. From the opening kick off the play controlling mid field play. The domination of half backs Bill Dreyer, Doug Hagenson, and Fred Bakker was an outstanding feature of the game. In a sense this was fortunate, as Pegasus defence committed quite a few errors, they lacked their usual cohesion. The forwards, always dangerous opened the scoring through a fine goal by Mike Baemler. Very shortly afterwards Jamie Racinsky playing his usual great game netted another.

The second half produced much the same game, with Fergus having a little more of the play and taking advantage of a defensive lapse scored a great goal. At the final whistle the score was 2-1 for Pegasus.

**Wednesday Sept. 8**  
Gladiators were in fine form for their game at Hillsburgh (1). This Mosquito Division has had a three way tie position for at least half of the season. The teams in question are Hillsburgh (1), Acton and Gladiators. So much so, that in Cup competition, the first round saw Gladiators knocked out in the odd goal situation and Hillsburgh (1) were the team to accomplish this. So once again the old rivalry was present. Again a very hard fought game, with very contrasting styles. Hillsburgh with strong up the centre moves, against Gladiators fast wing plays. The two wing men of the Gladiators, Robbie Fattore and David Whitehead had a fantastic game. Robbie Fattore completely dominated the right wing position. This young lad is a delight to watch, twisting, turning and finishing off with near perfect centres or hard shots at goal.

He has a great future in soccer, and is a coach's delight. David Whitehead on the other wing, making great plays and finding the net one is another player to watch. Further, goals by Dwayne Wilson and Mark Jones made the final 3-1 for Gladiators. Unfortunately Hillsburgh centre half Brian was 15 minutes late for kick off and his team were already three goals down on his arrival. This young lad is big for his age and endowed with a great deal of skill and is one of the Hillsburgh mainstays. His arrival in the game produced Hillsburgh's only goal, from a well placed free kick from 35 yds. This completed the scoring for this one, but a mention must be made of the fine defensive work of young John Scott, who was always in the right position at the right time. Finally the result of this one has meant the Gladiators are Rural League Champions for the 1978 season. Congratulations to them all and especially Coach Peter Sellar. They are truly a happy team. On Sat. Sept. 18, they leave to take part in the

**Basketball clinic**  
Frank Butler, of St. John, has been elected as the president of the Canadian Amateur Basketball Association. Ruby Richman, of Toronto, was elected the new vice-president. The success of Canada's National team in the recent Montreal Olympics seems to have brought some life to the previously dormant group and several revitalizing steps have already been taken. The CABA will begin a Level 1 technical coaching certification course in October. The CABA has also announced that a national basketball tournament will be held in January, in conjunction with Basketball Week in Canada.

THE GEORGETOWN MINOR SOCCER Association's Final Day was held at the Cedarvale pitches last Saturday and tense

action highlighted play all day. Championship team pictures will appear in the Herald over the next few weeks.
