

Sidewalk approved

Council dipped into the sidewalk budget Monday to come up with \$3,400 extra so that the sidewalk on Acton's Mill Street—from John to Main streets—be paved with interlocking stones instead of concrete.

Coun. Mike Armstrong chairman of the works committee, which made the recommendation following a request Sept. 13 by Acton Chamber of Commerce president Louis Charlebois, said KNR Concrete Products Ltd., Georgetown would provide the interlocking stones.

Special Thanks to Dr. Cortess, Thompson and Stewart and nursing staff, Mr. Coach, Mr. G. Southworth and the Messers, Haines and Campbell—Kant Green.
