THE TOWN & COUNTRY KITCHEN

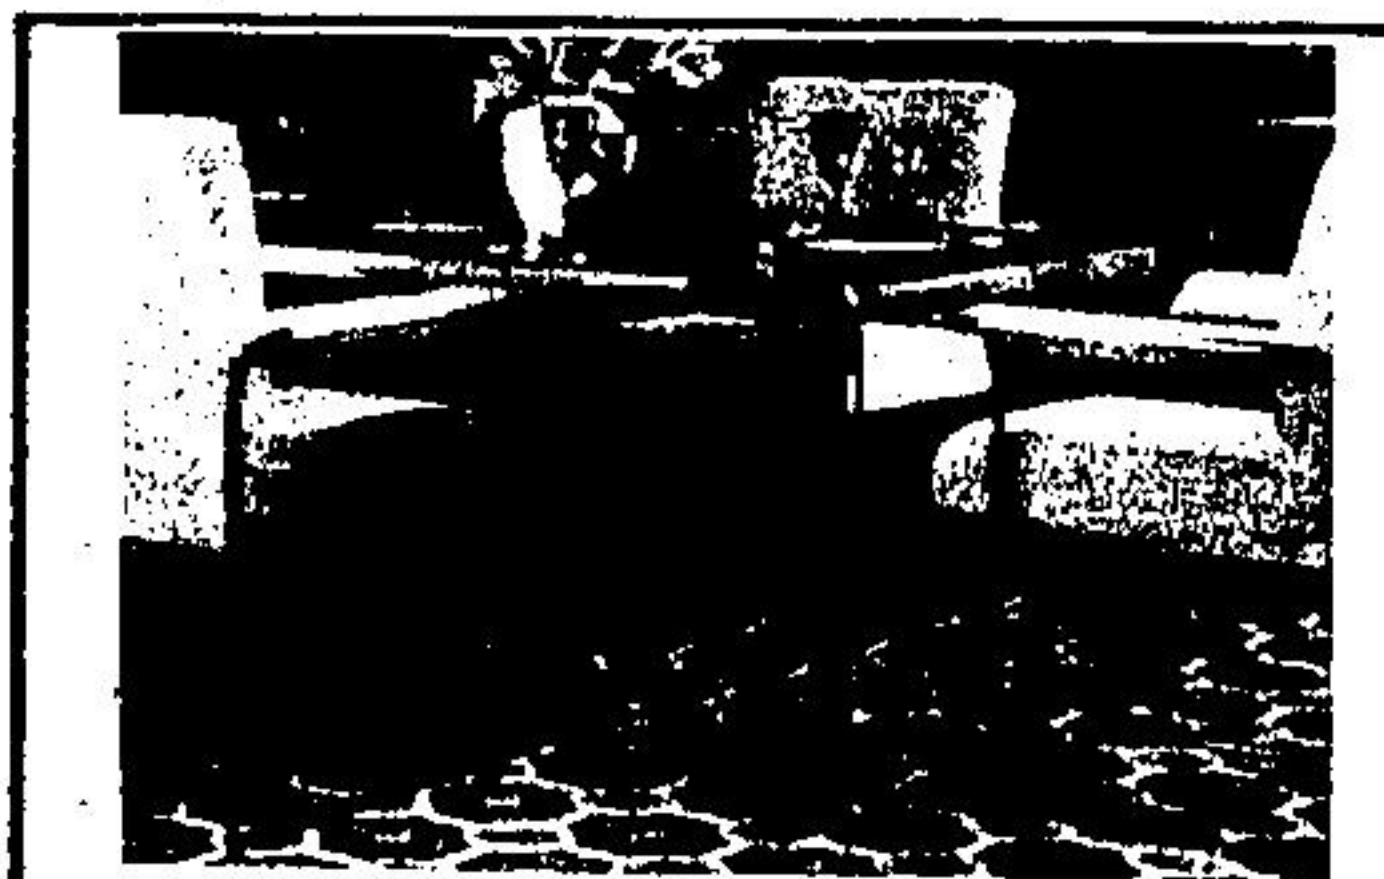

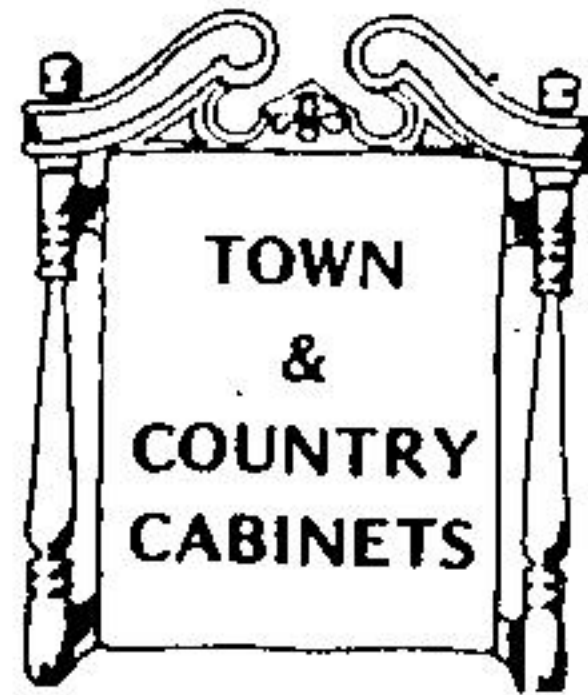

Designed to give you the optimum use of space within a framework of craftsman-built custom cabinets, top quality appliances and an exciting choice of traditional, contemporary and modern styles and finishes — A designer collection of quality door handles, drawer pulls and hinges are selected to customize your kitchen decor — It's the most you can do for a lifetime of carefree elegance in your home!

JENN-AIR

Cooking's fun again with JENN-AIR — this country's most advanced ranges and grills! Cooks at 20° lower temperature and 50% faster. It's a full-feature range with glass ceramic or conventional element cook top range when you need it—or in seconds—an electric grill that produces real, outdoor smoked flavour that's vented outdoors by a patented down-draft ventilation system. No mess, no fuss! A wide range of accessories and colours allow you to build the system that suits your style, taste and decor best! See full line brochure.
