

Glen Williams softball has banner year

The Glen Williams Minor Softball Association has had what could be termed, (an understatement) a very successful year. Glen minor softball teams competed in nine divisions in the Halton Rural Softball Association and came away from five playoff championships as well as two league championships.

The Glen Atom boys and the Glen Bantam boys, won both league and playoff titles. Although they failed to capture their league crowns, three Glen teams, the Squirt boys, the Bantam girls and the Midget girls, were playoff champions.
