

Santa's Mail

Dear Santa,
I have not written for two years. This year I want knee pads, placker, Goalie shoulder pad. And you'll get some cookies.

From Sean.

Dear Sean:
I haven't forgotten you in the past, have I? Well, I am glad that you did send me your list this year and I hope you will be pleasantly surprised come Christmas Day.

Santa.

Dear Santa Claus
How are the elfs and Mrs. Santa Claus. This year sometimes I was good and sometimes I was bad. This year I'd like - Bobby Alive, Bobby Alive care set, Charming doll cradle, Bedding for doll furniture, Doll's hi-chair and the junior model sewing machine. That's all I would like more but I will let other children have a chance.

Love Janet To Santa.

Dear Janet:
That's a fine picture of me with my bag of toys and the reindeer. Thank you for the letter and I do hope you will always try to be a good girl. I hope you and your family have a very Merry Christmas.

Santa.

Dear Santa
My name is Lesley Jane and I am only 4 months old. Since this is my very first Christmas I wanted to make sure you knew where I lived. Mommy said I'm the best baby and this what counts when Christmas rolls around. I would like a sleigh so Mommy and Daddy can pull me to the store. Please bring my big dog, Muffin, some Good Boy Chocolate Drops.

I'll leave some cookies and milk for you Santa and some carrots for your reindeer. I love you, Santa.

Lesley Jane Fairles

Dear Lesley:
I've checked my list and guess what? It's a good thing you wrote me because somehow I missed your name. I've corrected that oversight and rest assured you will be very surprised on Christmas morning. I won't forget Muffin either. I hope your first Christmas will be one that you may never forget—even if you are only four months old. Merry Christmas.

Santa

Dear Santa:
How are you reindeers? How is dixon will he guide you sleigh?

How are your elves? How are your family? Have your elves finished making the toys? The toys you gave me last year were great! The toy I want this year is a pair of walkie-talkies. Thank you love Sean.

Love Sean

Dear Sean:
It's very likely I will have Rudolph along this year guiding my sleigh, Sean. His bright red nose helps to overcome the fog and blinding snow that fills the skies during my annual trip. All the toys won't be finished until late Christmas Eve just before I begin my journey. So you can see my elves are very busy. Have a Merry Christmas.

Santa.

Dear Santa:
I hope your Reindeers are fine? How is Rudolph's nose? I hope it's fine. How is Mrs. Claus? I would like Mr. Mouth, a shooting gallery, the Bermuda Triangle and Money Magic Thank you very much.

Love, Eric.

Dear Eric:
Rudolph's nose is just fine, Eric, and he is standing by at the North Pole getting prepared with the other reindeer for the big trip around the world this weekend. Mrs. Claus is also very well and wants me to wish you a very Merry Christmas.

Santa.
