## Wrestling Rebels finish third

By BRENT COLLIER  
Saturday, December 18, marked the day the Rebel wrestler travelled to Fergus for their toughest competition thus far.

"The competition was as good as OFSAA," coach McKay noted. In the meet's were top-calibre wrestlers, such as Bob Pronk, Mike Quincy, George Gnowskie, an American All-star team and 13 competitors from Georgetown.

The American team, Mt. St. John from Maryland, were from a private boys school. This team had experienced members and proved to be devastating.

Other teams included Winston Churchill from Toronto, Waterloo Collegiate, Newtonbrooke and Fergus. Most of these teams supplemented their squads with other wrestlers. Fergus and the Rebels were the only teams without new members. In this sense the third place finish for the Rebs was a credit to the team.

The strong American team finished first, with almost double the points of second place Churchill.

The GHDS coaches were pleased with the overall performance of the squad. With only 13 wrestlers, three short of a full team, the Rebs still held their own. Some

members "fell asleep" on the mat, and lost key matches. This is not to discredit them, as often they have upset good wrestlers.

Scott Hall, finished third at 85 lbs., Frank Meidzinski had another fine day and won his weight class at 92 lbs.

At 100 lbs., Bill Davis finished fourth, Rick Rodgers finished third at 108 lbs. With excellent competition at 117 lbs., Pete Fournier and Brian Pendergast still managed to place second and fourth, respectively. Bill Fournier placed their at 125 lbs. Phil Milne wrestled well at 132 lbs., but met some excellent competition. Jeff Skingley, Steve Cropper and Dave Taggart all met tough opponents in the first round, and were eliminated early.

Brent Collier, at 159 lbs. managed to get to the semi-finals before losing a close match. At 195 lbs. Andy Cammon placed fourth, Andy wrestled well in the tournament, including one match with a knee injury.

The team will not wrestle again until January, when they travel to Grey Highlands on the 8th.

"We'll be working and will be ready for the new year," Coach McKay said. "We still have some moves to work on."

## Rebels struggling

By Jamie Sanford  
On the weekend, the Georgetown Senior Rebels travelled to Burlington to play in the Aldershot High School Tournament only to drop two straight decisions to Lorne Park then to Burlington Central.

In the first game, the Rebs jumped out to an early 17-2 lead but couldn't hold, as they lost 49-11. Coach Costigan was very disappointed, "as we played our best quarter of the year but we were mentally tired after our tough tournament the weekend before."

Paul Krowchuk was leading scorer with 17 points, followed by Paul Nichol and Mike Stankovits with 10 and eight points respectively.

On the boards, Stankovits and Krowchuk both had 12 rebounds.

In the second game the Rebs

jumped out into a large lead but couldn't hold as they dropped the game 59-55 to Burlington Central.

In this game, Costigan's Cagers simply ran out of gas as they only had six players, including a junior Mike McMenemy, who made his senior debut.

Mike Stankovits had 20 points, 12 rebounds and four assists to lead the Rebs in all three categories.

Doug Lamb had 12 points followed by Paul Nichol with 10.

Paul Krowchuk also did a good job rebounding as he hauled down 11. All in all, it was a very disappointing journey as the Rebs were given a good chance of winning.

They now take long needed Christmas break and have no games in the near future.

## Major Bants up and down

Georgetown's DRG Stationary Major Bantams are having their ups and downs, mostly due to erratic shooting and blown opportunities. They dropped two league games; to Burlington 4-0 and Guelph 5-3 but ekated to a convincingly strong 5-0 win over Elmira in the Hespeler Minor Olympit Tournament.

Friday night was their first game of the five game tournament and the DRG's ekated and checked with poise and their shooting was bang-on. Goalkeepers were Steve Robbins, Barry Simpson, Glen Cunningham, Dan Reynolds and Herb Kewley with assists from Kevin Thompson, a pair; Cunningham, Mark Bingham,

Mike Kitts, Chuck Moffat, Rick Knight and Robbins. Brian Bombolt earned the shutout.

It was a different story in Burlington as the DRG's couldn't get untracked and went down to defeat at the hands of the strong forechecking Burlington shooters.

Sunday's home encounter was lost against Guelph on erratic shooting as the locals blew many opportunities, even

some wide open nets. Georgetown was down 4-3 and pressing hard late in the game when Mike Kitts froze the puck in Guelph's zone with three opposition players holding him and Mike received a roughing penalty. Guelph potted one into the empty net on a defenceman's erratic pass. Kitts, Dan Reynolds and John Lehman scored the markers, set up by Brian Simpson, Dave Veitch and Cunningham.

God wouldn't have given us feet if he didn't mean for us to use them. Walk.

### THE CORPORATION OF THE TOWN OF HALTON HILLS

#### Amendment to by-law 74 - 51 by by-law 76 - 74 Explanatory Note

Council for The Corporation of the Town of Halton Hills deems it advisable to amend zoning by-law 57-91 which applies to the former Township of Esquesing Planning Area to provide for conditions of development or redevelopment of lands or buildings at any place within the Esquesing area.

Under Section 35a of The Planning Act, R.S.O. 1970, C. 349, by-laws may be passed by Councils of municipalities to set out conditions that may be attached to the development of lands or buildings. The amendment to by-law 74-51 as set out in by-law 76-74 will give the municipality the right to regulate matters such as widenings of highways, off street parking, walkways, removal of snow, grading, flood lighting, landscaping and other matters in connection with the rezoning of a parcel of land for development.

The amendment to zoning by-law 74-51 will also give the municipality the right to require property owners to enter into development agreements with the Town as a condition of development of property, whether for industrial, commercial or residential purposes. Finally, by-law 76-74 provides that no building permit will be issued in respect of any property to which the by-law applies until a site development plan, drawings and executed agreements are filed with the Town and until the drawings and site development plan are approved by the Town.
