

# A banner year for athletics

1976 has been a banner year for sports and sportsmen in Georgetown. This list of champions, ranging through town, county and provincial levels is long and star-studded. The Herald salutes these 1976 athletes and presents some pictorial highlights of the past year. Unfortunately, because of space limitations all the Georgetown champions could not be featured. Their accomplishments are however remembered and praised.

# Athletes take top billing in 1976
