New Year's Day— Not all of us had the day off

Constable Raj Swaminathan, 11 Division, Georgetown

While many slept in New Year's day following celebrations to commemorate the advent of 1977, others spent Jan. 1 working.

The essential services offered by police, hospital, ambulance drivers the fire department and the like were provided as usual.

Some restaurants and corner stores were open although many Halton Hills retailers enjoyed a day off after the hustle and bustle of the holiday season.

LEGION LINES Tip of the hat to 756 Squadron rifle teams

By MACMCLEAN

Well here we are in the New Year 1977 and we are already looking forward to a busy schedule. Next Sunday, January 9, is the date for our Zone meeting at Bramalea Branch and the starting time is 2:30 p.m. This meeting is open to any Branch member and you are urged to attend.

The next monthly meeting of the Ladies Auxiliary will be on Thursday, January 20, and the Branch General meeting will be held the following Thursday January 27.

It seems that almost every week we have cause to write about a Branch-sponsored activity or organization and this week we have a report on the 756 Squadron, Royal Canadian Air Cadets.

On Dec. 12 756 Squadron met 180 Squadron from Downsview in a Rifle Shooting Competition in which each Squadron entered two teams and each team fired on two targets.

On the Canadian Army Targets, the Georgetown "A" and "B" teams won the rounds with a total of 719 points against 550 scored by the opposition out of a total possible of 800 points.

Both Georgetown teams repeated this performance by winning both rounds on the Winchester Targets posting total scores of 780 against 619 for the Downsview teams.

As indicated by the statistics the local Squadron has practiced and concentrated hard to achieve the present high standard of proficiency and we are indeed proud of their achievements.

Cadet Cpl. G. Primeau headed the "A" team scoring with a combined total of 193 out of a possible 200 points while LAC R. Parsons of the "B" team led that competition with 186 out of a possible 200 points.

WO 1 B. Kruger, captain of the "A" team has an average of 94.8 per cent based on all

targets recorded this season.

If the Branch 120 Rifle team had any thought of competing against the Squadron in a rifle shoot our only hope is to go in with a gross of sharply pointed pencils.

With no column written last week due to lack of news we have the results from two weekly draws of the Car Club.

Draw No. 16: No. 405 D. Stevenson; No. 50 N. Weir; No. 470 E. and B. Bastido; No. 311 I. Reynolds; and No. 119 B. Ezard.

Draw No. 17: No. 395 D. Dedman; No. 276 L. Garvin; No. 18 S. Holmes; No. 438 H. W. Hoshier; and No. 324 Parsons.

We were really sorry to hear of the passing of Comrade Walter Bradford on Saturday January 1, after a brief illness. A Legion service was held on Monday evening and sincere condolences to the Bradford family on behalf of Branch 120.
