# Minor Pee Wees lose OMHA opener

The Georgetown Canadian Tire Minor PeeWees dropped a 6-3 decision in the first game of a best of five OMHA series to a strong well balanced Owen Sound club.

The first two periods of this game featured some excellent hockey with both teams skating well, and both defenses playing a solid game from goal out. The visitors scored the only goal of the first period and increased the lead 2-0 midway through the second, before the local boys finally found the range, tying up the game with a pair of goals twenty-five seconds apart. Robbie Duke scored both markers with assists going to Eric Clark, Jeff Sargent and Mark Brush.

Georgetown had the better chance in the first two periods, but some excellent saves by the Owen Sound goaltender kept the home side from taking the lead.

In the third period, the visitors took over complete control of this game, bombarding Kevin Gillespie with 15 shots and scoring four goals. The final one into an empty net. The Georgetown defense was continually caught out of position and it wasn't unusual to find the visitors with a two and three on one situation. Bobby Boucher scored the third Georgetown goal on a pass from Andrew Braun, but this came too late as the game

# Georgetown edges Acton

An All-Star contingent from the Georgetown Ladies Basketball Association turned back an Acton Ladies All-Star team, 31-25, last week. The win came about as a result of excellent defensive work by the Georgetowners, as Acton held a 15-11 lead at halftime.

The game wasn't decided until the waning minutes as both teams came up with solid games. Sandy Lewis paced the Georgetown attack, hooping nine points, Jackie Burns had seven points and Debbie Stone chipped in five points. Janice Gagne and Maureen Gerth scored 10 points each for Acton.

was well out of reach at this stage.

Based on play in the first game, the minor pee-wees could still take this series, but they will need a super team effort.

The next game will be played in Owen Sound on Friday at 8 p.m. with the third game back home next Tuesday.

A BATTLE FOR FIRST PLACE IN THE MIDGET HOUSE LEAGUE

# In Halton Hills area many spectator sports

By Colin Gibson  
Herald Sports Editor

Winter sports abound for the outdoor- and indoor-enthusiast in Halton Hills. A key ingredient in sporting success stories, however, and one that, unfortunately, is often underplayed, is the role of spectators.

For various reasons, not everyone desires to become actively involved in a physical activity. Some people get just as much enjoyment out of an activity by being a part of the festivities as a spectator, as the actual players do in participating. For those citizens of Halton Hills interested in area winter activities, from this perspective, rest assured, the local sporting scene caters to almost every whim imaginable.

If hockey is an integral part of your sports diet, then arenas in both Georgetown and Acton can offer a feast. Minor hockey (the schedule is printed weekly in the Herald) offers excitement, some light moments and a chance to see developing players, sharpening their skills. Girls hockey is also a feature of the Halton Hills minor hockey program.

Industrial hockey, in both Georgetown and Acton, attracts quite a number of ardent supporters and the games, in this area, are a touch above the fray offered by most other industrial loops. If the bump and bang of this type of hockey is not exactly to your taste, Georgetown has an entry in a non-contract league that emphasizes the basic skills of the game.

On a higher level, Junior and Intermediate hockey is offered in both Halton Hills urban areas. Halton Hills has sent an abundance of talented players on to bigger and better hockey adventures and is known as a hot-bed for developing hockey talent.

# Major bantams tie Dundas

A tied game in overtime is exciting, but a 8-8 tie tells of explosive offensive power, and that was the story last Thursday as the DRG Gage Stationery major bantams and Dundas battled to this deadlock. Tied 7-7 at the end of regulation time, Dundas looked sure winners in the overtime as they potted a goal with a minute remaining. Hard work and second effort tied the score again for the locals with seven seconds left. DRG marksmen were Dave Veitch and Steve Hobbins with singles and Barry Simpson, Dan Reynolds and John Lehman with two goals each. Assists were earned by Scott Osborne, Lehman, Rick Knight, Brian Simpson and Robbins with a pair.

# Major Pee Wees trample Dundas

Standard Products Major PeeWees scored three goals in each period to easily defeat Dundas 9-0 in Tri-County playoff action. Goals by Kevin Frank (4), David Norton (2), Gordie Adams, Duane Hatcher and Mike Marcolini. Assists to Kirk Warnock (2), Rivy Kennedy (2), Jamie South (3), Scott Pentesco, Anthony Gram and Barry Stone.

Jeff Watterworth earned the shutout stopping a penalty shot awarded to Dundas. The S.P. boys skated well but will run into stronger competition in the next round of Tri-County playoffs.

# Council approves ice rates

Council approved lower rental rates for casual use of ice rinks in Georgetown and Acton, Monday, after cancellations within the prior 48 hours.

The new rate for a professional instructor is \$5 per hour, for figure skating members \$2 per hour, and for non-members \$1 per hour. The previous rate was \$7 per hour for the first person, plus \$2 per person for each additional person excluding the professional instructor. The casual rates at Gordon Alcott Memorial Arena was \$12 per hour for the first person plus \$2 per person for each additional person.

adventures and is known as a hot-bed for developing hockey talent.

Arenas in Canada are very much an integral part of the communities they serve and Halton Hills is no exception to the norm. Other ice activities are also highlighted in the area and attract supporters in droves.

Figure skating programs in both Georgetown and Acton, are flourishing. Georgetown, in fact, will be staging their annual Carnival this weekend, at the Memorial arena. While the popular notion is that figure skating is strictly for the young, adult programs are available and well worth taking in.

In Halton Hills, the curling scene is very prominent and high calibre play can be viewed regularly in both Georgetown and Acton.

Halton Hills area high schools and public schools have long played a dominant role in county, regional and even provincial competitions. On a regular weekly basis, the area schools offer a wealth of athletic talent for spectator persons. Currently, wrestling, boys basketball and girls volleyball are on the school's agenda, but both the Georgetown Indoor Pool and the Acton Pool are sites of both high school and club swim meets.
