

SCOUT - GUIDE WEEK

This is Scout-Guide Week in Canada. During this week Canada's half million Scouts and Guides will be planning special activities and projects. They will be planning many of these with one purpose in mind.

This week is special to half a million Canadians - the Scouts and Guides who live in every part of Canada. You will see more of them this week because they are planning a variety of activities and projects which could involve you. The reason for these is quite simple. They enjoy their weekly programs because people like you support them with time, resources and money and they want to thank you - to thank you for helping them grow!

The Girl Guides of Canada is for girls between the ages of 7 and 18 years of age. Brownie Packs are formed for the 7 to 10 year old age group, Guide Companies for the 10 to 14 year olds, Ranger Companies for girls of 14 to 18 years and Cadets for girls 16 to 18 years. Guiding is international in scope so a member may transfer to the nearest group wherever her family resides. Our programme is aimed at helping girls become aware and responsible young people toward their families and communities. We try to achieve awareness, self-reliance, responsibility and just plain fun through what we feel is a varied programme including camping skills, citizenship, community service, international events, including overseas, United States and Canada, music, water safety, working and sharing together and forming friendships, which in many cases become lifelong. Our Guiders (Leaders) are all volunteers and give many hours each year implementing our programme in diversified ways. If you enjoy being with young people and at the same time meeting a wider circle of interested women, we have a need for you as a guider or a resource person in one of our many packs and organization. Mature thinking women with a sense of responsibility and a concern for the needs of others are welcome to attend our training programmes and visit our meetings with a view to assisting in one of the age groups. If you have daughters already in the guide movement who wish to transfer or enroll as a future member, or if you require more information on becoming a guider, please call - Mrs. Pat Bartkowiak - 877-8494. Even if you do not have girls in the guide movement, but are willing to assist the group in any way, you will be most welcome!!!! Remember that the girls of today, are the women of tomorrow!!!!!!

Scouting is a program for boys aged 11 to 14. The first Scout Camp was held on Brownsea Island in 1907, with twenty boys. In 1977, 15,000 Scouts will attend C.J.77 - the Canadian Jamboree to be held in July at Cabot Park, P.E.I. This tremendous growth has come because of your support so thanks! Thanks for helping us grow.

TEN COMMANDMENTS FOR TEENAGERS

1. Don't let your parents down, they brought you up.
2. Be humble enough to obey; you may give orders someday.
3. Choose companions with care; you become what they are.
4. Choose only a date, who would make a good mate.
5. Guard your thoughts; what you think, you are.
6. Be master of your habits, or they will master you.
7. Don't be a show-off when you drive, drive with safety and arrive.
8. Don't let the crowd pressure you, stand for something, or you'll fall for anything.
9. Go to church faithfully; make the week's first steps the church steps.
10. To Christ be always true, he gave his all for you.
