Optimist track club has area athletes

By STEVE DAVIES In the past year Georgetown has collected a number of promising young athletes. They all run as members of the Scarborough Optimist Track Club. These athletes enjoy running as a year round activity not just for their school, during the track or Cross Country

Mike Dixon, 1975 Canadian Juvenile Mens Cross Country Champion was the first local runner to join the club. Then during the 75 high school cross country season. Fergus Barnes, Ian Clark, Cathy Clark, and hurdlers Merideth and Heather McLaren joined.

In 1976 the group enlarged with Bruce McIntyre, Jim Allen, Al Roxborough, Chris Deere, Steve Davies, Jon Lancaster, Arnold Brakel, Andrew

College tourney in Oakville

The Canadian College Bockey Championships will be staged in Oakville this year, with the Sheridan College Bruins, currently in first place in their league, acting as the

host team. Sheridan Bruns have two chances of qualifying for the national tourney; they will automatically gain a berth in the tournament if they finish first in their league, but should they fail to accomplish this they will have a second chance

at gaining entry. It has been decreed by the Canadian Colleges Athletic Association that the host team, if they haven't qualified through their league, play a preliminary game against the previous year's fourth place finisher, with the winner, gaining entry to the affair. Should Sheridan fail to win their league, they would go against Quebec in the preliminary

The preliminary game is tentatively scheduled for Oakville Arena, Thursday, March 31. The tournament semifinals will be played, Friday, April t, with the semi-funal losers meeting Salurday afternoon and the championship game stated for Saturday night April 2.

Major Atoms show class

Georgetown Major Atoms, despite being four players short came up with a line effort in a losing cause as they were defeated 4-1 by league leading Milton last week.

The entire game was a close checking effort in which the score would have been much closer if the home team had capitalized on several goal scoring opportunities.

Playing with only two lines, the Atom never let up and are too be commended for their

fine effort. The lone Georgetown Mark er was scored by Joe Richardson on a pass from Mark Webster.

Eric Hack played his best game to date both offensively and defensively while goal tender Mike McNiven and defenceman Kent Falby played strongly throughout.

The Raiders leaped out to a 5-0 first period lead in Fort Erie and the Mavericks, at that point, must have been urging the Gods to bring on a blizzard or some other calamity that would put an end to their own misery. Since nothing of this nature was forthcoming, the Mayericks once more took to the ice for the sandwich frame and were forced to endure more humiliation in front of their home town supporters. The Raiders opened up a 16-1 lead after two periods but mercifully, restrained themselves over the final 20 minutes to shake off to the 11-2 victory.

Doug Tate found the scoring touch, that has been evading him of late, and notched a hatrick to pace the Haiders scoring machine, Hob Clark, fired two goals, while singles went to Bob Fotheringham, Tom Gilbert, Art Webster trecently returned to the lineup) Tom Daley and Steve biunds Daley and Craig Simpson, each collected a pair of assists.

On Thursday, the Raiders journeyed to Dunnville and surprisingly, the hapless Mudcats, made a game of it for the first period. At the end of 20 minutes, the Raiders held a slim, 3-2 lead, thanks mainly to the work of Ed Sherwood in the Dunnville nets.

The second period saw Sherwood continue with his magicum's tricks and although the locals peppered him with 18 drives, they could only manage one counter, to lead, 4-2 after 40 minutes of play.

The hectic pace and the "rain of rubber" bad to tell on Sherwood and in the third period, the Raiders found the weak link in the goaler's armor and fired home four goals, with but a single reply from

the Mudcats to account for the eventual, 8-3 win. Doug Tate was still weilding a hot stock and he led the Raiders and a pair of goals (five in two games). Craig Simpson, John Boyce, Ray Evans, Bill Currie, Steve Blundy, and Tommy Gilbert, rounded out the Raider scoring. Tom Daley and Art Webster each collected two assists for Daley, that marked four in two games.

Before an enthusiastic crowd at the Gordon Alcott Memorial Arena on Friday night, the Chrysler Raider completed a very successful week, by posting an 8-7 overtime win over the Fort Erie Mayericks in a return match from the previous Tuesday.

The Raiders appeared to have the game well in hand after the first frame as they

unleashed another barrage on the Mavericks and held a 5-0 lead after 20 minutes.

The second stanza was a different story, however, and by the 15:40 mark, Fort Erie had narrowed the Raider bulge to 5-4. At the 16:51 mark, the Raiders counted again and held a 6-4 lead after two

The Mavericks were out to gain some respect back, because of the thrashing they suffered in the previous Tuesday and scored twice, within a 15 second span, early in the third period, to tie the game, 6-6. The hometown favourites allowed their supporters to breathe a little easier, when they potted a marker at the 12:41 mark to once more edge in front, but Fort Erie adopted a "never-say-die" attitude and scored the goal that forced the game into overtime with less han two minutes remaining in the third period.

The sudden turn of events could have shaken the Raiders confidence, but they regrouped in the intermission leading into the overtime period and emerged ready to seek ven-

gance. At the 4:33 mark of the overtime period, Tom Daley, converted passes from Bob Clark and Steve Blundy to score the winner in the 8-7 game and send the hometown crowd on it's way in a joyous frame of mind.

Earlier Raider goals were scored by Tommy Gilbert, Art Webster, (who potted a pair) Neil Cotton, Ray Evans, Steve Blundy and Brad Butterworth.

THE

Junior "B" playoffs create excitement

. The Central Ontario Junior "B" League has just completed one of it's most successful and competitive seasons. The final playoff berths were not established until almost the completion of the regular schedule and even then, leading into the last week of play, first place was still available to three teams.

First round playoff action commenced last week and it seems as if much the same sort of excitement will prevail. Milton could prove the dark horse of the season as they presently lead their best of seven semifinal series with Oakville, two games to nil.

SERIES "A" (Best of seven semilinal) Milton 3 - Oakville 2 Milton 6 - Oakville 4 Third game of series was played Tuesday, fourth game of series is scheduled for Friday night in Milton.
