Kinsmen Club of Georgetown extends A hearty welcome

On behalf of the Kinsmen and Kinette's of Georgetown may I extend a hearty welcome to all visitors from all parts of Canada and the United States, players, parents, hockey fans and press. I'm positive as you stay in our Town you will find as you participate in this 17th Annual International Bantam Hockey Tournament your excitement will be as high as ours or higher as your teams progress.

The number of dedicated individuals who devote a tremendous amount of time and personal devotion to make this tournament the annual success which it is, are too numerous to mention but to all a mere, thank you. However, Paul Milne and Harry Levy, the tournament organizers deserve your personal congratulations should you have the occasion to meet with them during your stay.

As the tournament progresses through the week I'm sure you will find as I have found, the absolute desire to win that you young gentlemen of hockey have given us each year is the greatest satisfaction we as Kinsmen can receive. In previous years your portrait of true sportsmanship and respect for your fellow players have always been at the highest standards you and your coaches have set for your personal experience and gratification; this tournament has no loser.

The upcoming project of the Kinsmen Club of Georgetown is our Fertilizer telephone and door to door campaign on April 2nd and we look forward to the excellent response we have had in the last few years.

To everyone concerned, again my thank you for your support to make this exciting community service project a success.

YOURS SINCERELY
TOM COOPER

Tournament Chairman's message

Although this is the 17th Annual Bantam Hockey Tournament and the second to be held in the new Gordon Abbott arena; it is my first year as tournament chairman and I hope that again this year it will be another one to remember.

As a town, we are justly proud of our hockey background and record, and as a visitor, you will find this tournament is really a town affair with many individuals, merchants, various organizations, and town council all co-operating to insure that win or lose, you will return home richer, for the experience of being in Georgetown (Halton Hills) during "Bantam Hockey Week."
