Correction

A misspelled name in last week's report of the Halton Hills Gymnastic Club's meet must be apologized for. Penny Sieber was the All-Round winner in the Action and Georgetown Tiny Division. She is to be congratulated for her performance.

Sorority transfer

The March 1 meeting of Xi Delta Beta Chapter of Beta Sigma Phi was held at the home of Marilyn Pickett where a welcoming ritual was held for transferee, Sonia Mazui. At the meeting, Sonia received a lovely yellow rose. After the business meeting, Mrs. Ellis was introduced and she spoke to the girls of her son, Todd, who has Cerebral Palsy and explained how he was progressing with his latest program.

After Mrs. Ellis' talk, the girls asked questions while photos of Todd were passed around the room. To close out the evening, the hostess served coffee and tea as well as a lovely decorated cake welcoming Sonia.

On March 5 some of the girls and their husbands attended Casino Night in Georgetown. This event was put on by Georgetown Coordinating and everyone enjoyed the "gambling" and lunch that was served. Chapter elections were held at the home of Marlene Kelman on March 15.

The results are: President - Sonia Mazui, Vice-President - Lynda Tyrrell, Recording Secretary - Betty Naylor, Corresponding Secretary - Lorrie Ryan, Treasurer - Dorothy Zebede and Coordinating Reps - Lolson Helmer and Marilyn Pickett.

Tennis juniors get recognition

The Ontario Lawn Tennis Association's annual report on the 1976 season, held special significance for three Junior members of the Gordon Alcott Tennis Club. The report included a list of outstanding provincial Junior tennis players in 1976 and three Georgetown Juniors were honored by having their names placed on the list. Stacey Hurley, girls under 12; Kevin Neil, boys under 14 and Brian Hayward, boys under 18 received the singular honor of having their names on the list.

The Ontario Association has done away with the ranking system but what this recognition means is that the three area youngsters, will be considered, "favourites" in the tournaments they enter.

On behalf of the Gordon Alcott Tennis Club, Club President, John Dallison extended the group's congratulations to the three and felt that their accomplishments would encourage all Juniors to participate in Junior development activities offered by the club.

Spring registration

By VIC STODDART
A "Different" event took place at the indoor pool on Saturday evening. Instead of our usual public swimming we staged an aquatic show.

We had all phases of aquatic from "Tadpoles" to "Life saving" and everything in between. I would like to express my thanks, first of all to the parents of our swimmers and all the friends that came to see the show.

Second thanks to all the swimmers who participated. An excellent job was done by all age groups.

Third, thanks to the pool staff. Those that swam and those that coached the younger participants, in the show. In fact all the people that were in the pool either on the deck or in the water, and of course the newspaper for their excellent coverage. THANKS.

Saturday is also Evaluation Day for the Royal Life Saving Lessons. The Evaluation will take place at the Acton Pool at 4:00 pm.

Registration is also on Saturday April 2nd from 2:00 to 5:00 pm at the pool. This is the spring session, the last session in which to prepare for the summer of fun in the water.

GIHL finals start Sunday

The preliminaries are now over, in the Georgetown Industrial Hockey League and the two teams, that alot of people predicted - even before the start of regular season play - would meet for the championship silverware are ready to do battle.

The Norval Alouettes defending league champs, humbled Guelph-Clair Sunoco, 8-3 last Sunday and won their best-of-five semifinal, three games straight. Not to be outdone, Thompson's Construction whipped Sandhill, 5-2 last Sunday and also emerged as semifinal winners in three straight games.

Norval had a much larger goal spread (16-5) than Thompson's (11-6), but it is expected that the loop's final series will be a much closer tussle. The edge, however, on their season and past records, would have to go to the Alouettes.

The first game of the series, gets under way this Sunday, 11:15 a.m. at the Gordon Alcott Memorial Arena.
