

Ballinatad news

By WINIFRED SMITH
The 4-H Achievement Day was held in the former school for the deaf at Milton on Saturday. All girls completed the course. Mrs. Squire, home economist for Peel and Halton presided.
Ballinatad Club 1 had an exhibit which displayed a variety of clothing for leisure wear. Shelly Wilson was the commentator.
Ballinatad No. 2 put on a skit "Selecting Fabrics and Patterns." All the girls taking part and completing the club received certificates of merit and a silver coffee spoon.
Ballinatad now has a new ball diamond and screen. Many hours of hard work went into clearing the field. With the help of families and friends with a special mention to Mr. Norman who gave of his time through the week and on the weekend.
The diamond should be in fine shape for the first game of the Women's Ball Club which is scheduled for Wed. June 1.

Practice begins this Wednesday evening. It is to be hoped that the lake sale planned for May 20th will be a success to help raise money for equipment. The new ball diamond is situated on the Town Line on the Barnett property.
The weather was perfect and all seats were filled for the 99th anniversary in the church Sunday. Special music was provided by the guest soloist Mr. Earl Burt accompanied by Mr. and Mrs. Bob Kerr.
They played inspiring music prior to the service. Several beautiful solos were rendered by Mr. Burt and Mr. Bob Kerr also favoured with a solo.
The guest speaker was the Rev. H.L. Rumball, who is pastor of the Evangelical Church of the Deaf in Toronto. His sermon "Deal Wisely" was most inspiring. Mr. Rumball had brought a car load of his church members from Toronto and the entire service including the music selections were given in sign language by the guest speaker.
It added much to the members of the congregation for as he spoke, his hands were working with great skill and dexterity for the benefit of his deaf friends.
Mr. Stiles, in introducing Rev. Rumball said we were fortunate in being able to have him speak, but he had been invited since last anniversary, otherwise his many other engagements would have prevented him from coming. An hour of fellowship followed in the basement of the Church as lunch was served.
The beautiful new house beside the former Shortill home has been sold. The new people moved in on Saturday. They are a young couple, Mr. and Mrs. Platt with an infant child. We welcome them to the village.
We are happy to report that Mr. Morgan Maill has shown some signs of improvement in Guelph General Hospital after being quite seriously ill this past week.

Hospital on Sunday, April 24th. Congratulations to eight-year-old Stacey Hutton, daughter of John and Joyce Hutton of Huttonville, who won a \$25 scholarship for Speech and Drama for her poem "Vespers" at the recent Peel Music Festival. Stacey and her five-year-old brother Alex both won gold medals in singing. Also congratulations to Winnie Meyer who won a \$50.00 scholarship in singing at the Festival. She is a pupil of Mrs. Joyce Hutton.

Now it is May a lovely and exciting month, of sunshine, blue skies, birds arriving back, daffodils, hyacinths, tulips yellow and red, then the white and purple lilacs and of course Mother's Day May 8.
No matter how you pronounce her name, whether it's a Canadian "Morm", a Spanish "Madre", a French "maman" or a Polish "Matka" or a Jewish "Mutter," Mother becomes the first lady of the world on the second Sunday in May which is dedicated to the memory of the best mother in the world your mother.
Mr. and Mrs. Fred Nurse have arrived home from a two-week visit with Mr. and Mrs. Victor Thompson in Maidenhead England, they also visited Yorkshire and the lake country.
Mr. and Mrs. Norman Langton of Burlington were recent Sunday visitors with Mrs. Fred Alnsworth.
Congratulations to Mr. and Mrs. Clayton Wilson who will celebrate their 52 wedding anniversary on May 12. Best wishes for many more to this fine couple.
