# Hi! Neighbor

By KAREN WARD  
Herald staff writer

Newcomers to Halton Hills may feel lost at first, not knowing the area, or the people, but a visit from a Hi Neighbour representative may make them feel at home.

Joan Gillespie, representative for Georgetown, Norval, and Glen Williams, said "It's fun meeting new people." Mrs. Gillespie has made several friends through newcomers, and has helped introduce neighbours to each other.

"I hate to just drop in on people, particularly if they've just moved in and haven't had time to settle in," she said. She receives names of newcomers from real estate agents, or by word of mouth and will phone before dropping in.

Mrs. Gillespie said lately the job has had special interest for her because contacts have been with people who moved from Montreal, where her family previously lived.

Some Montreal people said they have moved because of the Quebec situation, but sev-

eral planned to move anyway. It's hard for people this far away to get oriented in the area easily, she said.

Whereas people moving from Brampton, Bramalea, or Mississauga know the general area and don't feel so strange. Several families have moved from larger areas, preferring the small towns, she said.

Families with school-age children meet the neighbours easily, but if the children are grown-up, people find it hard.

New neighbours receive a booklet with information containing a map of Georgetown, service clubs, churches, Red Cross information, conservation areas, a list of better business bureaus and a few free gifts from local merchants. She can be reached at 877-8812.

Mrs. Gillespie is always trying to round up more sponsors for the program. There are eight merchants who are included in the program: Harrington Hand Crafts, Wob's Greenhouses, Hyder's T.V. Sale and Service, Georgetown Fabrics, North Halton Sports, Young's Pharmacy, and Boehmer.

"The program is going well and I have future plans which may be developed soon," she said. Marlene Stueckley is the Hi Neighbour representative in Acton at 853-3962.

## Norval event a success

Ball games, races, pony rides, a coloring contest for small children, and fireworks were the order of the day Monday at Norval school. The event was attended by about 600 people and sponsored by the Norval Community Association.

Art Sweeney brought his pony and offered children rides in a cart drawn by the white pony. A popcorn booth was completely sold out by 8 p.m. and Iva Davidson kept the atmosphere lively by playing the piano.

Julian Reed, Liberal incumbent, threw the first softball to start the baseball game. Norval A team defeated Hornby 22-2 in the afternoon game

and in the evening Hornby Juniors beat the North Valley Flyers in a close game 5-2.

Spectators enjoyed the fireworks at night judging from the rapturous look on most faces as they turned upwards to watch the display.

## Bikes stolen

Two Selkirk 10 speed bicycles were stolen from a garage on Regan Crescent, Georgetown on May 20. Unknown persons had entered the garage through an unlocked door. One bike was found in a ravine with tires, rims, gears and seat missing.
