

## Norval district news and social notes

By DOROTHY McLEAN  
Herald correspondent

The Annual pot luck supper of Norval Women's Institute was held at the home of Mrs. Edna Murray on Thursday evening, June 2nd.

The usual bountiful supper was enjoyed after which Mrs. Edna Murray presided for the meeting. The roll call was answered by handing in the various programs for the next year.

Mrs. Glen Campbell, RR2 Milton, District President of the W.I. was the guest speaker and spoke on Public Relations.

She said that we must have a goal or purpose and should try to live by our W.I. motto. She urged all members to start a "House Log". This is a history of the house you live in with pictures and a copy of the deeds, etc., showing any changes during the years. Mrs. Campbell showed the "House Log" that she has started of her own home.

Mrs. Ina Terry reported on the District Annual meeting held in Georgetown recently. She also drew our attention to an item in the Daily Times, Brampton, about Self Defence

for Women that can be taught in several lessons. It was decided to see if this course could be given in the fall at the Norval School Community Centre.

Mrs. Kay Wilson reported that she had presented a shield on behalf of the W.I. at the North Halton Creative and Performing Arts Festival recently.

There will be no meetings during July and August.

Gail Harrison left on May 15th for a 3 months tour of Europe. She started by visiting friends at Chelsea, England,

and attending the Chelsea flower show then travelled to Amsterdam, Holland, to start her tour of the other European countries by visiting the various Youth Hostels. She plans to tour the Youth Hostels for 2 months then return to England for a month of visiting with relatives and friends. Gail is the daughter of Mr. and Mrs. John H. Harrison of Norval.

Congratulations to Mrs. Elizabeth Castle, RR2, Norval, who won the Golden Age Bowling competitions for this region then competed for the Ontario Championship at Waterloo and won that competition also. Besides the trophy she has won a free trip to Saskatoon for 3 days near the end of June where she will compete for the Canadian championship of the Golden Age Bowling. There will be 2 days of bowling and one day of sight-seeing. Mrs. Castle bowls with the Georgetown group. We hope that she will return with the Canadian Championship from Saskatoon.

Mr. and Mrs. James Laidlaw RR2 Norval, entertained the members of their family at a dinner at their home on Wednesday, June 1st, to celebrate their 50th wedding anniversary. There were 21 family members present for the dinner which included their 3 sons and their wives and families, Lloyd and Ella of RR2, Norval, Roy and Lenore, RR2, Norval, and Ralph and Glenda of Willowdale, all ten grandchildren, and their great grandson, Clayton Kistner, of Acton.

The family of Mr. and Mrs. Clifford T. Hunter, RR2, Georgetown, honored their parents on the occasion of their 40th wedding anniversary with an "Open House" held at the home of their daughter Carol and son-in-law Bill (Mr. and Mrs. William C. Robinson) RR2, Georgetown, on Saturday afternoon and evening, June 4th.

Mr. and Mrs. Robinson were assisted in welcoming the

guests and serving the tea by the other members of the family, Tom and Francis Hunter of Orangeville and Bruce and Jean Cannon of Rockwood. Mr. and Mrs. Hunter's 8 grandchildren were present for the happy occasion.

Following the "Open House" a dance was held in the Stewarttown Hall in the evening with an excellent number of friends and relatives enjoying the day. Out of town guests were present from Edmonton, Alberta, Guelph, Embro, Carrying Place, Brampton, Rockwood, Orangeville, Milton, Oakville and Toronto.

Norval Brownies held their Mother and Daughter banquet at the Norval School Community Centre on Tuesday evening, May 31st, with 22 Brownies and their mothers and leaders present.

They enjoyed a pot luck buffet supper and during the evening presented 2 retiring leaders with gifts, Shirley Johnson, Tawny Owl, and Shelley Stephenson, Snowy Owl.

The Ladies Auxiliary held a short meeting and nominated their executive for the next year with Joanne Terashita as president.

The Brownies enjoyed a nature hike on the Bruce Trail recently and held a "Litter Chase" through the village on May 24th which included cleaning up around the Community Centre following the fireworks display. They are planning a trip to the Zoo to end their activities for the season. Mrs. Dinne Taylor is Brown Owl.

Congratulations to Ruth Ann Laidlaw, daughter of Mr. and Mrs. Howard Laidlaw, RR2, Brampton, and Jon Zuber of Norval, who were married in Home United Church Alton, on Saturday, June 4th.

Congratulations to Kim Woolham and Jim Cummins who were married in St. Paul's Anglican Church, Norval, on Friday evening, May 27th.

AND THE WINNER IS . . .

The Blue Triangle Club raffled off a hand made crib quilt at its tea and bake sale last Friday afternoon. Four-year-old Terry Harrison shows the name on the ticket he picked to Margaret Zebedee, one of the ladies who made the quilt. Ernie Keeler was the winning ticket holder.
