To all Constituents of Halton-Burlington Riding:
Thursday June 9th is election day in Ontario. I sincerely hope that all residents of the riding who have a franchise to vote will do so.

The return of a majority Conservative Government in Ontario will provide the stability in the Province which is needed in order to rekindle the Industrial fires, and produce the jobs needed in our economy.

Our regional planners predict a large population growth in our area in the immediate future.

If you elect me as your member in this riding, I pledge to ensure that the necessary Provincial amenities are provided to service the growth, and most important of all to service you, the people.

Ladies and Gentlemen, the decision is in your hands. I humbly solicit your vote, and pledge 100 percent performance in your interests at all times.

Yours sincerely,

George A. Gray
