HALTON GYMNAST UP IN THE AIR

Frank Edgley, pipe major of the Scottish Society of Windsor adjusts the drones for one of the pipes prior to going on the field to play for the judges on Saturday afternoon. The Windsor band is seven years old, says Mr. Edgley, and in 1975 they were the Champion Supreme band. They are a Gr. 1 band.

## HILLSBURGH VILLAGE ESTATES

Where detached houses still come with 70 foot lots and start at \$50,000. A village in the hills of Erin - a place with a past - a hotel where the stagecoaches used to stop, kid hockey that is still fun, curling that is friendly first and expensive last, trees that are slated to grow, not cut down, fishing at the old fishing hole, and neighbours that say 'Hi!' on the street. A place with a future, only 20 minutes to the Go Train or a bus nearly at the door, schools, medical centre, good roads, good homes. A style of life that leaves something to look forward to for tomorrow. Take Trafalgar Road north from 401, 5 miles past Hwy. 24. Or take Hwy. 10 to Hwy. 24, and then north on Hwy 25 just west of Erin.
