Site F in the news again

The proposed area of Site 3 as a regional garbage dump suffers from two major disadvantages, says the Niagara Escarpment Commission.

Halton region is planning a regional garbage dump near Tremaine and Britannia Road outside Milton and on Monday, the NEC released a position paper on Site F.

Site F would result in "significant alternation" to the social and physical character of the site, says the

position paper. During landfill operation there would be "a negative visual impact" on one of the few remaining relatively unspoiled vistas in the Halton portion of the commission's planning area. This would be in conflict with the objectives of the commissions, says the

planning area. The commission is concerned over the potential loss of 640 acres of

good agricultural land and the effect on the quality of life for nearby residents.

However, as the proposed 640 acres is outside the NEC's development control area, the position has no real force in preventing the dump, a NEC

spokesman said Tuesday. The dump would need the As well, the commission is approval of the municipality, committed to the preservation Millon in this case, and if the of good agricultural land in the land is rezoned from agricultural to industrial, the commission could comment again, the spokesman said.

Back Senior Citizens Week, Support projects, says writer

To the editor of The Herald: This is Senior Citizen's Week throughout the countryside presumably, a time set aside to recognize and honour old

people. This is a noble gesture on the part of our mayor, Mr. Tom Hill, and the Halton Hills council. As a senior, I appreciate the sincerity of the declaration.

If the people of Halton Hills concur in this tribute, there is one way through which they could contribute to the enrichment of the lives of seniors.

I refer to the proposed, nursing and chronic care facility at Georgetown and District Memorial Hospital. Hundreds of people have signed a petition requesting approval of the project by the

Health Ministry. If several thousand voices in Halton Hills were added to the list, surely the Health Ministry would recognize the extenuating circumstances and grant the licence. The local media could contribute in a

positive manner. In accordance with the

Health Ministry formula, Halton Hills' population warrants upwards of 100 nursing and chronic care beds. - and there is not one nursing

care bed and not one chronic care bed in Halton Hills. The hospital board is prepared to finance, construct, and operate a complete nursing and chronic care facility. No patient would be refused admittance because of his or her physical condition. Families could continue to

visit their loved ones in their own community, patients would continue their comfortable relationship with their own doctor, etc., etc.

Notwithstanding politics, economics, systems, bureaucracies, and alternative services, if we Halton Hills people are serious in our concern for the quality of life of our seniors, we will see to it that this project is established. Ernie Forgrave

Thanks public for support

of Walk-a-thon To the editor of The Herald: Many thanks to all involved in the 1977 Walk-A-Thon. This year we had a very good walk despite the weatherman forecasting rain. The day was bright and sunny, a little cool. We had approximately 1,800 walkers and a very large percentage finished the walk. We expect to raise about \$15,000 and we have already collected more than two-thirds of this amount but a lot depends on the walkers who have not handed in their money yet. Please do so within the week as sponsors are still waiting to be collected from so please com-

plete your calls. Our telephone committee is already to start phoning for the fast pienges and should be calling all the walkers who have not brought their money in, It is now one month after the walk and we believe this is ample time to have collected all of the money; so please save us all those phone calls and take your money into any branch of the Royal Bank as

soon as possible. Our sincere thanks to all who helped run our walk, the R.E.A.C.T. COMMUNICA-TION CLUB, THE POLICE DEPTS., ST. JOHN AMBU-LANCE, MCDONALDS RES-TAURANTS, NEWSPAPERS AND RADIO STATIONS AND ALL CHECKPOINT HELP-ERS, without all of your help after 4 or holidays and we could not have had the smoothly run walk that we
