

**SCHOOL'S OUT**

School's out! Friday was the last day of school for pupils in north Halton and here the pupils of Centennial middle school show their enthusiasm for summer holidays as they leave their place of learning for the

last time until September. Car drivers are urged to play it safe for the next two months since the "little people" will be out and about and their actions should be viewed with caution when they play near roadways.

**Ashgrove social notes**

By MRS. JOHN BELLBODDY  
Herald correspondent  
On Tuesday morning June 21, the first day of summer, 45 women boarded a bus at Hillcrest parking lot for the W.I. bus trip.

The first stop was the new City Hall in Toronto where we were taken on tours with a guide and shown points of interest, including the mayor's office and the council chambers with seating for 300 people. At the close a film on views of the city were shown.

A lovely dinner was enjoyed at the Town and Country Restaurant and then the bus

took us to the C.N. Tower where we rode in glass-faced elevators which hold 22 persons and travels at the rate of 1200 feet per minute. It was a real thrill to look down on the city and Lake Ontario. From there we spent a half hour at the new Eaton Centre and then thoroughly enjoyed a tour through the Allan Gardens. Where we saw gorgeous flowers, begonias, ferns and different hanging plants.

We arrived back home at 6 p.m.

A big thank you goes to Mrs. Bruce McClure and Mrs. Tom Blackett who planned and

arranged the grand day and of course Thanks to Barry, our bus driver, who brought us safely back home.

We are all so glad that Mrs. Wilfred Bird is home from Oakville hospital after her operation. Mrs. Frank Ruddell is still hospitalized. Get well soon, Olive, we all want you home again.

School is out now, holidays have begun so Mr. Motorist when you see a child on a bike slow down a little because no one knows just where they may dart out and they never think of danger.

**IS YOUR AUSTIN MARINA GIVING YOU PROBLEMS?**

Bring it to Don's Auto Service for guaranteed quality service. Class "A" Licensed Mechanic.
