

Racing for the ball is one of the key assets for any soccer player, and these Atom boys are learning fast.

## Ex-players can help Minor teams

Soccer Report By Hibbee

The Minor Bantams lost their Ontario Cup Match in London last weekend. They were stunned by two obviously offside goals early on and lost another two before they could recover. In the second half we made a comeback and fought back without much luck. This weekend we entertained Saltfleet in a revised league game and lost in a closely fought match. At times we saw some good soccer and at others the game became scrappy. A last minute save by the Saltfleet keeper preserved the visitors lead. We scored first through a well taken Ian Wilde goal. Sloppy defense marking allowed a strong Saltfleet winger to score twice for the victory.

The minor Pee Wees went to Brampton last Thursday and 9 hard working players came back with a 5-4 win. Goals came from Pete MacKinnon (2), Anthony Oram, Riv Kennedy and Grant Nairn. Adopting tactics to combat the great numbers the lads played well throughout and special mentions go to Riv Kennedy and Anthony Oram with all the team deserving 'man of the match.'

The Mosquitos lost 3-1 to Brampton in a hard game on a wet and slippery ground. The visitors opened the scoring on a breakaway, followed with a penalty score and another breakaway with Scott Murray getting the home equaliser. We were disjointed in this game and lacked mid-field power and were prone to the long through ball.

On Sunday we tied a strong Kitchener squad 3-3. After losing the first goal Kevin McArthur (2) and Philip Rose put us in front. Kitchener came back strongly to equalise and the home team managed to hold out to the end with the injured Eric Clark making some fine saves in goal after injury, his match replaced the expected Ontario Cup tie against Port Colborne or St. Andrews.

The girls lost a league game to Oakville, had a good win in an exhibition against Port Colborne on Saturday and defeated Don Mills 4-1 in the Ontario Cup on Sunday. The girls are really putting it together now and this augurs well for a good cup run. The cup goals came from Sherri Crossman (2) and 1 each from Jenny Thompson and Jenny

## Neilson batters have a 'hay day'

By Theresa Callaghan  
Seniors: Game of the Week  
Cable Jets 19  
Geo. Weider & Radlatior 14  
Umpire: Monica Pallock  
The Jets took a big six run lead in the first inning of play to ensure their win against the Weiders. The winning pitcher was Jackie Fuller who was a credit to the team's second win.

The lone home run came off the bat of Christine Stoye. Game star went to Kim McLeod for her good offensive and defensive playing. Weider's pitching was done by Karen Wilson and Darlene Currie.  
Standard Products 37  
Blue Giants 14  
Umpire: Noreen Atkinson  
Standards had a good strong game with four of the six innings bringing in seven runs. Kim Herrington, Lynne MacKinnon and Jackie Diegel all had full nights at bat.

Hurlers for the match were Carol Peardon and Claire Lacoursiere. Game stars were earned by both teams for their fine performances. Home runs came off the bats of Meredith Henley and Lise Proulx.

Neilsons 37 Magnusons 15  
Umpire: A. Dickson  
The big hits that made home runs in this game were made by Patti Sunnucks, Carol Carter and Jeanne Girardi all of Neilsons. But the big inning was the last one for Neilsons when they almost went through the batting order twice and brought in fifteen runs. Pitchers were Jeanne Girardi, Debbie Osborne and Kathy Waites. Game stars went to Neilsons team and Connie Christie.  
Youngs Pharmacy 20  
Magnusons 10  
Umpire: J. Ford

By the third inning Magnusons had trailed Youngs by one run. It was after that when Youngs broke loose to double Magnuson's score. There were no home runs in this game.  
Pitching was done by Ginny Wilkes and Lori Worrall. Stars were Ginny Wilkes and Leanne Mackie for her outstanding plays in the field and her consistent batting.

Juniors: Game of the Week  
Elks Lodge 21  
Larrad Construction 18  
Umpire: Debbie Osborne.  
Debbie Scarborough  
Bonnie Hatcher earned part of the game star for her three big homers. Other game stars were Pat Heideman, Jackie Chapman, Pam Slavin and Angela De Haas.

Pitching for the match were Kathy Sevenster and Angela DeHaas. The only other homer was belted out by Kathy Sevenster.  
Delrex Smoke Shop 5  
Kinnette Krusters 2  
Umpire: Richardson  
Both teams managed to keep each others scores low with good team work. Lynn Cox earned part of the game star for her 3 for 3 night at bat. Connie Hay earned the other half for her offensive playing. Home runs were hit by Connie Hay, Michelle Miehn for two and Karen Penney for a single. Hurlers were Vic Cunningham, Hope Hults and Michelle Miehn for Delrex. Connie Hay and Raylene Campbell were on the mound for Kinnettes.

Fred Harrison 16 Kinnamen 4  
A fine effort by the Kinnamen but unfortunately not strong enough for Fred's team. Pitchers were Lori King, Rosemary Hartley, Barb Gunby and Chris Keas.  
Home runs were hit by Rosemary Hartley and Carol McFadgen.  
Paulines Flowers 4  
Kintners 12-5  
Umpire: D. Tucker

The game star of this game went to Cindy Halonen for a great triple with the bases loaded. Kintners tried desperately to catch up but were a bit late.  
Pitchers were Penny Patterson and Heather Wallace. The lone home run of the game was made by Pauline's Chris Everson.

Smith. They go to Guelph on Wednesday and entertain Oakville on Thursday.

The house raised problems last week with a shortage of refs and changes in coaches and managers. In some cases the problem was only solved minutes before the kick off. It is a pity that the kids have to suffer from the lack of adult help in official positions. This situation has been with minor soccer too long. A proposal for consideration at the end of this season is coming forward. Firstly to approach the Falcons and Meteors with a view to forming one club with different age sections, to combine executives, to operate under a head coach with assistant coaches for each group and individual coaches for each team.

I strongly believe that we older players, ex-players and senior players should put something back into the game. The future senior players will come from minor grades and unless the senior do something to assist the youngsters the standard of future players will be low. Secondly, to propose that coaches and managers are registered prior to players registration. We will then only register the players in numbers to equal the coaches. I also feel that there should be an adult on each team. The coach looks after the playing side, skill development, tactics and substitutions. The manager looks after transportation, if necessary, call out players for practice and matches and organises half time drinks. In general coach and manager assist each other.

Soccer in two suffers from the lack of reasonable coaches and managers, and referees. The burden of running minor soccer falls on too few shoulders and this I believe is the main source of trouble and lack of solutions.

We welcome Atom's Dynamites new officials Gordon Tucker, 61 Dawson (877-1859) and Bob Gordon (877-7636) and Mosquitos Eagles has Mrs. Wilson, 27 Carroll (877-2739) taking over as manager.

Think about the foregoing proposals folks, because they could mean a curtailment in soccer unless there is a good response. Whether or not we remain in Ontario Soccer, the club system, is I believe, the best for the re-birth of the game.

Ducking for safety, this Gage Stationary tyke was lucky to notice the wild pitch before it hit him.

## Puzzle over Bill C-51

By R.C. (BOB) OLLIVIER  
REACTION TO THE GUN CONTROL BILL  
Dr. Frank Philbrook recently comments on the controversial BILL C-51 "The peace and security" bill that replaces a similar one that was defeated last year.

It now goes under the name of the "Criminal code amendments bill" to disguise it. In reference to the article I was expecting a "supporting statement" from Dr. Philbrook to the local press in its defence, since I feel that it needs a lot of defence and that even then it is not justified.

The MPS's comments on C-51 are a real puzzle. Item 10 of the bill will reduce access for firearms to "potentially dangerous" users—you know as well as I do criminals will always get guns if they want them. As for other "potentially dangerous users" they will just use something else that is handy.  
Discourage use of guns in criminals activities—only DEFINITE jail terms, and the bringing back and use of the death penalty for ALL murder, will discourage this type of gun use and all other murders.

Promote responsible gun ownership—Bill C-51 was not drawn to "promote" gun ownership but to start the decline of that privilege. What is a "comprehensive" regis-

tration system? Gun-related accidents are eliminated by the hunter safety program instituted by the Ontario Federation of Anglers and Hunters. Statistics have proven this! The MP's remarks that BILL C-51 is "an attempt to foster greater awareness" among the public of the dangers of sloppy use of firearms is really saying it is designed to raise opposition to gun use.

Another quote from the release by Dr. Frank Philbrook states that "as BILL C-51 comes into force, the use of guns for recreation and self support will continue to receive strong backing and protection from the federal government."

Notice the use of the word force. Since when did the federal government give any backing at all to gun ownership and use? Much less strong backing.

I still feel, as do many thousands of others, that we have been sold a bill of goods and didn't get a chance to approve it, and the organizations that were getting ready to speak on our behalf were denied the time needed. The Canadian Association for Sensible Arms Legislation was practically ignored when it asked for time. Input was limited and the notice of the date of reading the bill was only a matter of a few days. That's railroading!

## Baseman pitches

The Gage Stationary Tyke baseball team won over the Canadian Legion Monday night in a 20-12, three inning game.  
Scott Farley, who usually plays first base for Gage, filled in as pitcher and did a pretty good job of it. Scott gave no hits to the Legion, he just walked them for their twelve points.

Gage Coach, Bert Yeo, added that Scott, although he may not be the best pitcher, certainly is the best first baseman he has ever seen in the Tyke league.  
Jodi Peebles, second baseman for Gage made some fantastic plays in the third inning as she made a double play and almost a triple play, single handed. It all occurred when the batter hit directly to Jodi, she then tagged the baserunner and continued to throw the ball home almost nabbing the incoming runner. Playing equally as good as Jodi was Brent Smith, who drove two home runs and a double.

The Legion team played well considering they were lacking the skills of their coach, who unfortunately is ill. The team was lucky enough however to get some assistance from an interested father.

There is one more night of regular season play before the tyke players enter their playoffs next Monday.

## Glen Ladies journey

The Glen Ladies are holding a Women's Softball Tournament this Sunday, with eight teams competing for the prize money.

Starting at 10 a.m. Sunday morning in the Glen Park, the Glen Ladies will challenge the Armstrong Georgettes, the Hillsburgh Seniors, the Mississauga Gregs, the Caledon East Clubs and teams from Milton, Bramalea and Thornhill.

The final game will take place some time around 7 p.m. The Ladies will be setting up a concession booth with hamburgers, hot dogs, corn, pies and an assortment of other goods.

Everyone is welcome to come out and enjoy the Women's Softball Tournament.

## Cricket anyone?

Millions of people play the game of cricket all over the world. The cricketing champions of the world have been teams from England, Australia and the West Indies.

Cricket, like soccer, is becoming more popular in Canada. Most of the provinces have provincial teams. The leading team in Ontario comes from the Toronto Cricket Club.

Many people are interested in organizing a Georgetown Club. Anyone wishing to participate or support such a club can phone Dr. Ashok Kumar or Tom Ramatursingh at 877-2302.

## Ontario Outdoors

### Getting 'hooked' on Salmon

As promised last week, lures to catch yourself a salmon.

There are many different ideas on what to use and this all depends on what has worked for a particular person. If you have had success on a certain lure or type of lure then stick with it if you must, but remember what I have said on many occasions—habits are a Fisherman's single most limiting enemy.

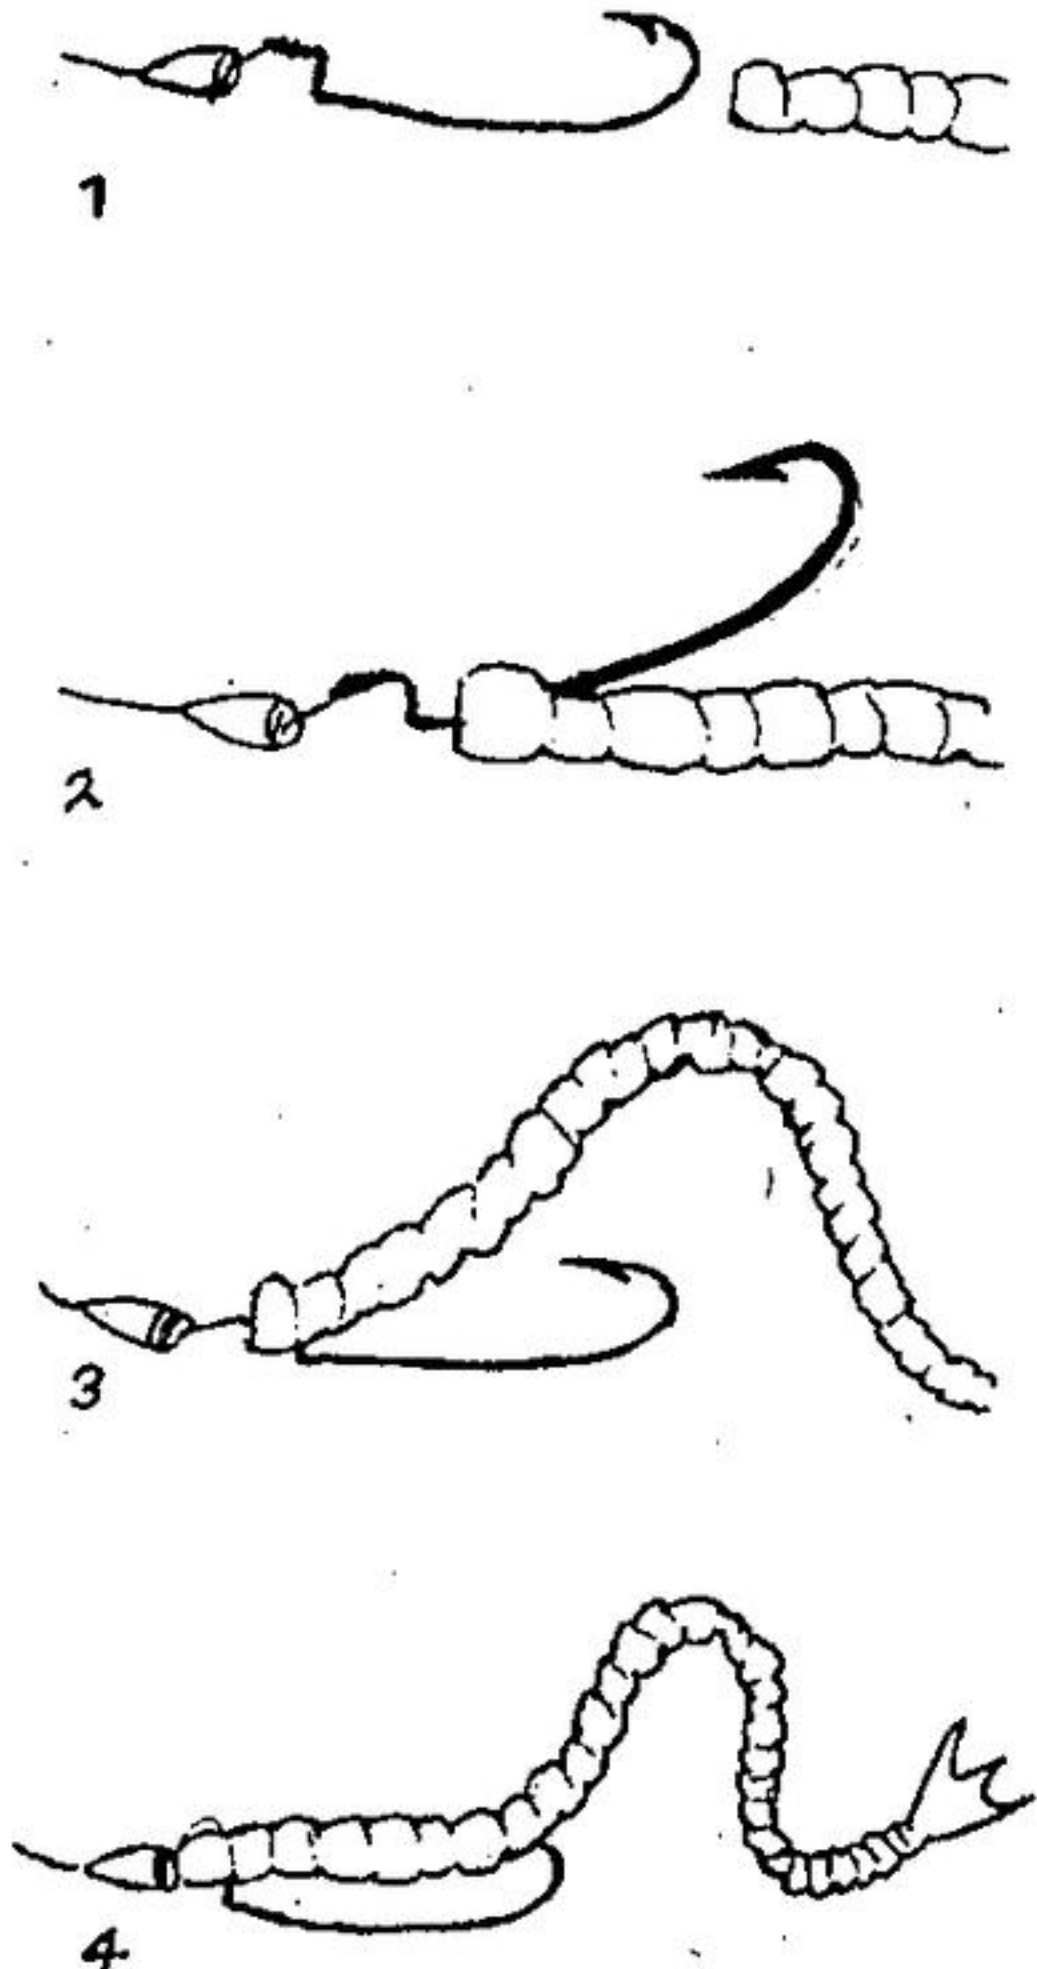

You should have a large bag of tricks. An expanded repertoire. O.K. here are a few lures that should get you fish; HERRING DODGER made by various companies, under several names. They are only designed to give added action to a spoon or JIGFLY, and act as an attractor. Any variation in the length of the leader gives a different action to the lure. BURKE FISHING LURES has what they call DEADLY DODGER and used in conjunction with their HOT HED TROLLING FLY you have an almost sure combination for COHO and CHINOOK SALMON. They have also proved effective for LAKE TROUT and the occasional lake run BROWN TROUT.

FLATFISH lures are also good and several companies make these. The action is different with each of them. Some are no good whatsoever, and others are mediocre. Make sure that you buy a good one or you could troll the thing all day and get nothing. If you are not getting fish before too long, then change lures. MINNOW IMITATING LURES can be excellent, and once again buy a good brand. NORMARK CORPORATION carries the famous RAPALA line and these of course are always great.

FLUORESCENT COLORS are the thing for salmon, and these colors vary in intensity and range from yellows, reds, oranges and the blues and greens. You pick the one you feel is best. Although I prefer the reds and the greens myself, I don't limit myself to just those.  
Of course the regular fishing season is still open and will be for some time yet. I hope to take advantage of everyone being out after salmon and have the other waters to myself. Bass fishing should get better as the season progresses and the question of how to rig a plastic worm has come up again.

I have drawn a sketch with this week's column to show one method of rigging these soft life-like worms. It is about the best way there is. The hook illustrated is a WRIGHT and McGill number 295 JB and the worm is the BURKE BUCKSHOT worm.

The rig is self-weedless and should be very effective under most situations. When you feel a bite hit it hard enough to draw the hook through into the fishes bony mouth and come share your bass dinners with me.  
Give it a try this week in ONTARIO OUTDOORS.

## Georgetown Tire drops two games

Georgetown Baseball Association  
Aug 9th  
North Halton Ford 10  
Optimists 5  
Rivy Kennedy in his first start at pitching came away with an important win for the Ford men. He also helped by belting two singles with Rodney Nugent duplicating the effort and Chris McDonald slugging out a triple. Scott Pentescio pulled off some of the finest defensive plays of the season at third base. Jim Gordon played smart ball behind the plate. For the Optimists Adam Grey got his first hit of the season by blasting a home run. George Parker also hit one out of the park. Derek Murphy played solidly at first base and Heather Kellington had her best game at second base.  
Toronto-Dominion Bank 10  
Georgetown Tire 8  
The Bankers came back from a 7 run deficit to beat the

Tiremen and close the pennant race to 3 games. Dave Wood pitched the win with Jamie Craig socking a 4 bagger. Rick Greenwood hurled the loss but hit 2 singles. Mark Roberts bashed out 3 singles.  
Aug 11th  
Optimists 11  
Georgetown Tire 9  
The Optimists behind the six hit pitching of Peter Martineau won their third game of the year. Pete Rembish knocked out a double and a single with Malcolm McLeod hitting 2 singles. Paul Chaplin had 3 walks for the Tiremen, Paul Gravelle belted 2 singles.  
North Halton Ford 9  
Toronto-Dominion Bank 7  
North Halton Ford took over sole possession of second place with Alan Domanski on the mound. Brent Hayes, Peter Coffey and Terry Merrill all blasted doubles. Steve Cawker tripled for the Bankers and Josh Boucher showed well on defence.

## Triples highlight Georgette's

The Armstrong Georgettes played two games in the past few days, one good game, one bad game.  
On Sunday night the Georgettes brought a 7-1 win home from the Hillsburgh Juniors. Grabbing ten walks from Hillsburgh pitchers Tammy Henderson and M. Rhynold, the Georgettes gained four of their seven runs.  
Maureen Gerth, the Georgettes pitcher struck out three Hillsburgh players and hit a

triple herself. Ev Meier and Pat Wood also hit triples.  
The only Hillsburgh run came when S. Tarzwell hit a triple and Dianne Marshall of the Georgettes made an error, bringing N. Shorthill in for the point.  
Monday night the Georgettes met with Hornby and were beaten 6-5.  
The Georgettes first run was early in the first inning when Pat Wood walked and Pat Walsh hit a triple. Sue Paul

pitched the first half of the game and gave up six walks for three Hornby runs.  
In the sixth inning Hornby gained three more runs on two doubles and an error. Gloria Hamilton and Jennifer Linton got two Georgette runs on singles and stolen bases. The seventh inning was scoreless for Hornby, but the Georgettes managed another two runs, leaving the game 6-5 for Hornby.

This Hornby batter is just a little late on the swing, but Hornby pulled up their socks and took over, beating the Georgettes 6-5.
