## Registration With The Recreation & Parks Dept.

Basically the qualifications the group must meet in order to qualify as a registered group are as follows:

- i) The membership of the group must be open to all citizens within the Town of Halton Hills, or in the same cases within a certain geographical area related to the Town.
- ii) The group must have its constitution, by-laws or rules and regulations approved by the Town.
- iii) The group will submit an audited financial statement to the Town at the end of each financial year.
- iv) The group will file with the Recreation Department the names, addresses and phone numbers of its executive members and will keep the list up to date when changes occur.
- v) The group will keep the Recreation Department informed as to its activities and programme throughout the year.

Registration with the department will not only give your group preferential treatment for the use of facilities, but it will also entitle you to reduced rental rates and reduced rates for duplicating at the Town office (36 Main Street South, Georgetown)

If you have any questions relating to the above, please do not hesitate to contact the Recreation and Parks Department at 877-5185, Ext. 19, 60, 61.
