

### McIntyre 9th of 302

The tenth annual Springbank International Road Races were held on Sunday with seven competitors entered from the Halton area.

In the high school boys three mile race, 302 runners were entered with Georgetown's Bruce McIntyre placing 9th. Arnold Brackett of G.D.H.S. placed 44 followed by Lyn Chapman in 48 position. The next Halton finisher was Jon Lancaster in 65 spot and then Fergus Barner running in 73. Jim Allan and John Phelps also took on the three mile course and finished 83 and 107 respectively.

### Cricket Club formed

Georgetown now has a Cricket Club, thanks to fifteen avid cricket fans who felt it was about time a club was formed. The first general meeting will be held at Bryan Chadwick's home, located at 20 John St. (877-1722), on October 24, commencing at 7:30 p.m. Items on the agenda will include the election of such officers as: president, vice president, secretary, treasurer, captain, vice captain and manager. Thus far it has been decided that the annual membership fee will be \$20 for adults and \$10 for students, with the last date for membership being Mon. Oct. 31. The club will hold six home games and six away games. Arrangements are being made with the Recreation Department for a home playing field, where net practices will be held on Mondays and Thursdays. For further information on the Cricket Club, phone A. Kumar at 877-3302 or Tom Ramautarsingh a 877-8695.

Terry Haines, pitcher for Puckering's Flyers.

Ray Inglis, short-stop for Gage Stationary.

Bob Luffman, Norval's second baseman.

### Blue Knights Avengers

Georgetown Minor Soccer Results  
By SUSAN ROSE

#### ATOM LEAGUE

**Meteors 4 - Avengers 1**  
A good game by both teams. Goal scorers for the Meteors were Thomas Gross with 2, Clive Mullins and Kevin Harris had 1 each. Innes Williams scored for the Avengers. Special mention goes to Richard Bobbis, Hal Martin, Scott Campbell, Mark Pries (goal tender), Jamie Torswick and Jamie McCallan.

**Panthers 3 - Avengers 0**  
The hat trick of Todd Cull enabled the Panthers to win this game. Drew Fisher, Mike O'Brien, James Torswick, Jill McIntyre and Mike Thier played good soccer.

**Panthers 1 - Dynamites 2**  
A very close game with the Dynamite just being able to score that extra goal to make them the winners. Mike O'Brien scored for the Panthers with Jeff Bergsma and Jay Anderson scoring for the Dynamites. The coach of the Panthers said that the entire team played great and that it was the best game of the year for them. Sean Cleary, Robert Hill and Vic Longo also deserve special praise.

**Blue Knights 2 - Aces 0**  
John Barclay and Dauny Kent scored for the Blue Knights. Brad McCashew, Adam Djuk and John Barclay deserve special mention for their efforts as do Greg Barrett, Russ Davies and Bobby Lovegrove.

**Turbo Chargers 4 - Panthers 0**  
Any excellent game by the Turbochargers, Marc Bertrand scored 2 of the goals with Steve Prior and Jim Teetzl adding 1 each. John Bydevette, Todd Douglas and John Bourque played exceptionally well and deserve special mention.

**Golden Jets 4 - Thunderbirds 1**  
Louis DePaoli had a great game scoring all 4 goals for the Golden Jets. Ty Taylor, Casey Vanderstuis and Greg McKenzie played a good game and also deserve special mention. Paul Basha was the scorer for the Thunderbirds with Brinley, Hole and Mark Cambie also playing exceptional games.

**Blue Knights 3 - Dynamites 1**  
A good game by both teams, Andy Hughes scored twice for the Blue Knights with Adam Djuk adding 1. Sean Cleary scored the lone goal for the Dynamites. Special mention goes to Greg Last and Danny Weisz of the Blue Knights. Bruce Ferguson, Jay Anderson and Michael Del Giudice played for the Dynamites.

**Meteors 2 - Flashcaps 1**  
A very exciting game, well played by both teams. Keith Reiger and Thomas Gross both scored for the Meteors. Stephen Roy was the goal scorer for the Flashcaps.

**Turbochargers 0 - Meteors 4**  
A great game by the Meteors, Thomas Gross scored a hat trick with Andrew Berty scoring the other goal. The coach remarked that it was the best game of the season and every boy played super. John Bydevette, Gord Marinko and Peter Steringa of the Turbochargers played a fine game.

**Golden Jets 4 - Aces 0**  
A great game for Geoff Dykxhoorn who scored a hat trick and Louis De Paoli who scored the other goal. Jeff McIntyre, Peter Jones and Ty Taylor all played well as did Todd Collins, Mike Gopplel and James Gray of the Aces.

**Rabbits 3 - Thunderbirds 6**  
Plenty of goals were scored in this game making it very exciting for the spectators. Glen Leslie, Doug Taylor and Robbie Morris all scored for the Rabbits. Paul Basha got a hat trick. Terry Flynn scored 2 goals and Peter Egger 1 for the Thunderbirds. Also deserving special mention for their play are Bryan Krachel, David O'Brien, Brinley Hole and Terry Flynn.

**Dynamites 3 - Flashcaps 1**  
Steven Tucker, Doug Covert and Sean Cleary all scored for the Dynamites with Stephen Roy getting 1 in the net for the Flashcaps. Special mention goes to Arlene Bergsma, Scott Bevans and Steve Zander for their efforts.

**Thunderbirds 4 - Flashcaps 1**  
Another great game for Paul Basha who scored all the goals for the Thunderbirds. Stephen Roy once again scored for the Flashcaps. A good game of soccer by both teams especially Peter Egger, Terry Flynn, Andrew McCloud and Ron Siderus.

**Blue Knights 6 - Avengers 0**  
The Blue Knights certainly showed their goal scoring skills in this game. Adam Djuk scored a hat trick, Andy Hughes landed 2 and Greg Last scored one. Bruce Cameron, John Barclay, Neil Smith, Terry Westin, Innes Williams and Jamie McCallum all played good games.

**Rabbits 1 - Panthers 3**  
A very good game by both teams. Mike O'Brien scored 2 goals with Mike Mowatt getting the third for the Panthers. Glen Leslie scored for the Rabbits. Special mention to Billy Ward, Jim Bursley, S. Lindberg and Dave Mackinon for their efforts.

#### ELIMINATION ROUND ATOM CUP FINAL

**Flashcaps 4 - Panthers 7**  
Goal scorers Nigel Pickering with 2 goals and 2 penalty shots for the Flashcaps. Mike Moviat and Mike O'Brien gained 1 each and 5 penalty shots for the Panthers.

**Turbochargers 0 - Blue Kn. 3**  
Goal scorers Danny Weisz, John Barclay and Greg Last. **Dynamites 2 - Meteors 4**  
Dynamite scorers were Sean Cleary and Darren Mack. Meteor scorers were Thomas Gross with 2, Keith Reiger and Brian Peacock added 1 each.

#### MOSQUITO LEAGUE ELIMINATION ROUND CUP GAME

**Maggies 0 - Dynamites 6**  
Goal scorers for the Dynamites were Ron Vanltem with a hat trick, Doug Gillespie, Danny Dunleavy and Tim Davis. The Dynamites now go into the semi-final round.

**Zeppelin 0 - Flyers 2**  
The Zeppelin team put in a solid effort. Tim Panabaker, and Jack DeVries were the goal scorers. A well played game by both teams.

#### All strikes CING 107.9

The Mohammed Ali - Ernie "Acorn" Shaver fight for the World Heavyweight Boxing Championship will be broadcast live on CING Stereo 108 next week.

Don Dumphy, well known for his coverage of the Gillette Friday Night Fights, will call the fight and be assisted by Canadian heavy-weight boxer, George Cnuvato. Broadcast time is 10 p.m. Thursday Sept. 29, with fight time at 10:15 on CING-FM 107.9 Burlington.

### Soccer Report

### Football at Cedarvale?

By HIBBEE

The Pee Wees have been eliminated from the Halton & Peel Cup following the largest defeat in a long, long time. Waterloo ran out easy winners by 11-2, leading 4-0 after 15 minutes and 8-0 at the half. In the second half, with the assistance of Waterloo players, we went down by a 3-2 margin with Pat Promerano and Gary Lockwood scoring. With a full squad of players last Thursday and promised for Saturday I had high hopes for a good cup result. However, one by one, for various reasons, players pulled out and failed to show up and yes, again we had nine players only for the trip to Waterloo.

This brings to attention a problem of our rep soccer this year. Lack of full commitment from players has bedeviled our rep soccer all year. Poor turn out for matches and training, and lack of parental support in many cases.

This lack of commitment to team effort is, I believe, a major factor in the loss of so many coaches, managers and players. I believe that inter district competition is the way to foster improvement in our playing standards. I also feel that players should have the benefits of house league, interdistrict league and school soccer and not be restricted to just one of those.

A press report comment attributed to high school football coach Mike McMahon stated he would like his team to play a match under Cedarvale's flood lights. I would not like such a move. The soccer field was given to minor soccer exclusively many years ago according to a council minute. Further, the present schedule of games makes the playing of any more matches an impossibility in the time available. Mike's comment again shows up the lack of facilities all round in town. Another point to make is that Cedarvale is probably not long enough in yardage and the goal posts are purely soccer type, and dual purpose goal posts cause problems for soccer; and many for Canadian football. Otherwise, if we had sufficient fields, then why not?

I am curious enough to wonder why Mike would want to use Cedarvale anyway as the high school field was only allotted to us until the end of July. Soccer was advised that some repair work was to be done commencing August and this does not appear to have been done to date and so the high school has been available to Mike for the latter part of summer.

The facility shortage is further highlighted by the complete loss of Cedarvale's two pitches following last week's rain. Atom and girl's semi finals have been cancelled as also have Pee Wee play-off games. At time of writing it is very uncertain whether the field will become available for any soccer, minor or senior.

Fixtures have been set up on a day to day basis as a result of the field shortages and we ask that all those still contending league and cup bear with us.

The Mosquitoes also went out of the Halton and Pee Wee cup loss to Burlington by 3-0. This was a good match which could have gone the other way according to coach and referee (Paul Hulbert and Bill Barclay). An early penalty goal gave Burlington the incentive and hard though the homesters tried could not break the visitors defensive barriers. The boys then attended the Richmond Hill Tournament with mixed success going down against the stronger Halton & Peel teams from Burlington, Scarborough and Oakville. Paul's feeling, and mine to a certain extent, is that we should perhaps be competing against town's of similar size and not against towns drawing on populations of 50,000 and more. With less travelling time involved. With regard to travel I feel, as does Stu Robbins, that we should limit travelling time to 45 minutes. It is difficult for Lakeshore and Toronto commuters to be home in Georgetown in time to leave for far off matches with a 7 p.m. kick off.

A major surprise result! The Rep Girls went to Oakville with a weakened side at the weekend and defeated the hot favorites 2-0 in the Halton & Peel Semi-final tie. Our girls, holders of the trophy from last season, are again carrying Georgetown's banner high. Elaine Taylor scored a fine all round display by the team for the day in carrying both goals.

Last minutes changes in field allotting prevent schedules being printed this week. We still intend to play the finals on Saturday next and play for a distinct weather improvement before then. See you next week.

### Letter:

### Races cancelled

To the editor of The Herald:

It was with both surprise and disappointment that I recently learned of the Recreation and Parks Department's decision to cancel the first annual Autumn Road Races in Georgetown. North America is at present experiencing a "Running Explosion" with millions of part-time joggers and amateur athletes taking to the roads to improve their health and fitness. The majority of these runners are eventually developing an interest in competition, to determine how they compare with the general running public, and to cater for this demand, road races are springing up all over the continent. It is only natural that Georgetown, with its sizeable contingent of both "fun-runners" and "elite" runners, should be ready to sponsor a series of road races for its running public. Georgetown High School, with its excellent running program, has produced some of the finest young runners in this country, including Mike Dixon (ex-Canadian Junior Cross Country Champion) Ian Clarke and Bruce McIntyre. These young runners are familiar competitors all over Ontario, except in Georgetown, where, because of the lack of facilities and competitive program, local residents never get to see these fine athletes in action.

I understand that a major factor in the races' cancellation was the Police Department's view that such an activity would be unsafe. In my experience, police departments elsewhere have welcomed the opportunity to as-

sist in the marshalling of such events in order that they can be completed without incident. It was only three weeks ago, that Bramalea held their first annual Marathon (a 26 mile road race through the streets in, and around, Bramalea) and their local police department escorted the runners through the course and personally directed traffic at the intersections so that the runners could pass without hindrance. Every year the Metro Toronto Police Department sponsor the Police Games Marathon. This, again, is a 26 mile event held in August on a Saturday morning on Lakeshore Blvd. Surely, if this event can be safely organized, it should not be overly difficult to find a quiet stretch of Georgetown road on a Sunday in October.

I am not familiar with the course selected for the races but even a one mile stretch of road which is traversed once, three times or six times during the one, three or six mile races respectively would adequately suffice. This type of course, while mildly monotonous for the six milers does appeal to the spectators who can see all runners pass by at regular intervals. A six mile road race of this type is held every year in Guelph and it is a very popular event. The Recreation and Parks Department have announced their sincere hope that arrangements can be made to offer road races in the future. Let's hope that this will happen in the near future so that more local residents can determine for themselves what running is all about. Bob Daniell

### Ontario Outdoors Eggs spoiled

By R.C. (BOB) OLLIVIER  
The season opened with lots of ducks, but I did not get out until the evening shoot and of course it was raining and blowing a "Small Gale." When you wear glasses as I do, it is almost impossible to shoot under such conditions. The "Blue Sheet" put out by the Grand River Conservation Authority and the Ministry of Natural Resources is really poor this year. Last year's gave a better idea of the area around LUTHER and it was at least readable. This year's is not as well defined and the printing is very bad. Further information on the Luther Marsh wildlife refuge may be obtained from M.O.N.R. Cambridge District Office, Beaverdale Road, Cambridge (H), Ont. N3C 2V3 or Grand River Conservation Authority, 400 Clyde Road, Box 729, Cambridge (G), Ont. N1R 5W6.

The annual report of the Ontario Provincial Parks Council has been released and contains a report on the Algonquin Park Master Plan. Copies of this plan may be obtained from MONR, QUEENS PARK, ONT. at a cost of 50c each. The report may help you to better understand the future of Algonquin Park.

A little word of warning - Don't use shelves from old refrigerators as cooking or smoking grills. They are cadmium plated and release a poisonous compound when heated. A half million Coho eggs will be collected from the Credit River and another half million Chinook eggs from Bronte Creek. Apparently new federal regulation restrict the importing of eggs from the west coast because of possible disease. These eggs will be the only ones for stocking and it is hoped that they will hatch and give us a continuation of the great salmon runs we have experienced here each fall for the last few years. The eggs will be shipped to the hatchery at Warton and should be available for stocking in the spring of 1979. The return of these fish will be the fall of 1980.

It is not expected to be a good return for the amount of effort and time put in. The eggs are expected to be poor due to contaminants in Lake Ontario. There are eggs now at the hatchery at Chatsworth that were obtained from the west coast before the federal regulation came into effect.

I will be very interested in your success rate on ducks this year and would appreciate a call on how many and what kind. Just remember we are sportsmen and act that way in ONTARIO OUTDOORS.
