

## Xi Delta welcome visitors

Xi Delta Beta Chapter commemorated the traditional Beta Sigma Phi Beginning Day Aug. 27 by erecting a new "Welcome" sign on the Chamber of Commerce notice board on the outskirts of town.

That evening, members and their husbands met at the home of President Sonia Mazur for a social evening appropriately entitled "Beginning With Bunco". Bunco being a fast paced, progressive, game of chance.

Prizes went to Jim Zebodee and Mary Ellen Bridge for high score, Lorrie Ryan for rolling the most Bunco's and Dorothy McCarthy received the consolation prize.

The Chapter took this opportunity to say farewell to Pat Zubac who is moving to Belleville. Pat was presented with an engraved coffee spoon and a Mirpah charm for her bracelet has been sent to her.

The president distributed the new Year Book to each member. The Year Books have been completely revised and the hard work and inventiveness that has gone into them was appreciated.

The Executive served up submarines, created in assembly line style under the skilled eye of pro-submarine maker Jerry Mazur to top a fun-filled evening.

Eileen Quackenbush was hostess to the first business meeting of the year held Sept. 6.

In the President's absence Vice-President Lynda Tyrrell presided.

As there was no program scheduled, the chapter took advantage of the extra time to discuss the year's activities. The chapter voted to assist financially with the necessary transportation expenses of a local child to and from nursery school. It was decided to suspend the chapter's September social in order that members wishing to attend Theta Theta Chapter's annual dance could do so.

The Sept. 20 business meeting was held at the home of June Campbell. Arrangements for the upcoming Preferential Tea were discussed. It was decided to go ahead with the Chapter's September social at the end of the month.

This year the Program Book is entitled "Perspective from Provocative Personalities" and from this Lois Helmer presented a fascinating study of Queen Victoria. She pointed out that when Queen Victoria was born in 1819 it was never suspected that at age 18 she would become Queen as she was then fifth in line to the throne. Loison had made up charts illustrating how Victoria came to ascend the throne, how her descendants married into the majority of Royal households of Europe and Asia and another chart depicted how Victoria was a carrier of Hemophilia and the consequences of this as it was inherited by the sons of those Hoyar households.

After an illuminating description of Victoria's life and times, Loison displayed photographs, writings and other items depicting the Victoria Age.

This year an award will be given for the best program presentation and members were asked to record their comments on the program for future reference.

## Silver Wood

### WI meets

By MRS. L. GIFFEN  
The September meeting of Silver Wood Women's Institute was held on Sept. 9 at the home of Mrs. C. Fogal.

Twelve members answered the Roll Call - A trip by air that I enjoyed or would like to take, which brought some very interesting answers.

The minutes were read and approved.

An invitation was read from Mountain Union Institute to an afternoon tea and program to be held at 1:30 p.m. at Ligny Hall on October 19.

A delegate was chosen to attend the Area Convention to be held at Bingham Park, Kitchener on Nov. 3 and 4.

Mrs. Ian Carmichael gave Current Events.

Mrs. Fogal, our Agriculture and Canadian Industries Convener took over the meeting.

As this year is the 40th Anniversary of Aviation. She chose this as her topic. Mrs. Fogal told of the advancement through the years such as the type of planes, to where they flew then and now, and a general picture of aviation.

Mrs. Fogal answered questions that arose from the talk. The meeting closed, followed by a social half hour.

Our get well greetings go to a faithful Institute member Mrs. M. Corbett, who is in hospital in Brampton.

Also our sympathy to Mrs. H. Scott on the death of her husband.
