Wel Brewers Grain has long been recognized as an excellent source of feed for both beef and dairy cattle. It can be used either as a source of protein or as a roughage extender. Brewers gain is available either on a regular weekly basis and fed fresh or larger quantities can be stored in a pit and used as needed throughout the year. Both methods have been proved successful. For more information contact Shantz Bros. LIG. 519 579 3111.

92 Mill St. Georgetown Farming -

a dream A common dream of many people today is the growing desire to leave an urban setting and make a life of it in the country as a farmer.

Often the desire is based

more on a kind of romantic

notion of a farmer's life than

on fact, but anyone who would

like to make the switch can

now attend within easy driving

distance of Halton Hills, courses designed for the notice farmer. For the fourth year, the

University of Guelph is of-

fering course in Applied Agriculture beginning Sept. 28. Classes will be held at the University of Guelph, at McMaster University in Hamilton and a high school in Toronto near the junction of

Courses vary in length from

three to ten sessions. Evening

sessions are from 7:30 to 9:30

Highways 401 and 400.

p.m. and Saturday sessions from 9:30 a.m. to 4:30 p.m. As many as 62 instructors drawn from university faculty, farmers and allied industry personnel may be involved at any one time in the program. Fees are from about \$30. to \$75, per course with a cheaper Georgetown, Ontario. , rate for couples.
