

Junior Rebel Football

The Junior Rebel football team took another loss Thursday when they were defeated 34-23 by Perdue. The team, falling to the same old problem, didn't come to life until the second half and Perdue, one of the top league

teams, took advantage of the Rebel's slow start. The Rebels first touchdown came when John Fritchard made a four yard dive. Quarterback Jim Rountree then landed a 15 yard pass to Mike McMenemy for the

second Rebel TD. Jeff Skingley made it to the end zone for the third Rebel touchdown on a 12 yard counter play. The Rebels had two successful pass conversions both to Jeff Skingley. With four more minutes
