## Community Calendar

**Runners needed**  
The North Halton Meals on Wheels Program needs runners to take the meals from the delivery vehicle to the door of the senior citizens' residences. These people do not need to drive but they are the ones who will make the actual contact with the recipients. They are the ones who see the gratitude from the people the service helps and have the chance to make new friends. Anyone with some spare time during the week or the month should call Ruth Poulous at 451-1455.

**CAS drivers needed**  
Volunteer drivers are needed to assist the Halton Children's Aid in transporting children from a foster home to their natural parents' home, or for medical appointments, or sometimes for a meeting held at the Burlington office. Drivers are also needed to bring mothers from Norval, Glen Williams and Acton to a self-help program held once a week in the Georgetown office. Drivers are paid 20 cents a mile, plus parking expenses. Anyone with a few hours free during the week should call Chris Armstrong, volunteer co-ordinator at 878-2375.

**Man's touch required**  
Helping Hands, a volunteer organization geared towards helping senior citizens and disabled persons, needs "a man's touch," co-ordinator Barb Stevens says. Men with knowledge of carpentry skills and gardening skills are required to assist senior citizens. Anyone interested should call Barb Stevens at 877-8970.

**ARC workshop**  
Volunteers are needed to help in the ARC workshop in Hornby and to help in recreational activities. Anyone interested should call Mrs. Winifred Isham at 878-3369.

**Block parents needed**
