

The Senior Rebel football team played an excellent defensive game Friday against Oakville Trifalgar, allowing only 1 touchdown and stopping a few good attempts.

### Good hitting by Seniors

Oakville Trifalgar took a decisive 6-1 win over the Senior Rebel football squad Friday afternoon on the Rebel field.

The Georgetown team let down in the final quarter allowing Oakville to march down the field for their winning touchdown. Coach McMahon puts the loss down to inexperience, yet he does feel Friday's game saw some of the best defensive hitting in high school football.

Standing out on the Rebel defensive line were: Jim Lindsay, Jeff Frenette and Steve Crossman, but the entire defense played extremely well. Offensively the team could have done much better, twice the ball was inside the ten yard line and twice the team failed to gain the points.

The Rebel defense is definitely the strong point of the team. In the past five games, only 56 points have been scored against Georgetown. Offensively, the team has scored 36 points in five games.

Friday afternoon the Rebels host Q.E.P. Game time is 3:30.

It didn't seem to make any difference how hard the Junior Rebel team hit Thursday afternoon, as Aldershot slaughtered Georgetown 22-0.

### White Oaks overpowering

The Junior Rebel football team took a thumping Thursday when Aldershot, one of the top league teams, charged to a 22-0 win.

The first three times Aldershot got hold of the ball they scored. Touchdowns were scored on one run and two passes. Coach Kotani said the defense did play well after the three Aldershot touchdowns.

The Rebels did have one touchdown but it was called back on a tandem blocking rule. It seems Kevin Greene was pushed over the end line by either an Aldershot or Rebel player.

Monday afternoon the team fell to White Oaks, 21-7. The main reason for the Rebel loss was the injury to quarterback Jim Rountree shortly after the game began. Doug Cousins came in to replace Rountree

and consequently pushed the ball for the only Rebel TD.

White Oaks had control of the ball for most of the afternoon with their final touchdown made in the last minute of play. Kevin Greene had the lone Rebel touchdown, with Mike McMenemy completing the convert kick.

Even though the Rebel team lost, Coach Kotani felt the boys played well. The loss puts the

juniors out of the playoffs. There are two games left to play, one tomorrow at Q.E.P. and the final game next Thursday at Oakville Trifalgar.

### Meteors Champs

The final of the inter-county Soccer League playoffs, delayed nearly a month due to bad weather and Georgetown's unorganized Recreation Department, finally was completed with the co-operation of the Acton Minor Soccer at the Acton High School.

The best of three games final was won by the Meteors with an 8-0 win last week, played in the pouring rain, followed by 7-0 game last Saturday. The Eagles were missing some key players and the game didn't have the sparkle of some of the playoffs.

Uwe Wasserman got a shutout in the two game series and has played outstanding goal during the last half of the season when he took the place of Mike Rojas who went out West.

Haans Koeslag, league president presented the league's most sportsmanlike player award to Helm Janssen Sport Director, TTC Brampton during the half time break. When he presented the trophies to the Meteors he commented that it was becoming a habit, this being Meteors third League end cup win in a row.

### Curling seminars re-arranged

By MARG & STEW TEETZEL. We were very pleased to have four of our North Halton curlers attend a coaching clinic this past week. The clinic was held at the Boulevard Club and was coached by top professional Ontario curlers. The clinic was sponsored by the Federal Government and approved by the O.C.A. (The main objective of the clinic is to obtain uniform methods of teaching curling across Canada.)

Bobbie & Ken are sharing the Juniors section this year and they are planning on holding a clinic on Sun. Oct. 30th to get this section ready to begin their first draw the following week.

The Business girls executive had their first meeting this past week and all is set for another terrific curling season. All skips are meeting Thurs. Oct. 20 to draw their teams for the first draw. An open meeting is planned for Wed. Oct. 26 at 7:00 p.m. so please all you Wednesday night curlers, come meet your

team mates and after the meeting throw a few rocks. The first draw starts Nov. 2 and runs til Dec. 14th. Fun nights are in the planning for Dec. 21st and 28th.

Mary Ellen Bridge, Games Chairman, is busy arranging the Ladies afternoon curling beginning Tues. and Thurs. Oct. 25 and 27. Don't forget ladies, babysitting is available at the club both afternoons.

The ladies competitive started this week and the men are planning fun jatneys this Tues. and Thurs. Oct. 18 and 20 from 7-9. Come out and throw a few rocks and get in shape because all leagues will be in full swing beginning the week of Oct. 24th.

We don't want you to forget that the club is offering the Roy Turnbull-Wally Ursulak curling seminars this weekend. We know we've mentioned it before but we feel it's a very important seminar. These people are experienced teachers and they make learning fun too.

The times are changed a bit too, the Basic Program 1:30 and 5:30 Friday and amalgamated to 1:30 Saturday and Sunday. The advanced program will be 8:30 Friday and 5:30 Saturday and Sunday. The Juniors will remain the same, 9:00 a.m. Saturday and Sunday. Good luck curlers!

### Credit Valley slaughtered 8-1 by Patterson Insulation

A solid team effort coupled with some excellent individual performances got Georgetown Patterson Insulation back in the win column with an 8-1 drubbing of Cedar Valley in No Contact League action on Sunday night in Hillsburgh.

The victory leaves Patterson Insulation with three victories against one loss in early league action.

Backed by solid goaltending from Jim Walker in the Georgetown nets Georgetown scorers were led by Ken Norman with three goals while Walter Arbuckle contributed three assists. Howie Cornfoot and John McNally had a goal and an assist each and Pete Thompson set up two goals.

Individual goals were scored by Brian Quinn, Vic Kokael and John Packer while Bob Moncton, Mike Marshall, Bill Bligham and Wayne Houle added assists to round out the Georgetown scoring.

The Insulators played a steady game throughout the night with Walker closing the door on all but one Cedar

Valley shot. Norman opened the scoring early in the first period and then put the game away with his second goal after Cedar Valley had tied the score.

Georgetown's next game will be at Alcott arena against Orangeville (Prie) on Tuesday October 25.

### Ontario Outdoors

#### Try a Mepps Spinner

By R.C. (BOB) OLLIVIER

PLEASE. Please, please - do not show the world that outdoorsmen are slobs. Last year the litter at the popular fishing spots was beyond belief. I am the first to realize that Season Openers and the hot Salmon fishing brings out those who don't fish the rest of the season. Mainly, these are the ones that usually turn out to be the slobs. Discarded food and drink containers, snarled fishing line and dead fish are scattered anywhere and everywhere.

I for one don't like to spend my fishing time cleaning up after someone else, yet it happens every time I go out.

The Salmon are congregated at the mouths of the rivers now, in great numbers, and the early runs are up river. In the CREDIT RIVER they are at the dam in NORVAL, the "VIADUCT" or railway bridge in Georgetown, and at the PAPER MILL DAM.

Each place calls for a different type or method of fishing. A spawn bag anchored on bottom in the river mouth will take a great many fish, as will the common marshmallow, while it should be drifted while fishing upriver. Sometimes you will catch one of the many Trout, either Rainbow or Brown that are becoming more plentiful in the CREDIT RIVER as well as the other rivers in the area.

Keep a copy of the fishing regulations on hand and know the areas where the season is closed for trout. With the intermittent rain we have been having, the water condition could be almost anything from muddy to clear and you should fish accordingly. In deep holes (over five

feet) I use a number three MEPPS SPINNER in silver or gold, in medium holes (3-5 feet) a plug is used, and in runs of up to three feet I will use a small plug or spoon. If you remember that a "spinner rides down and a spoon rides up" it will help in your selection of a lure. In other words a spinner digs for bottom and a spoon planes to the surface.

If you should get yourself a fish, call me or the HERALD office and we would like to get a photograph and a little information on how and where, etc.

The Ministry of Environment has issued a bulletin on the mercury content of fish and this is available by writing to the ministry at QUEENS PARK, TORONTO. Mercury content increases in fish with increasing size, and this of course should be taken into account when eating fish from "contaminated" waters. The pamphlet entitled "Guide to eating Ontario Sportfish" will help along this line, and may be obtained from the local offices of the Ministry of Natural Resources.

With the hunting season well under way a new book is available from DBI Books Inc. The 32nd Anniversary issue of GUN DIGEST is a well made up book that covers all facets of guns and collecting. Technical articles by top gun experts, field tests, and new product evaluations make this a complete book for the gun buff and hunter as well. Almost 450 pages of the best in gun news and info make this a book that is ideal for a gift to your hunting friends and your own library.

And remember we don't like slobs in ONTARIO OUTDOORS.

### Bowling action

The Georgetown girls have improved in all bowling divisions and are showing the way to the boys in preparing for the coming competitions.

In Pee Wee Teri-Jane Cowbrough had the only 300 triple. In Bantams the McCorry sisters had the only 500 triples and with Teresa Maslach 428 (208), Diane Humphreys 428 (184), Karen Branch 413 (171), Shannon Jackson 400 (162).

BANTAM BOYS: Chas. Weatherall 484 (173), Steven Turner 480 (178), David Hicks 413 (178), Robert Campbell 403 (149).

JUNIOR GIRLS: Connie Hay 655 (246), Margaret Jessop 599 (241), Hope Hulme 573 (221), Sandra Marshall 521 (183).

JUNIOR BOYS: Frank Madden 651 (254), Russell Gourlie 588 (256), Cameron Lavers 567 (208), Leonard Fisher 555 (196), Brian Collier 515 (205), Chuck Anderson 503 (193).

SENIOR GIRLS: Sheila Anderson 786 (264), Wendy Hay 725 (262), Donna Cooper 627 (219), Lisa Burke 620 (235), Janet Hicks 564 (223), Kim Beckett 253, Julie Burns 248.

SENIOR BOYS: Glen Collier 687 (250), Dwayne Decoste 684 (294), Gord Kennedy 611 (232), Bruce Clarke 606 (209), Bill Service 570 (224), Colin Hicks 562 (210).

PEE WEE BOYS: Paul
